

New Route Begins

DE LUZ.—The first run of a new star route serving the De Luz area north of Fallbrook was made yesterday as a post office, reputed to be the smallest in the nation, was closed.

Post office officials said mail will leave Fallbrook at 10 a.m., arrive at DeLuz at 10:45 and leave the small community near the northern county line at 11 a.m. About 33 families are served by the new star route.

The DeLuz office was ordered closed last summer and again last month as part of a post office economy drive. Previously mail had been delivered three times a week.
