

# HIGHWAY TO DE LUZ STATION COMPLETED

(Special to The Union)

OCEANSIDE, Oct. 3. — Supervisor G. F. Westfall reports the completion of the De Luz road from the O'Neill lake to the De Luz station on the Santa Margarita ranch. The people living at De Luz have volunteered to put the road up the cañon to De Luz in shape and when this has been done the road from the cañon community to Oceanside will be in fair condition for public travel.

The Westfall part of the highway building called for about two and one-half miles of grading, and the installation of a 36-foot bridge.

The widening of the Amick grade east of the city, preparatory to the paving, has been undertaken by Road Foreman Stewart, under the direction of Mr. Westfall.
