All of the foregoing will be performed by the Owner at the Owner's sole cost and expense, except as otherwise expressly provided to the contrary in this Declaration. In addition, the Owner of a Resort Operation Unit is responsible for maintaining the Limited Common Elements appurtenant to his Unit, if any.
 - (ii) To promptly report to the Association any defect or need for repairs for which the Association is responsible.

A Resort Operation Unit conveyed to the Association as contemplated in this Section may only be conveyed by the Association to a third party in accordance with the same restrictions which govern the conveyance by the Association of portions of the Common Elements.
- 20.4 Alteration of interior design and arrangement of Units. As set forth in this Article 20, the Owner of a Resort Operation Unit may, in his or her sole discretion, aggregate the Resort Operation Unit into a larger Resort Operation Unit, subdivide the Resort Operation Unit into smaller Resort Operation Units, sell or lease all or a portion of the Resort Operation Unit, or use the Resort Operation Unit for any lawful use that is not prohibited by the Alabama law without the consent of any other Owners of the Association. The Owner of each Resort Operation Unit may make changes to the interior design and arrangement of the Resort Operation Unit or Limited common element appurtenant to the Owner’s Resort Operation Unit without an amendment to this Declaration and without the approval of the Board or other Owners.

20.5 Alteration of boundaries and Unit dimensions. The Owner of a Resort Operation Unit reserves the right to alter the boundaries between Resort Operation Units, so long as such Owner owns the Resort Operation Unit so altered, by increasing or decreasing the boundaries of Resort Operation Units by serving or combining Resort Operation Units, creating Limited Common Elements from Resort Operation Units for use as ingress or egress and by altering the boundaries of the Limited Common Elements, so long as the Owner owns the Resort Operation Units abutting the Limited Common Elements where the boundaries are being created or altered. No change contemplated by this Section may be made without amending this Declaration; Provided, however, that this amendment for such purpose needs be signed and acknowledged only by the Board and the Owners of the affected Resort Operation Units and approved by the holders of the institutional mortgages of Resort Operation Units affected, and such amendment shall not require the approval of other Owners, purchasers, or the Association. Although a budding Resort Unit may be physically combined, they shall nevertheless, for all other pertinent purposes including assessments, attribution of Common Elements, in voting, be deemed separate Resort Operation Units. Resort Operation Units and Limited Common Elements which have been or are combined maybe severed into their components (separate Resort Operation Units and Limited Common Elements) at anytime the Owner of the combined Resort Operation Unit so desires; provided, however, that title to the Resort Operation Unit which has been combined with another Resort Operation Unit may not be conveyed separately from the Resort Operation Unit or Resort Operation Units with which it has been combined until all construction necessary to sever such Resort Operation Units (and Limited Common Elements) has been completed. Except for the Developer, no Owner may lease or convey a number of Resort Operation Units that would result in a "Unit" that does not meet local zoning in land use restrictions. Modifications for the combining and serving of combined Resort Operation Units shall in any and all events be accomplished at the sole expense of the Resort Operation Unit Owner or Owners of the combined Resort Operation Units and not at the expense of the Association. Nothing in this Declaration shall be deemed to require the Owners or the Developer to approve any reconfigurations, alterations, or structural modification of Resort Operation Units or Limited Common Elements which involves the weakening, movement, or significant modification of any load bearing elements. Furthermore, nothing in this Declaration shall be deemed to require the Owners or the Developer to approve any modification which will alter the exterior appearance of the building in which the Resort Operation Units are located.

