
DE LUZ POSTOFFICE

The De Luz postoffice has been ordered discontinued after April 14, and the property turned over to the Falls Brook office. This move on the part of the postal authorities is a great surprise, as the De Luz office was doing quite a large business, and there is no other office within twelve miles, and it will be very inconvenient for the people of that section to be without a postoffice. — Fiddler's Review.

How can you enjoy your breakfast unless you have read the Daily Chronicle's wonderful appetizer—the month, delivered.
