*“Therefore go into the highways,
and as many as you find, invite to
the wedding.’ So those servants went
out into the highways and gathered
together all whom they found, both
bad and good. And the wedding hall
was filled with guests.*

W.A.N.T Christ

Focus: This initiative is to expand our presence in America in States where TACGV does not have an assembly, and also reach other nations with the gospel of salvation.

STRATEGIES

Operation 'Go Ye': Evangelistic events including community health forums will be planned in our communities and across different nations of the world to reach them with the gospel of salvation and possibly establish churches.

Operation SSS - Seeds Save Souls: The members should be encouraged to give special offerings during the closing hymn on our Sunday services and this offering will be used to support missions. Individuals can also sow special seeds toward missions.

Mission Offerings: There should be special mission offerings every second Sunday during our Missionary Sunday service and this offering should be kept in the mission account.

Church Planting Crusades: Special crusades and evangelistic open air events can be considered in specific locations that have been identified as fertile ground for church planting.

Missions Leadership Forum: A quarterly meeting of all evangelism and missionary team leaders across TACGV for coherent planning and execution of plans.

Missionary Trips: TACGV should coordi-

nate with known Pastors in other countries to organize annual or biennial missionary trips. The missionary trip should be such that is well planned and give room for our youths and young adults to participate.

Mission Training School/Program: TACGV should establish a mission school or program where members will be trained and prepared for soul winning.

TACGV Mission Day: Each assembly should be encouraged to set aside a day in the year for mission support. This should be a big event and members should be encouraged to invite friends and neighbors to support missions.

Sponsor-An-Orphan Initiative: Each of the assemblies in TACGV will encourage their members to sponsor children in orphanage homes; locally and abroad.

Adopt-A-School Initiative: Each assembly will be encouraged to work with their local school districts in adopting a school that is in serious need of help. This can be done through after-school program or a Saturday tutoring program which can take place weekly. In this way, TACGV will make her presence known in our local communities and across America.