- 20.6 Conveyance of Limited Common Elements appurtenant to Resort Operation Units. The Owner of Resort Operation Unit may assign any portion or number or all of the Limited Common Elements appurtenant to such Resort Operation Unit to another Owner. Any such assignment of rights of Limited Common Elements permitted by this Section must be by a deed executed with the formalities of a deed conveying real property that (a) describe such Limited Common Elements by reference to a graphical description of Limited Common Elements so assigned; (b) sets forth the Unit number of the Owner who is the grantor; (c) set forth the Unit number of the Owner who is the grantee; (d) the form of which, is approved in writing in advance by the Board; and (e) is recorded with the Judge of Probate of Mobile County, Alabama. A copy of the deed is required to be provided to the Board by the purchasing Owner no later than ten (10) days after the conveyance.
- 20.7 Use of Resort Operation Units. All of the Resort Operation Units may be utilized for commercial Operations as the Owner of the Resort Operation Unit, in its sole discretion, deems appropriate, including use as bars, restaurants, lounges, fitness and spa Facilities, conference room Facilities, rental shops, and any other commercial, Resort, club, or other Facilities as operated by a Resort Operation Unit Owner.
- 20.8 Adverse effects of Resort Operation Units. The RV Resort is a mixed-use Condominium and will contain both Resort Units and Resort Operation Units. The Activities associated with the Resort Operation Units may include: (i) vehicular and residential traffic; (ii) commercial and retail Operations; (iii) cooking, cleaning, and garbage and refuse collection associated with commercial Operations; (iv) music and noise associated with commercial Operations; and (v) after hours and weekend activities and entertainment. (Which hours may be extended in sole discretion of Resort Operation Unit Owners). In addition, the Owners of Resort Operation Units have the right, in sole discretion, to remove, relocate, discontinue Operation of, or otherwise deal with their Unit and their sole discretion without regard to any prior use of or benefit to any resident of the RV Resort. Purchaser acknowledges the RV Resort is located directly adjacent to or in the vicinity of other projects currently under construction or planned for construction; and, prior to the renovation or build out of such developments and the renovation or build out of the RV Resort, substantial construction related activities are to be expected which may cause noise, dust and other attendant inconveniences. - 20.10 Applicability. The Developer and Resort Operation Unit Owners shall have all enforcement powers afforded by this Declaration and at law to enforce Article 20 on behalf of Resort Operation Unit Owners. This shall not be deemed to limit the right of the Developer, the Association, or the Resort Operation Unit Owners to enforce any other rights which Resort Operation Unit Owners may have under the terms and conditions of this Declaration, Articles, Bylaws, or Rules and Regulations of the Association.
- 20.11 Enforcement. Developer, Resort Operation Unit Owners, and the Association may enforce any of the provisions in Article 20 by injunction or other equitable remedy or buy an Action at law for damages or both, and the prevailing party shall be entitled to recover its attorney's fees and expenses.
- 20.12 Amendments affecting Resort Unit Owners. **Under no circumstances may this Declaration or any part of the RV Resort documents be amended in a manner that negatively discriminates against or negatively impacts any commercial Operations conducted in any Resort Operation Units, including any limitation, restraint, restriction, or construction on (i) access by Resort Operation Unit, Owners, or their guests, invitees, or lessees to Common Elements, Limited Common Elements, Shared Facilities or Units; (ii) the scope of activities or uses that can be conducted in Resort Operation Units; or (iii) the rights of Resort Operation Unit Owners or their guests, invitees, or lessees. Furthermore, the provisions of Article 20 shall not be amended in any manner and no new provisions may be adopted impacting the items contained in this Declaration.**

- 22.1 Defending Condemnation Actions. The Association is hereby empowered to defend and/or settle any Action or threatened Action with respect to the taking in condemnation of any portion of the Common Elements or any Unit or portion of any Unit. If there is a taking in condemnation or by eminent domain of all or any portion of the RV Resort, each Owner will be entitled to notice thereof and to participate in the proceedings incident there too, unless otherwise prohibited by law. In addition, all mortgagees will be given timely notice of such proceedings.
- 22.2 Total taking by condemnation. In the event of the taking of all of the real property and improvements of the RV Resort by condemnation, the RV Resort will terminate, and all awards received by Owners will be deposited with the Association, to be aggregated with all awards received directly by the Association. In the event that any Owner fails to deposit the Owners award, the Board may either levy a charge against the non-depositing Owner in the amount of the award or set off the amount of the award against the sums payable to the Owner. All funds which the Association receives in connection with the total taking of the real property and improvements of the RV Resort, together with all other amounts which the Association is then holding, will be distributed in the same manner and access insurance proceeds are distributed under Article 10, subject to the Associations right to set off.
- 22.3 Partial taking by condemnation. In the event of the taking of less than all of the real property and improvements of the RV Resort by condemnation, the RV Resort will continue as to those portions of the RV Resort property not taken and the awards for that taking will be deposited with the Association, even though the awards may not be payable to Owners. If an Owner fails to deposit the Owners award, the Board may either levy a charge against the non-depositing Owner in the amount of the award or set off the amount of the award against the sums, if any, payable to the Owner. In the event of a taking of less than all of the real property and improvements of the RV Resort by condemnation, the size of the RV Resort will be reduced, the Owners of condemned Units will be made whole to the extent of the awards received with respects to the condemned Units and charges collected from non-depositing Owners, and portion of the RV Resort property damaged by the taking will be made usable in the manner provided below.

