

The **WeRe Banking System** is a people's banking facility as opposed to a "private corporate Rothschild-Vatican Federal Reserve controlled" parasitic criminal enterprise. Different in every respect we offer **TOTAL TRANSPARENCY** in all **TRANSACTIONS** and provide you, as our customer, with a basic human right: "To earn a means of wealth exchange anywhere in the world, at any time of day or night, free from common hiring procedures, taxation and inflationary pressures, which are engineered to PREVENT you from building meaningful wealth/freedom over time".

THE DESPERATE AGE OLD PROBLEM

WeRe Bank is unique in that it helps you create "Globally Exchangeable Money" by re-adjusting the existing deception within the equation of (TIME² WORK ENERGY = REWARD). This existing government banking trickery has been purposely & deliberately designed to place you in a position of slave or vassel. Owned by the banking government/corporatocracy you are told what to do and when and how to do it. You have no real choice other than to SLAVE in a system which dictates to you what you earn, how and when you earn it and then **ENSURES** via the Triple Towers of **TAXATION, INSURANCE** and **INFLATION** that your "earnings", are taken from you over time in order to keep you strapped in the "Clown Car". Taxation, enforced via illegitimate laws, bullying and threats, is taken to fund excesses of all kinds, wars, policing, civil projects, bail outs for "friends," are all there to restrict and control you AND for the exploitation of the earth and it's populations for the SOLE BENEFIT of a neo-feudalistic, tyrannical, despotic, hierarchically-aggressive, territorial, prison-planet elitist regime. Presently, you are ONLY an asset of a global

corporation – a mere worker. This regime is only interested in one thing: MORE for them - Less for you!

How We Do it! **WeRe Bank's** principal trading asset is called the **Re**. It is a unit of space and **time and has Value as it is "exchangeable" or trade-able.** **Units are created through expenditure of effort over time and we hold these units "on account" and pay them out to our customers.** The units are (energy x expended time = REWARD) based upon exceptionally sound principles of Albert Einstein's ($e = mc^2$), where m = mass, c = speed/time, e=energy (General Theory of Relativity). This equation, upon reflection is the only SOUND premise for a unit of exchange/currency in this world. Units are denominated in 3 skill/time classes: **A, B, C.**

A Class Time is paid out at: 24 **RE**/Units per hour,

B Class Time is paid out at: 12 **RE**/Units per hour

C Class Time is paid out at: 8 **RE**/Units per hour.

WeRe Bank PROTECTS and ReSTORES

1. **WeRe Bank** creates a viable, productive and locally independent wealth generation system which is not only protective against economic collapse but is ALSO tax, inflation and scrutiny free.

2. **WeRe Bank** re-creates and re-generates the disintegrated fabric of TRUST which WAS the glue which held community together.

3. **WeRe Bank** is truly people facing and is a Peoples' bank and so 100% owned by the people who make it up. All profit stays within the membership base and is for the sole use and benefit of the community which it serves. Profit, is not syphoned off by shareholders and

international stock-market capitalists to off-shore criminal banking cartels. All that is taken is a 1% Transaction Tax.

4. **WeRe Bank** ensures that all retail products AND services are priced fairly. This means priced at COST VALUE. Profit motivation is no longer necessitated due to the structure of the banking system and economic model we invoke.

EMPLOYMENT GUARANTEES WEALTH

WeRe Bank helps you create **Real** "money" and satisfies the role of "employment facilitator" in order to provide work/value for our member base. If you wish to work, then AS A MEMBER, all it requires is a request to the Banking Admin Centre for them to log the "work details" and furnish you and the "work provider" with a Job Ref. Number. **Re**Units are then CREDITED by the BANK to your account upon satisfactory completion.

IS IT POSSIBLE TO OBTAIN **Re** UNITS WITHOUT ENGAGING IN "work activities?"

YES CERTAINLY! You just buy them. AND FOR A LIMITED PERIOD you can take advantage of the following purchase offer at launch. Please present yourself at a local branch. Then for every £100 you exchange **WeRe Bank** will credit your account/card with 200 **RE**. The units are then exchangeable where you see the "**WEREHERE**" sign. The retailer or service provider will then accept 1 **Re**/unit for every £2 normally charged. For example, a bottle of wine priced at £6 will, if you prefer to pay in **Re**, cost 3 **Re**. Having received at a ratio of 200 **Re** to £100 your 200**Re** will buy £400 worth of goods. In effect you have received a **300% increase in your spending power.** (£1 has

become £3). And with neither VAT nor income taxation to worry about....it's a "no brainer!" [4 - 1 = 3]
