Our Mission: to be the community hub connecting our patrons to the world.

Jordan Bramley Library Board of Trustees

Minutes for the Regular Monthly Meeting

Monday June 26, 2023

Start time: 6:30 pm

This was no ordinary monthly board meeting. The board of trustees surprised the Library Director, Linda Byrnes, by honoring her 22 years of service to the Jordan community. Mayor Casey Brim was there to proclaim:

Tuesday June 27, 2023

Linda Byrnes Day

Linda was presented with an official proclamation. Several current board members spoke and community members joined in with their thanks and stories of Linda's superior tenure as the library director. Cake was enjoyed by all who attended to include family, past board members, library staff, and community members.

To say Linda has touched the hearts of this community is an understatement. She has led the library into becoming the hub of the community with her patience, creativity, determination, positive attitude, love for others, and her ability to really listen to others. The Jordan Bramley Library is so fortunate to have Linda at the helm.

Respectfully submitted,
