“Therefore go into the highways,
and as many as you find, invite to
the wedding.’ So those servants went
out into the highways and gathered
together all whom they found, both
bad and good. And the wedding hall
was filled with guests.

SERVICE

O.N.E.S

Focus: This initiative is to engage members in inviting friends, neighbors and colleagues to church events and services.

STRATEGIES FOR THE CHURCH

Order in the House: Our services should be well organized and structured to make them more appealing to members as well as guests, minimizing any downtime.

Little Feet: The children's department must be fully equipped with resources and enthusiastic teachers that will make it inviting to new members to want to bring their children every Sunday.

All-Round Intercession: All church members and the intercessory group of the church should be encouraged to include this initiative on their prayer list.

Weekly Flyer Campaign: Each Assembly should design or develop weekly flyers that members will use to invite friends and neighbors to weekly events and services.

Evangelism Team: Each Assembly should have an evangelism team that will be responsible for promoting and coordinating weekly or monthly evangelism exercises.

Follow Up Team: Each Assembly should have a follow-up team which will coordinate calling and reminding new members of Sunday morning and mid-week services.

Transportation Team: Each Assembly should have a transportation team that will be responsible for bringing people who need transportation to church services and events (This should not be limited to Sunday services).

Mindful Services: Each Assembly should conduct their services in a way that everyone who comes, regardless of their tribe, language, race or nationality will feel welcome and develop a sense of belonging.

Worker's Training: Train ushers and greeters to be very welcoming to new visitors.

Attend Members Functions: Attend special

events that are hosted by and affect members' lives.

Publicizing Church Events: Have flyers of church events available to share with people you meet.

Monitor Attendance: Keep track of and monitor absences to check on members.

Give A Ride: Volunteer to give your invitee(s) a ride to church or make arrangement(s) for them to be brought to church.

You Are Welcome: Be more welcoming. Talk to new members and let people feel included. Be sensitive to identify member's needs and work towards meeting them.

Give-Aways: Be a giving church and meet the needs of new members. Provide some free things and services for new members.

STRATEGIES FOR MEMBERS

Member Training: Members should be trained to become soul winners and encouraged to participate in weekly or bi-weekly evangelism events.

Bring a Guest: Members should be encouraged to invite friends, families, neighbors, colleagues, and others to church services and events.

Give A Ride: Members should be encouraged to pick-up other members who might be able to reach out to transportation team.

Daily Prayer: Members should be encouraged to pray for the growth of the church on a daily basis.

Spread The News: Members should be encouraged to actively participate in the distribution of the weekly flyers of events and services.

Act Like Christ: Members should be taught to demonstrate Christ-like behaviors to those sitting next to them in church so that they will feel comfortable coming back to the church.