The Association is irrevocably appointed as the agent to each Owner, mortgagees, and other holder of a lien on a Unit, and for each Owner of any other interest in the RV Resort, to represent them in any condemnation proceedings with respect to the RV Resort property, and to negotiate and settle all their claims in such proceedings. any funds received by the Association as agent for the Owners will be held in escrow and distributed in accordance with this Section.
- 22.5 Unit reduced by tenantable. If the taking reduces the size of a Unit and the remaining portion of the Unit can be made tenantable, the award for the taking of a portion of the Unit will be used for the following purposes in the order stated and the following changes will be affected in the RV Resort:

- a) Restoration of Unit. The Unit will be made Tenantable. If the cost of the restoration exceeds the amount of the award received and charges levied, the Association will obtain the additional funds required by levying a special assessment against all Owners.
 - b) Distribution of surplus. The balance of the award, if any, after restoration will be distributed to the Owners and to the mortgagees having an interest (and in accordance with such interest) in the Unit, the remittance being made payable to the mortgage to the extent of the amount outstanding (principal, interest, and other costs and expenses secured by the mortgage) under its respective mortgage (as certified by each mortgage in writing to the Association).
 - c) Adjustment of percentage interest in the Common Elements. If the floor area of a common Unit is reduced by the taking, the percentage interest in the Common Elements appurtenant of each Unit will not be altered.
- 22.6 Unit made untenable. If the taking is of the entire Unit or so reduces the size of a Unit that the Unit cannot be made tenantable, the award for the taking of the Unit will be used for the following purposes in the order stated and the following charges will be affected in the RV Resort:
- a) Payment of award.  - b) Addition to Common Elements. The remaining portion of the Unit, if any, will become part of the Common Elements and will be placed in condition for use by all Owners in the manner approved by the Board; provided that if the cost of the work exceeds the balance, if any, of the funds received by the Association as a result of taking, the work will be approved in a manner required by this Declaration for further improvements of the Common Elements.
 - c) Adjustment of shares and Common Elements. The shares and the Common Elements appurtenant to those Units that continue as part of the RV Resort will be adjusted to distribute the shares in the Common Elements appurtenant to the Unit which is no longer a Unit as a result of taking among the reduced number of Owners. This will be done by restating the shares in the Common Elements of continuing Owners in accordance with the formula set forth in the attached "Exhibit D".
 - d) Assessments. If the amount of the award for the taking is not sufficient to pay the amount set forth in Section 22.6(a) it took place the remaining portion of the Unit in condition for use as part of the Common Elements, the additional funds required for those purposes will be raised by a special assessment levied by the Association against all of the Owners who will continue as Owners after the changes in the RV Resort affected by the taking. The special assessments will be made in proportion to the shares in the Common Elements of those Owners after the changes affected by the taking.

- 22.7 Taking of Common Elements. Awards for the taking of Common Elements will be used to make the remaining portion of the Common Elements usable in the manner approved by the Board; Provided, that if the costs of the work exceed the balance of the funds from the awards for the taking and any charges levied with respect to the taking, the work will be approved in a manner required in this Declaration for further improvements of the Common Elements. The balance of the awards for the taking of Common Elements, if any, may be distributed to the Owners in the shares in which they own the Common Elements after adjustment of these shares on account of the condemnation or retained by the Association. If the Association decides to distribute the balance and if there is a mortgage of an Owner's interest in a Unit, the distribution will be made to the mortgage to the extent of the amount outstanding (principal, interest, and other costs and expenses secured by the mortgage) under its mortgage (as certified in writing by each such mortgagee to the Association).
- 22.8 Interruption of use. In no event is any interruption of use to be deemed to relieve affected Owners from any obligation to pay assessments due under this Declaration.
- 22.9 Amendment of Declaration. The changes in Units, the Common Elements, and the shares of the Common Elements that are affected by condemnation will be evidence by an amendment to this Declaration.

