Meeting Recap

Last week, our meeting at Weiss Auditorium welcomed back a former member and renowned Oak Cliff artist Michael Savoie. While we usually get to be dazzled by images of Michael's latest artistry, he brought a new topic to our club that sent many of our heads spinning.

While he still is creating his physical art, he also has pioneered into the world of crypto currency and now creates art in NFT form. He explained how many artists are working in this new medium of non-fungible tokens, and we all were very grateful there weren't any quizzes after the presentation.

Thank you, Michael, for helping bring us old farts into the new world!

Support LSTF. Win a Truck!

The Lions Sight and Tissue Foundation has been part of District 2X-1 since 1956 with OCLC as one of the founding member clubs. This year LSTF has examined over 2,300 North Texans and we've put glasses on nearly 2,000 of them. But this comes at a cost of fuel, bus maintenance and equipment.

To raise money, LSTF is selling tickets to win a 2023 Ford Maverick Hybrid Pickup Truck. Tickets are \$100 each, and no more than 1,000 tickets will be sold. The winning ticket will be drawn at the Denim & Diamonds Gala in June.

Visit <https://go.eventgroovefundraising.com/lstf> to purchase.

Buy Lion Blake's Book to Support OCLC

Our President Lion Blake Lindsay has released his book *Overcoming Obstacles and Getting Extraordinary Results* this month and has offered to sell discounted copies of the book as a fundraiser for the Oak Cliff Lions Club.

The MSRP of the book is \$19.95, and he will offer copies to OCLC members and guests for \$10 each with \$5.80 going to the OCLC Activity Account to support our charities.

We are honored to have such a generous and inspiring leader this year. To read more about his book and story, visit the link below.
