Nozer Buchia, who is affectionately referred to as "Mr. Motivator", is an internationally acclaimed motivational, inspirational & keynote speaker and entertainer of repute.

Author of the book WHY ENTREPRENEURS REALLY FAIL, Nozer is known as a speakers-speaker due to his inimitable style of humor and delivery, and his practical approach to any situation. His straight-from-the-heart, high energy and passionate message has motivated audiences worldwide, and has enabled them get out of their comfort zone and get into greatness.

With his ability to infuse humor into his presentations, Nozer's training sessions, seminars and talks are not only informative and educational but also extremely entertaining.

Nozer mentors corporations, executives and individuals to perform at their best, and guides them to victory by enabling them to realize their full potential.

A leader at heart, Nozer is a story teller and a great one at that too. He customizes his presentation to the culture and needs of the organization, for he understands his audience before taking the stage.

Nozer will leave with you with a memorable experience, for his message is delivered with infectious humor, great passion and complete conviction, as he has lived what he talks about.

Most Requested Topics

Leadership, Strategy and Management

Leadership is often confused with Management. Leadership is about growing more leaders. Leadership is creating a culture that will be willing embraced. It is about connecting with people and influencing a change in their thoughts and in their results. Leaders are inspirers of change and are willing to lead by example. There is no short-cut to becoming a leader. Leaders are elected... Managers are appointed!

- Compelling Leadership v/s Power-Based Management
- Creating a vibrant, high performing culture for success
- Connecting v/s Controlling What is your Strategy
- Inspiring change in others a transformation

Motivational and Keynote presentations on customized topics

With 34 years as an organization builder and turn-around specialist, Nozer uses FAILURE as a tool, to prove that success is always within one's reach. He accomplishes this with real life experiences and humorous examples, as he mesmerizes people with proven concepts and convinces them to NEVER GIVE UP!

- You can achieve anything in life if you BELIEVE in yourself
- FAILURE a condiment that gives SUCCESS its flavor
- · It is all about how hard a hit you can take
- Get out of your comfort zone and get into greatness

Team Building, Personal Development and Self Discovery

You never lead a project... you always lead people within the project and they in turn manage the project for you. Team building is greatly dependent upon the personal development of the members within the team. Functionally-cohesive teams have been known to produce outstanding results. Just like having a shower each morning... Team Building, Personal Development and Self Discovery must be a part of our daily routine. Team building is an art not simply a science!

- Do you even know your team Team Building Strategy
- Does your team even believe in you Team Effectiveness
- How to identify, control, connect & communicate with your potential Building the real YOU
- FIVE proven ways of discovering your niche Do you have an image

Are you TALKING or are you COMMUNICATING!

Communication is not simply verbal. It encompasses the art of listening and the correct use of body language as well. Teams work successfully if they communicate effectively. The success of a business or a personal relationship is very dependent on the level of effective communication. Learn to connect with people... through valuable communication.

- Listen your way up the ladder
- Power through Communication music to the deaf; vision to the blind
- HOW you say WHAT you say really matters (including your body language)
- REMOVE your Fear of communication learn to communicate effectively