All notices to the Association required or desired under this Declaration or under the Bylaws will be sent by certified mail (return receipt requested) to the Association in care of its office at the RV Resort, or to such other address as the Association may under this Declaration designate from time to time by notice in writing to all Owners. Except as provided specifically in Alabama Uniform Condominium Act, all notices to any Owners will be sent by first class mail to the RV Resort address of such Owner, or such other address as may have been designated by him from time to time, in writing, to the Association. All notices to mortgagees will be sent by first class mail to their respective addresses, or they from time to time may designate such other address, in writing to the Association. All notices will be deemed to have been given when mailed in a postage prepaid sealed wrapper, except notices of change of address, which will be deemed to have been given when received, or five business days after proper mailing, whichever will first occur.
- 24.2 Interpretation. The Board will be responsible for interpreting the provisions of the RV Resort documents. Such interpretations will be binding upon all parties unless wholly unreasonable. An opinion of legal counsel that any interpretation adopted by the Board is not unreasonable will conclusively establish the validity of such interpretation.
- 24.3 Ratification. Each Owner, by reason of having acquired Ownership (whether by purchase, gift, Operation of law or otherwise), in each occupant of a Unit, by reason of his occupancy, will be deemed to have acknowledged and agreed that all of the provisions of this Declaration, and the RV Resort documents are fair and reasonable in all material respects.
- 24.4 Execution of documents: Attorney-in-Fact. Without limiting the generality of other Articles or Sections of this Declaration and without such other Articles or Sections limiting the generality of this Section, each Owner, by reason of the acceptance of a deed to a Unit, agrees to execute, at the request of the Developer, all documents or consents which may be required by all governmental agencies to allow the Developer and its affiliates to complete the plan of development of the RV Resort as such plan may be amended, and each such Owner further points the Developer as such Owners agent and attorney-in-fact to execute, on behalf and in the name of such Owners, any and all such documents or consents. This power of attorney is irrevocable and coupled with an interest. The provisions of this Section may not be amended without the consent of the Developer.
- 24.5 Gender, Plurality, and Include. Whenever the context so permits, the singular will include the plural, the plural will include the singular, and the use of any gender will be deemed to include all or no genders. The term "include" in similar terms (e.g., includes, including, included, comprises, comprising, such as, and for example), when use is part of a phrase including one or more specific items, are used by way of example and not of limitation.
- 24.6 Captions. 24.7 Approval by Developer. In every instance where the approval or consent of the Developer is required, such approval or consent must be given in writing and signed by an authorized representative of the Developer. Furthermore, any approval, consent, decision, right, determination, election, or finding that is given, withheld, done, made, reserved, taken, or availed of, by the Developer may be in the Developers sole, absolute, unfettered discretion without any implied standard of reasonableness imposed on the Developer and without any requirement of due diligence.

24.8 References. Unless specifically noted otherwise, all references to any Article, Section, subSection, sentence, clause, phrase, word, or other provision are references to Articles, Sections, subSections, sentences, clauses, phrases, words, or other provisions in this Declaration.

24.9 Resolution of Disputes

1. Agreement to Encourage Resolution of Disputes Without Litigation.

(A) Developer, the Association and its officers, directors, and committee members, all Owners, all persons subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Article (collectively, "Bound Party"), agree that it is in the best interest of all concerned to encourage the amicable resolution of disputes involving the Condominium, the Association and/or the Owners without the emotional and financial costs of litigation. Accordingly, each Bound Party agrees not to file suit in any court with respect to a Claim (hereinafter defined), unless and until it has first submitted such Claim to the alternative dispute resolution procedures set forth in Section 24.9(2) in a good faith effort to resolve such Claim.

(B) As used in this Article, the term "Claim" shall refer to any claim, grievance or dispute arising out of or relating to:

(1) the interpretation, application, or enforcement of the Condominium Documents; or

(2) the rights, obligations and duties of any Bound Party under the Condominium Documents; except that the following shall not be considered "Claims" unless all parties to the matter otherwise agree to submit the matter to the procedures set forth in Section 24.9(2):

(i) any suit by the Association to collect Assessments or other amounts due from any Owner;

(ii) any suit by the Association to obtain a temporary restraining order (or emergency equitable relief) and such ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the provisions of this Declaration;

(iii) any suit between Owners, which does not include Developer or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Condominium Documents;

(iv) any suit in which any indispensable party is not a Bound Party;

(v) any suit as to which any applicable statute of limitations would expire within one hundred eighty (180) days of giving the Notice required by Section 24.9(2)A), unless the party or parties against whom the Claim is made agree to toll the statute of limitations as to such Claim for such period as may reasonably be necessary to comply with this Article; and

(vi) any suit relating to or arising out of any Alleged Defect (hereinafter defined).

