### Busting at the Seams

God is good! At the January distribution our warehouse was busting at the seams with food donations. The month of January brought two new food pantries to our warehouse. We now serve 33 food pantries each month and helping them make a difference in the lives of the people of Eastern Kentucky! This month we received a large donation of fresh potatoes. 36 fifty pound

bags of potatoes were distributed to the food pantries in January. Another big donation was soup, each food pantry receives 20-30 cases of soup each month. Soup is such a blessing to the hungry people of Eastern Kentucky, it offers many options. It can be a meal or it can be used to create a meal.

We are so thankful to our partners that help us feed the hungry and help those in trouble in Eastern Kentucky. Each month we have many volunteers from Stanton Christian Church that help in the warehouse. We also receive help from Powell County Detention Center with loading the pallets of food. And we are always thankful for our partners that provide the food that we can distribute to the agencies. God is good all the time. All the time God is good!

Please keep in mind, this ministry operates solely on individual donations and the help of volunteers. If you have the time and desire to help with the monthly food distribution, there are a variety of tasks that need volunteers. If interested, please contact us via email at [servantsofourlord@live.com](mailto:servantsofourlord@live.com) or phone (502) 791-6430. If you would like to help with the Ministry's monthly operational costs, please send your tax-deductible donation in the envelope provided or mail to P.O. Box 224 Lexington, IL 61753. Thank you and God Bless.

### OUR MISSION

*To serve our Lord, Jesus Christ, by meeting the spiritual and material needs of the many economically deprived individuals living in the Appalachians and surrounding areas.*

### MONTHLY SCRIPTURE

Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon.

*Isaiah 58:10 (NLT)*

### MINISTRY NEEDS

*Prayer Partners.* Please lift up the food pantries and volunteers that make this all possible, and also the families that receive God's abundance! Please pray for the ministry leaders, that they may know the will of God.

*Financial Partners.* It is only through faithful supporters like you that this ministry is able to meet the spiritual and material needs of thousands of needy families living in Appalachia Kentucky. Please prayerfully consider ways you can help with a monthly donation. 100% of all donations go to providing food to the Eastern Kentucky region.

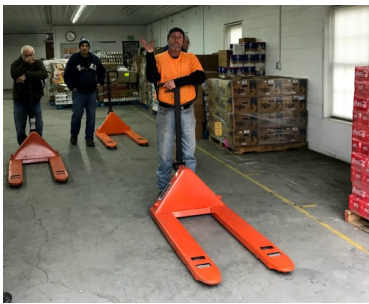

# January Distribution

↑ As you can see sometimes in the warehouse we work in very tight quarters. As we grow, please pray that our warehouse will grow with us, so that we can continue to operate efficiently.

Greg gladly fills in as forklift operator for the day.

↑ Thank you Pastor Anthony and the County Line Community Church for the generous donation of brand new pallet jacks to use in our warehouse. These jacks will be put to good use in the service of our Lord Jesus Christ.

↑ Dallas and Bill pose for the camera during our January distribution. Twenty-two volunteers distributed over 4,500 cases of nutritious food to 33 food relief agencies located in the Appalachian region of Eastern Kentucky.

Volunteers gather for prayer before starting the day.

↑ Thank you for the prayers to get the heater installed in the warehouse. God listened and installation was completed only hours before single digit temperatures settled into the area.

God's timing is always perfect.

God willing, we hope to transform the empty side of the property to usable space.

## Thank you

God Bless you for all you have done to help the people of Eastern Kentucky! Again this month we have received more applications for new food pantries. As our ministry grows please pray that God will use this ministry to supply the food to all that are hungry in this impoverished region of our country.
