## THE RIVERSIDE RESTAURANT

We have been established at Henley for many years and we have strived to create an atmosphere that gives you a quality environment whilst at the same time enabling you to relax and fully enjoy the day. We really think we have got it right at Henley and we offer guests comfort, quality, great service and entertainment which all combine to provide the perfect recipe for a great day out. We have so many fantastic reviews from clients who have helped to educate us along the way to deliver the perfect Henley experience. Our marquees are beautifully decorated with floral arrangements and filled with fully coordinated dressed tables, complementing the flowers and creating a stunning visual effect.

The marquees also have plasma screens, providing a silent window to watch the tennis. Our top chefs have been selected to provide a carefully thought out menu including a canapé reception to enjoy with your Champagne on arrival. The exquisite four course luncheon last year was very favorably received by guests and our chefs will again be striving to achieve a high standard and produce food that everyone can enjoy throughout the day.

The location of our marquees, opposite Temple Island, has two main benefits. Firstly, it is on the racing and Stewards' Enclosure side of the river.

The Island creates a narrow section of water so you are very close to the action to admire the amazing physique of the rowers as they give everything as they pass by our garden areas. Whilst rowing may not be everyone's favourite sport, it is of a very high standard at Henley, with many of our Olympic athletes competing for their respective clubs. This is just one element that creates the memorable atmosphere in this perfect location. Our shared marquees accommodate groups of 2 upwards and there are private tables available for 8, 10 or 12 guests. For 30 up to 300 guests, we can offer a private marquee which can be branded inside if required.

# THE RIVERSIDE RESTAURANT

We are one of the very few hospitality areas at Henley to have its own jazz band which plays relaxing background music of all types in our outside garden area throughout the day. At the end of the day the band are happy to take requests from those who love their music.

*"We thought we would drop you a quick email to thank you for everything yesterday, we all had a lovely day – it was just perfect. Our guests had an amazing time too."*  
- Emma

*"Just wanted to drop you an email and say thank you so much for helping us organise the event at Henley Regatta! Everything went smoothly and we have had some great feedback about the day. The staff at the Riverside Enclosure were brilliant and definitely helped ensure that everyone had a good day."*  
- Alex

*"Excellent service from start to finish. All staff were most helpful and nothing was too much trouble. Always very friendly and will use again"* - Louise

## FACILITY LOCATION

## OPTIONAL BOAT TRANSFERS

Our hospitality at Henley flows very well and so we would not recommend having a river cruise during the day as in reality, it takes about 2 hours to get to and from the boat mooring and cruise down to Henley town and back. Trying to find two hours to take the cruise in the middle of the day is difficult and you would definitely miss some of the hospitality experience in the marquee. It is a full day and as soon as you arrive, you will be met with a Champagne reception and delicious canapés in the garden, followed by lunch in our luxury marquee. Then, if the weather is nice, relax in the garden and listen to our popular band. If you do fancy a boat trip then we would strongly recommend using it as a transfer to the marquee at the beginning of the day or as a return to Henley at the end of the day.

The boat trip is ideal for those who want to avoid driving and plan on taking the train to Henley. The boat transfer from Henley Town Centre is just a short walk from the train station and takes you just beyond the marquee and is a lovely start to the day. The transfer takes approximately 35 minutes and you will enjoy scenic views of the Regatta course and Stewards Enclosure along the way. It is also a great opportunity to see all the sights of Henley and experience the famous atmosphere generated by the many visitors to the Regatta. The boat will depart Henley Town at approximately 10.00 am and will return once the hospitality finishes. For full details / pricing please contact us. Obviously if you are coming by coach you could get dropped off at Henley for a one way transfer and then the coach could park behind the facility for the return journey.