2. Dispute Resolution Procedures.

(A) Notice. The Bound Party asserting a Claim ("Claimant") against another Bound Party ("Respondent") shall give written notice ("Notice") to each Respondent and to the Board stating plainly and concisely:

(i) the nature of the Claim, including the persons involved and the Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the Claimant's proposed resolution or remedy; and

(iv) the Claimant's desire to meet with the Respondent to discuss in good faith ways to resolve the Claim.

(B) Negotiation. The Claimant and Respondent shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the parties in negotiating a resolution of the Claim.

(C) Mediation. If the parties have not resolved the Claim through negotiation within thirty (30) days of the date of the Notice described in Section 24.9(2)(A) (or within such other period as the parties may agree upon), the Claimant shall have thirty (30) additional days to submit the Claim to mediation with an entity designated by the Association (if the Association is not a party to the Claim) or to an independent agency or individual providing dispute resolution services in the State of Alabama. If the Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation when scheduled, the Claimant shall be deemed to have waived the Claim, and the Respondent shall be relieved of any and all liability to the Claimant (but not third parties) on account of such Claim. If the parties do not settle the Claim within thirty (30) days

after submission of the matter to mediation, or within such time as determined reasonable by the mediator, the mediator shall issue a notice of termination of the mediation proceedings indicating that the parties are at an impasse and the date that mediation was terminated. The Claimant shall thereafter be entitled to file suit or to initiate administrative proceedings on the Claim, as appropriate. Each party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all fees charged by the mediator.

(D) Settlement. Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the parties. If any party thereafter fails to abide by the terms of such agreement, then any other party may file suit or initiate administrative proceedings to enforce such agreement without the need to again comply with the procedures set forth in this Section. In such event, the party taking action to enforce the agreement or award shall, upon prevailing, be entitled to recover from the non-complying party (or if more than one non-complying party, from all such parties in equal proportions) all costs incurred in enforcing such agreement or award, including, without limitation, attorneys' fees and court costs.

3. Initiation of Litigation by Association.

In addition to compliance with the foregoing alternative dispute resolution procedures, if applicable, the Association shall not initiate any judicial, arbitration or administrative proceedings unless first approved by a vote of the Members entitled to cast seventy-five percent (75%) of the votes in the Association, except that no such approval shall be required for actions or proceedings:

- (A) initiated during the period that the Developer controls the Association;
- (B) initiated to enforce the provisions of this Declaration, including collection of assessments and foreclosure of liens;
- (C) initiated to challenge property taxation or condemnation proceedings;
- (D) initiated against any contractor, vendor, or supplier of goods or services arising out of a contract for services or supplies; or
- (E) to defend claims filed against the Association or to assert counterclaims in proceedings instituted against it.

4. Developer's Right to Cure Alleged Defects.

Due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and the Developer's responsibility therefor. It is the Developer's intent to resolve all disputes and claims regarding any Alleged Defect (as defined below) amicably, and without the necessity of time-consuming and costly

litigation. Accordingly, the Association and all Unit Owners shall be bound by the following claim resolution procedure with respect to Alleged Defects:

(A) Developer's Right to Cure. In the event that the Association, Board or any Unit Owner or Unit Owners (a "Complaining Party") claim, contend or allege that any portion of the Condominium, including, without limitation, the Common Elements, the Limited Common Elements, any Unit, and/or any improvements constructed on the Condominium Property, are defective or that the Developer or its agents, consultants, contractors or subcontractors (collectively, the "Developer's Agents") were negligent in the planning, design, engineering, grading, construction or other development thereof (collectively an "Alleged Defect"), the Developer hereby reserves the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

(B) Notice to Developer. In the event that a Complaining Party discovers any Alleged Defect, such Complaining Party shall, within a reasonable time after discovery, notify the Developer, in writing, at such address as the Developer may from time to time provide to the Association, or such other address at which the Developer maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

(C) Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time after the receipt by Developer of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by the Developer, the Developer shall have the right, upon reasonable notice to the Complaining Party and during normal business hours, to enter onto or into, as applicable, the Common Elements, the Limited Common Elements, any Unit, and/or any improvements or other portion of the Condominium Property for the purposes of inspecting and, if deemed necessary by the Developer, repairing and/or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, the Developer shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances.

