

Aloha Kona Primary Care

Aloha and Welcome to the Aloha Kona Primary Care Practice,

Our mission is to provide outstanding service and experiences around helping people achieve their health goals. We will strive to make sure that you have a wonderful time at our office as we grow. Your satisfaction is our number one priority, and we wouldn't be able to expand into Family Medicine & Women's GYN Health, if it wasn't for your support.

Included is your new patient packet. Please fill this out completely and return to us *before* your appointment. If you are unable to return this packet ahead of time, please bring them with you 15 minutes prior to your scheduled appointment.

We charge a fee for service, but offer a sliding scale to help those who are eligible. Please ask us for an eligibility form if you would like to be considered.

We look forward to seeing you soon,

The Transformation Health Network Team

Transformation Health Network Billing and Collection Financial Policy

Welcome to Transformation Health Network.

Thank you for choosing us as your healthcare provider. We are committed to providing you with the best possible care and to your treatment being successful. Your clear understanding of our financial policy is important to our professional relationship. Please understand that payment of your bill is considered part of your overall treatment. To keep your cost of healthcare to an absolute minimum, we have adopted the following policies.

Fees and Payments

_____ (Initial) Fees are standardized and are based on the complexity of your visit or procedure. Payment of co-payments and any outstanding balance is required at the time of service. We accept cash, personal checks, money orders, Visa, MasterCard, Discover and American Express. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date that services are rendered. For us to file a claim, you must present a current copy of your insurance card at each visit and communicate any changes in your personal contact information.

_____ (Initial) Most insurance policies specify that some of the cost of the patient's care is the patient's responsibility. This can be accomplished through any combination of co-payments, coinsurance, or deductibles. Copayments are due when you check in for your appointment. Coinsurance and deductibles are determined by your insurance company and reported to us on your explanation of benefits. Once we are notified, we will add the appropriate charge to your account and send you a statement. This charge is payable upon receipt of the statement. Once payments are received, they will be automatically applied to the oldest outstanding balance. If you would like a payment to be applied to a specific charge, please notify our staff at the time of payment.

Insurance Plans

_____ (Initial) Your insurance coverage is a contract between you, your employer, and the insurance company; we are not a party to that contract. We must emphasize that as healthcare providers, our relationship is with you, not with your insurance company. Before your visit, please contact your insurance company to verify the physician that you are scheduled with, participates with your plan and that the services that you intend to receive are covered. In addition, because some insurance plans require either pre-certification and/or a referral from a primary care provider before you can be seen, please ask if these are required and obtain them if necessary.

_____ (Initial) Not all services are a covered benefit in all plans, so it is very important that you understand the provisions of your individual policy. Some insurance companies arbitrarily select certain services they will not cover and so we cannot guarantee payment of all claims by your insurance company. If your insurance company pays only a portion of your claim or rejects your claim, they will notify you through an explanation of benefits. Reduction or rejection of your claim by your insurance company does not relieve you of your financial obligation.

CONTINUED ON NEXT PAGE

Screening Procedures

Insurance plans will only cover services that they determine to be medically reasonable or necessary. Please note that if you are scheduled for screening procedure and any condition or diagnosis is found both the screening diagnosis and the discovered condition are required to be reported. Some insurance plans including Medicare have different coverage for screening versus diagnostic procedures, so it is important that you understand your benefits carefully.

Procedure Charges

_____ (Initial) Patients undergoing in house procedures could receive two separate bills. One bill is the physician's fee and the other will be the facility where your procedure was performed. In addition, if a biopsy is done during a procedure, you may receive an additional bill from the lab facility that reviews and gives a summation of your biopsy. Please contact the lab facility directly to discuss any questions with your lab bill.

Making and Keeping Appointments

_____ (Initial) If you need to cancel your appointment, please call at least 24 hours in advance. This allows us to accommodate other patients who need to be seen. No shows will result in a charge being added to your account and you may also be dismissed from the practice. If you cancel and/or fail to show up for an appointment three (3) times in a calendar year, your care with us will be suspended for 6 months. Please note: your first missed appointment will be forgiven. The second missed appointment will result in an administrative charge of \$50, the third will result in an administrative charge of \$100.

Non-Payment of Outstanding Accounts

_____ (Initial) Accounts that are not paid in a reasonable amount of time will be handled by our in-house collections staff. If this occurs, you may also be dismissed from the practice. In addition to your outstanding balance, you may also be responsible for any fees or charges that we incur from any agency while attempting to collect your balance.

Administrative Fees

_____ (Initial) **Forms Charge** – If your employer requires Family Medical Leave Act or Disability paperwork to be completed by your provider, the turnaround time is five business days and there is a \$35 fee for this service, payable in advance.

_____ (Initial) **Medical Records Charge** – If you would like a copy of your medical records sent to yourself, these copies are billed on a per page basis, payable in advance, in accordance with HIPAA and Hawaii state law. The per page fee schedule is available upon request. If a collaborating physician (primary care or specialist) requests portions of your chart to assist in your care, there is no charge.

_____ (Initial) **Returned Check Charge** – Non-Sufficient Funds (NSF) checks are subject to a \$25 fee (in addition to fees from your bank).

Acknowledgement

I, _____ (*print full name*), have read and agree to the billing and collection policy, as described above.
