

Marianne Ojo

Business, Legal and Research

Research Services and Consultancy Services For Business and Legal Related Research

We offer the following range of services aimed at facilitating high quality research outputs for publications:

- **Manuscript Reviews**
- **Proof reading services from our team of experts**
- **Translation services for published and unpublished research (primarily to English)**
- **Professional advice on research design, methodology and presentation**
- **Step by step support through all stages of research, as well as publisher recommendations**
- **Power point presentation preparation**

We aim to ensure high quality as well as prompt delivery of research outputs. Our knowledge and expertise in research – as well as global affiliations and interdisciplinary backgrounds, guarantee a communicative and easily understandable approach which translates into high quality outputs generated for intended users of such research.