(D) Legal Actions. No Complaining Party shall initiate any legal action, cause of action, proceeding, or arbitration against the Developer alleging damages (1) for the costs of repairing or the replacement of any Alleged Defect, (2) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (3) for any consequential damages resulting from such Alleged Defect, unless and until the Complaining Party has (i) delivered to the Developer a Notice of Alleged Defect and (ii) the Developer has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) failed to repair or replace such Alleged Defect or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, failed to commence such repair or replacement of the Alleged Defect and, thereafter, failed to pursue diligently such repair or replacement to completion.

(E) No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph shall be construed to impose any obligation on the Developer to inspect, repair, or replace or pay for any item or Alleged Defect for which the Developer is not otherwise obligated to do under applicable law or other agreement to which the Developer is a party. The right of the Developer to enter, inspect, repair and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by the Developer in the Real Property Records. This provision does not create any warranties, express or implied, on the part of the Developer or the Association.

(F) Arbitration. Any disagreement between an Owner, Owners, the Board, and/or the Association, on the one hand, and the Developer on the other, concerning Developer's efforts to remedy or repair any Alleged Defect (a "Dispute"), after compliance with the foregoing provisions of this Section 24.9(4), shall be resolved by binding arbitration conducted in Mobile County, Alabama in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then in effect. Without limiting the foregoing, it is expressly agreed that this agreement to arbitrate also covers any and all claims that Purchaser may assert against the construction contractor(s) and/or design-builder(s) for the Condominium, and their subcontractors, sub-consultants and affiliates (sometimes herein referred to as "Contractor Parties"). At the option of the Developer, any other person or entity with whom or which the Developer has an agreement for binding arbitration may be joined in an arbitration proceeding hereunder. The award rendered by the arbitrators shall be final and binding upon the parties to the arbitration, and judgment upon the award may be entered in any court having jurisdiction over any of the parties thereto. Arbitration proceedings pertaining to a Dispute shall be transcribed verbatim by a competent court reporting company selected by the American Arbitration Association. The initial fee of the American Arbitration Association shall be borne by the party initiating the Dispute, and all other costs of the arbitration, including the costs and fees of the arbitrators, and the expense of transcription, shall be borne in equal shares by (a) the Owner or Owners and/or Association, (b) Developer, and (c) any Contractor Parties and/or other parties to the arbitration joined at Owner's option. Notwithstanding anything herein to the contrary, the respective parties to the arbitration shall each be responsible for their own costs incurred in the arbitration with respect to third party expenses, including but not limited to, costs of discovery, attorneys' fees, accountants' fees, investigation expenses, and experts' fees.

25 SPECIAL DECLARANT RIGHTS

- 25.1 Transfer of control of Association. The Developer shall designate the initial members of the Board. The Developer will continue to designate from time to time all Developer positions on the Board until such time as the Developer is no longer entitled to elect or designate a Director in accordance with Section 35-8A-303, *Alabama Code*; Provided, however, that nothing in this Declaration may be construed to preclude the Developer from relinquishing control of the Board at any earlier time that Developer may elect so. In the event that Developer voluntarily surrenders the right to appoint and remove officers and members of the Board before termination of that, the Developer may require, for the duration of the period of Developer control, that specific Actions of the Association or Board, as described in a recorded instrument executed by the Developer, be approved by the Developer before they become effective. In accordance with Section 35-8A-303, *Alabama Code*, unless applicable law is subsequently amended to permit a longer period of control of the Board by the Developer (in which case such applicable law will govern at the option of the Developer and the Developer may amend this Declaration to provide for such longer period), The Developer may continue to designate from time to time all Developer positions on the Board until the earliest of the following: (i) Sixty (60) days after conveyance of seventy-five percent (75%) of the Units which may be created two Resort Unit Owners other than declarant; (ii) Two (2) years after declarant has ceased to offer Units for sale in the ordinary course of business; or, (iii) Two (2) years after any development rights to add new Units was last exercised.
- 25.2 Improvements. The Developer reserves the right to complete improvements indicated on plats and plans filed with this Declaration. The Developer also reserves right to submit property to this RV Resort in two (2) phases. The land which the Developer currently contemplates may ultimately become part of the RV Resort is described in "Exhibit A".
- 25.3 Marketing and sales. OF
PARADISE FOUND RV RESORT CONDOMINIUM

THE INITIAL COPY OF THE BYLAWS OF THE ASSOCIATION
OF

PARADISE FOUND RV RESORT CONDOMINIUM ASSOCIATION, INC.

a nonprofit corporation
under the laws of the State of Alabama

All terms used in these Bylaws of Paradise Found RV Resort Condominium Association, Inc. ("Bylaws") will have the same meaning as the identical terms used in the Declaration of Condominium of Paradise Found RV Resort Condominium ("Declaration"), unless the context otherwise requires. In the event of a conflict between these Bylaws and the Declaration, the Declaration will prevail.

