International President Brian E. Sheehan Message

The first 2022-2023 Council of Governors meeting was held in Kerrville, TX from Aug. 4 to 6, 2022 at YO Ranch, Kerrville, TX. Immediate Past President Nia MacKay, along with Lions Mickey and Anissa MacKay attending the Saturday event. International President motto this year is "Together We Can." IP Sheehan stated that 'each of us can do so much good on our own, but together we can and we will make the impossible, possible and make our communities-and the world- a better place for all people.' At the Saturday afternoon's session with presidents and zone chairs, he encouraged clubs to undertake big, ambitious service projects that can increase Lion's impact locally and globally. At the Council of Governors Fellowship Banquet in the evening, IP Brian Sheehan stated that LCI means so much to us who serve, but means even more to those we are serving. He called Lions to embrace teamwork and develop passion for innovation to create solution to the challenges we face. He ascertained that if we keep our membership growth going (MD-2 Texas has 377 positive growth), we, Texas Lions, can be leading in membership growth globally.

Our new International President, Lion Brian E. Sheehan, is a member of Bird Island Lions Club at Bird Island (population is 997), Minnesota. He grew up in Lions family. He's very energetic and funny. He presented a PowerPoint presentation filled with related funny video clips which made the banquet room roared with laughter. IP Brian and his wife, Lion Lori, have two sons and two daughters who's are also Lions.
