1952 Dodge 1/2 Ton Pickup - Terry Martini

- Truck was a present in 1981 from my Dad as he was a mechanic. We rebuilt the stock power train.
- Had it at 2 different body shops and nobody wanted to touch the single wall stamped box.
- Rear bumper, frame & bolt on radio antenna were built in welding shop high school.
- Bodywork & paint were completed on front clip, hood, doors & cab.
- Truck was left on Vancouver Island when I moved to Calgary for work.

1952 Dodge 1/2 Ton Pickup - Terry Martini

- In 2002 I brought the truck to Calgary and redid the mechanical .
- In 2007 I decided to redo the body, 2 tone paint and interior completed in 2008.
- In 2008 Ordered a tire & wheel package.
- 2016 installed Mustang II cross member, suspension & power disc brakes for drive ability.
- 2018 Custom Dakota Digital VHX gauges were installed .
