

The CDF said the 11,460-acre Barber Fire in the De Luz Canyon area of Riverside county, and the 6,640-acre Murietta fire that killed one person and injured 11 others, were under control at 6 a.m. today.

A CDF spokesman said Riverside County's Murietta fire, in which a child burned to death, was deliberately set.

"We'd like to find the murderer who set that one," the spokesman said.

The only remaining fire, which
