

GTech® High Powered Restaurant Cleaner

GTech® High Powered Restaurant Cleaner is an evolutionary cleaning formula that is suitable for the toughest industrial environments, yet safe enough for day- to-day applications. It can be used to quickly & safely remove soils, stains, and grease from most surfaces like tables, chairs, dining & kitchen areas, vent hoods, ovens, fryers, grills, pots, pans, trash cans, stainless steel, equipment, floors, carpets, restrooms, doors & walls. It is non-flammable, non-corrosive, non-toxic & environmentally friendly (no phosphates, NPE, caustics, acids, or petroleum solvents). It is acid & silicone-free.

Ingredient	CASRN
