

PRIVATE WORKSHOPS

Gather a group of family, friends, or co-workers, and join our talented crew for a private workshop at the nursery. Participants receive a BONUS COUPON to use at the nursery or in the gift shop after the workshop. Plan ahead for your group, as private workshop scheduling is dependent on season and staffing.

HANDCRAFTED SOAP-MAKING \$49

Experience the art of soap making in the garden. Join us for a fun melt & pour workshop, where you'll craft beautiful soaps using plant material sourced straight from nature. Get creative as you collect and incorporate ingredients to create bars of soap to reflect the season and your personality. Take home your handmade creations, a bit of rejuvenation, and the expertise to craft your own garden-inspired bars. Workshop fee includes education, your own hand-crafted soap bars, and coupon.

PAINTING PARTY \$49

Amidst the lush greenery and fragrant blooms, our talented artist Alysha will lead your group through a painting escapade inspired by the seasonal beauty of the garden. No pressure, no judgment...just pure fun, team building, and unforgettable memories. Workshop fee includes instruction, supplies, coupon, and final art project.

BIRDSCAPING \$39

Experience the joy of creating a wildlife-friendly garden that brings you closer to nature and the beauty of birds. Join us for an inspiring workshop where we'll learn how to design gardens that provide food, shelter, water, and nesting sites for birds. Discover the importance of native plants in creating a bird-friendly habitat, and create a nesting ball with natural materials to hang in your garden and attract birds during nesting season. Workshop fee includes instruction, hands-on activities, and coupon.

KOKEDAMA \$49

Discover the ancient Japanese art of kokedama string gardens, a unique way of growing plants in suspended moss balls. Join us for a hands-on workshop where we embrace our inner Wabi-Sabi to create a perfectly imperfect kokedama string garden. Celebrate the beauty of quirky and imperfect and a positive connection to nature. Bring your friends, family, or team members as we cultivate laughter and kokedama together! Workshop fee includes education, hands-on activities, and coupon.

PLANT YOUR JUNK

\$39

Get ready for an eco-friendly adventure at our Plant Your Junk Workshop! Join us as we transform everyday 'junk' into fabulous plant containers bursting with green goodness. This workshop promises inspiration, creativity, and a newfound appreciation for upcycling. At the end of the workshop, you'll proudly take home your one-of-a-kind creation, ready to spruce up any space with a pop of greenery and a whole lot of personality. Workshop fee includes planting materials and a bonus coupon.

GRINCH TREE CENTERPIECE

Relax and create while enjoying a complimentary holiday beverage as we guide you through the process of making a whimsical Grinch tree centerpiece. Take a break from holiday prep and bring a friend or loved one to have some fun. Workshop fee includes all materials and instruction, a holiday beverage, a bonus coupon, and loads of joy. Cost TBD.

GROUP TOURS

We welcome garden clubs, 55+ or assisted living communities, and public or homeschool groups who are looking for either pre-planned, guided activities, or simply a space outside for their own activities. Contact us with your ideas for an outdoor excursion to the nursery.

SCENTED SANCTUARIES

\$39

Join us for a journey into the world of aromatherapy gardening, where science meets art in the garden. In this workshop, you will discover why plants create scent, learn about the therapeutic benefits of plant oils, and explore the power of scent in promoting well-being. Indulge in an aromatherapy-inspired refreshment and leave with a plan and inspiration to take time to smell the roses in your garden. Workshop fee includes instruction, an aromatic beverage, and a bonus coupon.

SONGBIRD WINTER PORCH POTS

Join us at the nursery to create a gorgeous winter porch container that will take your outdoor decor from Christmas right through spring. The songbird symphony winter container you create will provide food for birds to enjoy during the winter and a treat for you to enjoy as you view the action from your window. Perfect for the front porch, back deck, or elder who enjoys viewing nature through their window. Cost TBD.

BUILD A PLANTER

Bring your own planter, or pick out a favorite from the nursery. We will work together to plan for your budget and style, and you will receive expert guidance to create a planter perfect for your home or business. Cost TBD.
