Alchemy Creative Inc. (the “Company”) OTC Pink: ALMY released update that its recently acquired subsidiary NanoLand U.S.A. (NLUSA) Inc. executed a definitive agreement to joint venture with Cargico Corp located in Taiwan during Q4 2020. The international partnership provides NLUSA North American rights for the commercialization of Cargico’s BioKil® system of advanced nanotechnology products in select medical and health care applications.

During August, the United States Secretary of Health and Human Services was joined by Ambassador (ret) James F. Moriarty, Chairman of the Board of the American Institute in Taiwan; Dr. Mitchell Wolfe, Chief Medical Officer of the Centers for Disease Control and Prevention; Brian Harrison, HHS Chief of Staff; Garrett Grigsby, Director of the HHS Office of Global Affairs; and other members of the Administration. Secretary Azar stated that “Taiwan has been a model of transparency and cooperation in global health during the COVID-19 pandemic and long before it.”

Alchemy management noted that the BioKil® system has a respected install base in Asia and has acclaimed several award recognitions and prestigious international honors.

Additional details of the joint venture shall be forthcoming soon.
