

Big or Small!!

**RUSSELL STONE PRODUCTS -- TYPE III EPD and CLASS II
APPROVED SANDSTONE**

As everyone is continually thinking about upcoming challenges and projects, we thought it would be a great time to share a few pictures from some of our completed projects that showcase some of our capabilities

Our craftsmen are able to provide quality carvings

Retaining walls for large and smaller projects.

Streetscape has been in very high demand in recent years as more and more communities utilize it as a method to enhance their neighborhoods.

This is an example of one of the many large buildings we had the pleasure of providing the stone used in it's construction.

Datum block benches are in high demand and have been used for a variety of different settings from seating to barriers everywhere from Penn State University to the Flight 93 National Memorial in Stoystown Pennsylvania

Pavers inside and out with a variety of textures and a wide range of colors.

Remember, no project is too big or too small. We can handle your project of any size with our world renowned team. Call us today with questions or ideas you might have for any upcoming projects. **

Let us help you get your next project underway.
