Disclaimer Information

Please read and check the box

- I understand any repair performed may void any manufacturer warranty
- I understand that I am responsible for my data, and will not hold iDroid Repair responsible for any data loss
- I understand some repairs and part orders may take longer than originally stated by the technician
- I understand the quotation provided is based upon the initial inspection, and more issues may be uncovered during the technician's course of work

Advanced Repair Disclaimers Only

- I understand that water damage repairs have no warranty, and due to the nature of water damage my device may cease to function at any point after the repair
- I understand that advanced board level repairs are inherently risky, and may cause additional damage to my device, and will not hold iDroid Repair LLC responsible for any loss

Customer approval is required before repairs are started.
