Purpose

This policy was developed by the Victoria Government and is adopted by the Mornington Peninsula and Frankston City Table Tennis Association Inc (hereafter “MFTTA” or the “Association”) to demonstrate the strong commitment of the management, staff and volunteers of MFTTA to fair play principles (listed below), as an adjunct to the MFTTA overarching Policy on Codes of Behaviour.

Introduction

This Fair Play Code outlines the standards of behaviour expected for everyone involved in sport and recreation in Victoria including table tennis.

The Victorian Government is committed to improving the integrity of Victoria’s sport and recreation sector under the Victorian integrity in sport action plan.

The Fair Play Code incorporates the original aim of encouraging appropriate standards of behaviour to enable every Victorian to be involved in sport and recreation that is safe, welcoming and inclusive. It also includes new integrity, respect, responsibility, fairness and safety guiding principles as well as guidance on responsibilities, breaches and seeking further information.

Victorian sport and recreation organisations should apply the standards of the Fair Play Code from 1 July 2018. They are encouraged to incorporate the Fair Play Code into their code of conduct, member protection policy, constitution or other governance documents. MFTTA (then MPTTA) applied fair play standards via its Codes of Behaviour Policy which was first ratified in 2013.

State sporting associations and recreation bodies, sport and recreation associations, leagues or clubs in Victoria must demonstrate adherence to, and enforcement of the Fair Play Code, to be eligible for existing and future funding from Sport and Recreation Victoria.

It is vital that everyone involved in sport and recreation in Victoria is committed to the Fair Play Code standards, to help maintain the integrity of sport and recreation for the general good of the Victorian community.
