Focus: This initiative is aimed at helping our churches develop strategies and skills that will help them retain new members and improve attendance.

STRATEGIES

Mentorship Program: Develop a mentorship program whereby established members will be paired with new members for mentoring and support.

Cultural Inclusive Activities: Seminars and events put together to help members have a better understanding of cultural differences in our society and how to handle the challenges.

Meet the Pastor: Set aside a time in the week when new members get to meet the church pastor for refreshments and information on the church.

Operation Meet and Greet – (OMG): Members should be encouraged to meet and greet new members and visitors immediately after service on Sunday and during the week. Greet, interact, exchange numbers and pray with them.

Suggestion Box: Have a suggestion box where members can make recommendations based on their observations in the church.

Membership Support Survey/Questionnaire: Develop a survey that will inform the church leadership on career, education, demographic, spiritual gifts, etc. of all members, especially new members and come up with strategies on how to effectively support them through seminars, counseling etc. This will allow leadership to know and be able to meet the needs of members physically, spiritually, emotionally, financially, career etc.

'GAME' Time (Give A Minute Everyday): Give at least a minute of your time to call a member of the church everyday.

Give A Ride: Volunteer to give a ride to anyone who might need it either to or from church.

You Are Special: A reserved parking and seats for

first time guests or visitors.

No Idle Hands: Encourage members especially new ones to join departments and groups in the church and be active (youth, children, men, women, ushers, security, cleaning etc.)

Seating Arrangement: Sitting arrangement should allow for easy access to empty seats.

Welfare Task Force: This is a unit or group of people in the church devoted to identifying the needs of members of the church and communicate with the church leadership on how to meet those needs.

We Celebrate You: The church should call members whose birthday or wedding anniversary fall on that Sunday or the week ahead and celebrate with them.

Mingle for Christ: The church leadership as well as leaders of the departments should seek opportunities to organize spiritually motivated social events that will enable members to mingle with one another e.g. cookout, cruise, movie night etc.

Feel At Home: There should be ongoing teaching to encourage members to be welcoming to guests and visitors by creating an atmosphere that makes them feel at home.

Chew and Chat: Make provision for snacks after services especially for children whose parents might be involved in after church activities. Adults can also be provided with coffee, tea and the likes.

Unity in Diversity: Set aside time to celebrate cultural diversity in the church. Members should dress in their cultural attires; invite friends, family and fellow nationals in the community. You can also take advantage of Black History Month and other Monthly Awareness Events throughout the yearly calendar.
