

The Bolles Mile Showcase 2026

Thursday, April 2, 2026

I hope that you are excited to see your athletes cover 1609.344 meters as fast as possible at our 4th annual mile showcase.

The Mile Showcase is set up to:

- Give your athletes one last shot at a fast mile prior to the Postseason Series
- Give athletes who do not make your District Lineup one last chance to end the season with a fast time
- Give your team unlimited entries for the mile event
- Allow your athlete to focus on one event under a festive atmosphere—we will run 500 miles, and maybe 500 more depending on entries
- Give all athletes a chance to go head-to-head with the best in the state before we are broken up into different classifications
- Athletes will experience introductions, run outs, music, and a dedicated announcer

Fans will be allowed (and encouraged) to line the track during the races. Spectators will be given access to lanes six through eight around most of the track to create a unique experience for both fans and athletes.