I. IDENTITY

These are the Bylaws of Paradise Found RV Resort Condominium Association, Inc., a nonprofit corporation incorporated under the laws of the State of Alabama ("Association"), by the filing of the Articles of Incorporation ("Articles of Incorporation") which have been filed in the office of the Judge of Probate for Mobile County, Alabama. The Association has been organized for the purpose of administering a condominium upon certain lands in Mobile County, Alabama, known as Paradise Found RV Resort Condominium ("RV Resort"), in accordance with the Declaration.

1. The principal office of the Association is at 11551 Dauphin Island Pkwy, Theodore, AL 36582 or at such other place as may be designated by the Board from time to time.
2. The fiscal year of the Association is the calendar year.

II. MEMBERS' MEETINGS

1. The annual members' meeting will be held at such time, place, and date as may be designated by the Board, for the purpose of electing directors and of transacting any other business authorized to be transacted by the members or the RV Resort Documents.
2. Special members' meetings will be held whenever called by the president or by a majority of the Board, at such time, place and date as may be designated by the Board, and must be called by such officers upon receipt of a written request from twenty percent (20%) of the voting interests of the members except as provided for in Article III and Article VI below.
3. Notice of all members' meetings stating the place, day and hour, and the agenda, including the general nature of any proposed amendment to the declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the board, for which the meeting is called will be mailed or hand delivered to each member, unless waived in writing. Such notice will be sent in writing to each member at his address as it appears on the books of the Association and will be sent by mail to each member not less than ten (10) days nor more than sixty (60) days prior to the date of the meeting. Members may waive notice of annual and special meetings and may take action by written agreement without meetings for those matters which are specifically provided for in the RV Resort Documents or by statute. Any member's attendance at a meeting will constitute a waiver of the notice of that meeting. Mortgagees, as that term is defined in the Declaration, will, upon prior written request, be entitled to receive notice of all members' meeting. Failure to provide such notice does not invalidate any action taken at an otherwise properly noticed meeting.
4. The presence in person or by proxy at the beginning of the meeting, of members representing twenty percent (20%) of the total voting interests which may be cast for election of the board constitutes a quorum, throughout the meeting, and except as otherwise provided in these Bylaws, approvals or actions given or taken by the Owners shall be given or taken in accordance with Section 9.7 of the Declaration. Notwithstanding anything in these Bylaws to the contrary, the provisions of this Section 4 shall only be amended by the vote of two-thirds (2/3) of all of the voting interests of the Association.
5. All Owners are members of the Association, and no other persons or entities are entitled to membership. Each Resort Unit and each Resort Operation Unit will have one (1) vote in the Association. Where a Unit is owned by more than one Owner, the co-tenants of

the Unit must file a voting certificate with the Association setting forth which co-tenant is designated to cast the vote for that Unit.

6. Votes may be cast in person or by proxy in accordance with § 35-8A-310, *Alabama Code*. Any proxy given terminates one year after its date, unless a shorter term is specified. Each proxy must specifically set forth the name of the person voting by proxy; the name of the person authorized to vote the proxy, and the date the proxy was given. Every proxy is revocable at any time at the pleasure of the member executing it so long as that member provides actual notice of revocation to the person presiding over the meeting of the Association. If a proxy expressly provides, any proxy holder may appoint, in writing, a substitute to act in the member's place. If such provision is not made, substitution is not authorized.
7. Approval or disapproval of a member upon any matter, whether or not the subject of an Association meeting, must be by the same person, corporation or other entity who would cast the vote of such member if in an Association meeting.
8. If any meeting of members cannot be organized because a quorum has not been achieved, the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present.
9. Unless modified by the Board or the members, the order of business at annual members' meetings and, as far as practicable at all other members' meetings, is as follows:

Notwithstanding the foregoing, if any item listed above is not relevant to a particular meeting, as determined by the Board in the Board's sole and absolute judgment, such item will not be required to be addressed at that particular meeting.

