To Whom It May Concern:

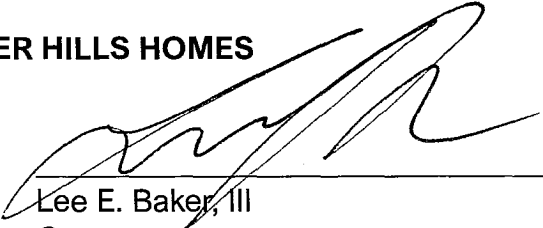

I am writing to recommend the services of A's Plumbing Service. A's Plumbing Service is an excellent choice. Mr. Zinna has been serving our custom home building company as a plumber for over ten years. His knowledge and attention to detail have aided in keeping our customers happy and providing them with top-rate standards that we strive to maintain. A's Plumbing Service continues to provide a professional level of customer service to our custom home clients during and after their build. We would gladly recommend his services to you.

Please feel free to contact me if you should need anything further.

Sincerely,
