Pulpit Minister

Welcome to Lomax!

A Special Welcome to our Guests!

We are glad to have you visiting with us today! You are welcome here. We know you have a choice of where to worship, and you chose to be with us today — thank you.

At Lomax we want to be the church we read about in the Bible. Our goal is to glorify God with our worship and with our lives and to point people to Jesus Christ.

If you need anything during the service, ushers in the lobby can direct you to restrooms, or the nursery.

Please fill out a blue attendance card located on the back of the pew in front of you or scan the QR Code to the right. If you have any questions or if we can help you, please let us know while you are here or call our church office at (931) 796-5381.

Ever wonder where God is when you need him? Once there was a disturbed father who walked up to the preacher and with a determined look in his face asked, “Tell me, where was God when my son died in Afghanistan?” Well, the minister thought a minute then replied by saying, “He was right where He was when His son was hanging on the cross.”

You know, there are a lot of things that come our way in our experience of living. There are tragedies that we can’t quite explain. Yet, the Bible pictures God as the light at the end of a long dark tunnel. God gives a man hope. That’s why Paul could call Christ the hope of glory. The Bible says, “For God did not send His son into the world to condemn the world; but that the world through Him might be saved.”

BIBLE RESEARCH QUESTION:

Who said "My son, God will provide himself a lamb for a burnt offering"? To who did he speak?
(answer next week)

KNOW YOUR BIBLE

Boo's Belyeu

Researching for my article this week I ran across August 12, 1990 this week 23 years ago a fossil of the largest Tyrannosaurus rex skeleton every was discovered. The scientist talked about it being a 65 million year old specimen. Amazingly the T Rex had red blood cells and hemoglobin. This posed an incredible problem for evolutionary scientist due to the fact this could not have lasted 65 million years. While creationist pointed to the fact of the bible God created all living things in 6 days Exodus 20:11 "For in six days the LORD made heaven and earth, the sea, and all that is in them, and rested on the seventh day. Therefore the LORD blessed the Sabbath day and made it holy." Of course to accept the Bible would destroy all evolutionary theories and force them to accept the flood of the Bible as a reality. Quoting from the technician, "It was exactly like looking at a slice of modern bone. But of course, I couldn't believe it. I said to the lab technician: "The bones are, after all,

65 million years old. How could blood cells survive that long?" Since this happened scientist dug into the evolutionary theory have tried to explain away creationist time table with ways the blood cells could survive. The existence of God and creation is in stone to believers; however it is pretty neat to see the evolutionist society struggle to come up with ways it could happen.

Back to School Challenges

Most parents will agree that when it is back to school time, there are challenges to be faced. We will be concerned about making sure they have the right school supplies, maybe some new clothing. Perhaps we'll be worried about our child's new teacher, or a different mix of kids in the class. All of these are self-focused worries!

I'd like to offer this thought as a new school year dawns: Our most important concern is how we—both students and parents—will impact the people around us. From the sermon on Mount to Great Commission, the followers of Christ were to be focused outwardly. This year, make an impact on others!

Remember your EXAMPLE.

We tend to focus on self at this time of year, but Romans 14:7 reminds us that none of us lives to himself, and no one dies to himself. Our lives have an effect on others! We need to be careful not to be hypocritical (Rom. 2:17-24). Must be positive with our responsibilities (Phil. 2:14-16). And above all, we should shine for Christ (Matt. 5:16)!

Remember your MISSION.

If we are in Christ, we are a new creation (2 Cor. 5:17-20). That new creation has a job to do! Paul said he was an ambassador for Christ, and we have a responsibility to be the same (1 Cor. 11:1). Students, youth is no excuse not to be about our Father's business (Jer. 1:4-7). If Jesus is your Savior, then He is your Lord too (2 Peter 3:18). Act like it!

Remember your PRIORITIES.

If you are a Christian, then your priority is the kingdom of God (Matt. 6:33). There will never be a convenient time to put God first and yourself last (Matt. 16:24), so start now! Remember the heroes of the faith from past days (Heb. 11:13-16) and seek that heavenly city!

Starting a new grade brings new possibilities, new opportunities, and a new beginning. But don't forget you can impact the life of someone else forever!

Remember your **EXAMPLE**,
your **PRIORITIES**, and your **MISSION**!
