

17SEP23

COWRA 2023 INFORMATION SHEET

Firstly, a reminder of the dates:

Monday 9OCT

10-14OCT

Sunday 15SEP

Arrival day, individual flying.

Red Radial Cowra flying days.

Return home.

Parking

The planned parking areas are indicated on the attached airfield diagram.

Taxying

A one way taxying system will be used for our operations around the parking areas.

This will be dependant on the runway in use: Clockwise for 33 and counter-clockwise for 15. **After landing take the second taxiway to vacate the runway.**

When taxying for departure use the runway entrance closest to the landing threshold.

Flying

A ramped flying program is planned to progress from individual manoeuvring to 4-ship close and TAC form.

This will be tailored to individual experience levels. Those arriving later in the week will be accommodated, as best as possible.

SOPs

The start of good formation flights is Standard Operating Procedures and good briefings. At Red Lightning we will be using the Red Radials SOPs and the Formation Procedures & Techniques Manual.

These are available under the MORE tab at:

<https://redradials.com.au/>

Operations Area

Briefings and operations will be conducted in the Fly Oz hangar.

Transport

A bus will available for transport to and from town in the morning and afternoon.

Accommodation

The Breakout, Townhouse and Aalana Motels are recommended, but there are a number of options available around the town.

Fuel

Fuel will be available from the Flyoz tanker "in the lines".

You will need to register by visiting Fly Oz on arrival.

The owner/person responsible, will be required to be with the aircraft whilst it is being refuelled, unless prior arrangements with the Fly Oz refueller have been made.

- All fuel provided will also require a docket to be signed at completion of the refuel by the owner/person responsible for the aircraft, unless prior arrangements with Fly Oz have been made.

All accounts to be settled prior to departure.

Refuels can be requested by phone (0427 345056).

A self service bowser (Visa, MC) is also available near the aircraft parking area.

Oil

Tim Reid at Fred Fahey Aerial Services will be supplying oil.
The following types and sizes will be available:

Aeroshell W120, 5 litre
Phillips X/C 25W-60, quart.

You can run an account for each aircraft, to be settled before departure. He would prefer cash, but other payment options may be available. These may not include credit card.

Air

Air will be available.

Breakfast & Lunch

Cowra Rotary will be catering breakfast and lunch at the airfield.
Breakfast will be from 0730, so if you need something prior to that it is up to you.
Please advise any dietary requirements.
Lunch on the Friday will be a BBQ with Flyoz (\$10/head)

After Flying

Socialising after flying will be at the Fly Oz hangar.

Dinner

The following evening meals/activities are planned:

Monday: Hong Kong Restaurant

Tuesday: Imperial Hotel

Wednesday: *Indian?*

Thursday: *Thai?* (Hawaiian shirts)

Friday: TBA

Saturday: Dinner in honour of Harry, Club Cowra. Dress casual/ unit polo shirts.

Costs

Costs will be levied on the following basis:

CASA approvals and other flying related costs:	Shared by participating pilots.
Facilities and transport:	Shared by participants. Red
Radials (Southern Chapter) costs:	Shared by participants.
