LE LUZ — Fire possibly caused by a cigaret destroyed a garage and contents of estimated combined value of \$6000 Saturday on property of Dr. S. Wilson, across from the postoffice here, the state Division of Forestry reported.

E. R. Donohue, assistant forestry ranger of Fallbrook, said the garage, valued at \$1000, was burned to the ground. Damage included \$1500 to an auto in the structure, and \$3500 to tools and shop machinery. The Red Mountain forestry crew responded to the alarm.
