Testimonials

“Working with Pinnacle Tutoring Services was a great money saving option for SAT prep. After only a few sessions my daughter was more confident and motivated. It enabled her to skip over what she already had mastered and go right to more challenging material and test strategies. No wasted time! After her sessions she took the SAT and scored a 1560. We highly recommend Pinnacle Tutoring Services.”

“Mr. Weiss was really fun and encouraging. He helped me raise my math score 80 points by teaching me how to work smarter and faster. He’s the best!”

- EP (Student)

“Jeremy Weiss is an excellent college prep and testing tutor. We used his ACT tutoring for our junior in high school, which helped to improve his score from 29 to 34 with just a few sessions.

We also had him work with our 8th grader to prepare for the Algebra end of course exam, which he earned the top score. We highly recommend Jeremy Weiss and will surely use him in the future.”