10. For so long as the Developer holds Units for sale or lease in the ordinary course of business, none of the following actions may be taken without the prior approval in writing by the Developer:

- A. Assessment of the Developer as the Owner of Units for capital improvements;
- B. Any action by the Association that would be detrimental to the sale or lease of Units by the Developer;
- C. Any other action by the Association for which the RV Resort Documents require the prior written approval of the Developer.

III. DIRECTORS

1. The affairs of the Association are managed by a board of directors who will be members of the Association, excepting that directors appointed by the Developer and to fill Developer seats on the Board and the first Board and their successors appointed by the remaining directors (in the event of vacancies occurring before the first election of a majority of directors by members) need not be members. The initial Board will consist of three (3) directors, which will serve until the first election of directors, and at the first election of directors and thereafter, the membership of the Board will consist of five (5) directors. Where Units are owned by corporations, the officers, directors, employees or other appointed representatives of said corporations are eligible to serve on the Board on behalf of the corporation. Notwithstanding anything in these Bylaws to the contrary, the provisions of this Section 1 may only be amended by a vote of two-thirds (2/3) of all of the voting interests of the Association.
2. Election of directors will be conducted in the following manner:
 - A. Members of the Board are elected by written ballot or voting machine at an annual meeting of the members of the Association. Proxies may not in any event be used in electing the Board, either in general elections or elections to fill vacancies caused by recall resignation, or otherwise, unless specifically allowed by § 35-8A-310, *Alabama Code*. Each member of the Board elected by the owners other than the Developer pursuant to Subparagraphs C.(1) and C.(2) below shall be elected so as to achieve staggered terms of service. Not less than sixty (60) days before a scheduled election, the Association will mail or deliver, whether by separate Association mailing or included in another Association

mailing or delivery including regularly published newsletters to each Owner entitled to vote, a first notice of the date of the election. Any Owner or other eligible person desiring to be a candidate for the Board must give written notice to the Association not less than forty (40) days before a scheduled election. Not less than fourteen (14) days before the election, the Association will mail or deliver a second notice of the election to all Owners entitled to vote in the election, together with a ballot listing all candidates. Elections are decided by a plurality of those ballots cast. There is no quorum requirement; however, at least twenty percent (20%) of the eligible voters must cast a ballot in order to have a valid election of members of the Board. There is no cumulative voting.

- B. Vacancies on the Board may be filled by the remaining directors subject to the provision of Paragraph 2(C) of this Article. A director appointed to fill a vacancy in office will serve the remainder of the term of the office to which he is appointed.
- C. The initial three (3) directors will be appointed by the Developer and will serve until the first election of directors. At the first election of the directors, the number of directors will be increased to five (5). The Owners of the Resort Units will be entitled to elect three (3) members of the Board and the Owners of the Resort Operation Units will be entitled to elect two (2) members of the Board. Only the Resort Unit Owners shall vote for the seats that may be elected by the Resort Unit Owners, and only Resort Operation Unit Owners shall vote for the seats that may be elected by Resort Operation Unit Owners.

Unless applicable law is subsequently amended to permit a longer period of control of the Board by the Developer (in which case such applicable law will govern at the option of the Developer and the Developer may amend these Bylaws to provide for such longer period):

- 1. The Developer may continue to designate from time to time all Developer positions on the Board until the earliest of the following ("Termination of Developer Control Event"):
 - a. Sixty (60) days after conveyance of seventy-five percent (75%) of the Units which may be created to Unit Owners other than Declarant;
 - b. Two (2) years after Declarant has ceased to offer units for sale in the ordinary course of business, or

- c. Two (2) years after any development right to add new units was last exercised.

2. Alabama law requires the following:

- a. Not later than ninety (90) days after conveyance of twenty-five (25%) of the Units which may be created to unit owners other than the Developer, at least one (1) member and not less than twenty-five percent (25%) of the members of the Board must be elected by Unit Owners other than the Developer.
- b. Not later than ninety (90) days after conveyance of fifty percent (50%) of the Units which may be created to Unit Owners other than the Developer, not less than thirty-three and one-third percent (33 1/3%) percent of the members of the Board must be elected by Unit Owners other than the Developer.

To meet these requirements, at such time as Owners other than the Developer are entitled to elect not less than twenty-five percent (25%) of the members of the Board, the Owners of the Resort Units other than the Developer shall be entitled to elect two (2) of the three (3) directors allocated to the Resort Units as set forth in this section (which is forty (40) percent of the members of the Board).

- 3. Upon a Termination of Developer Control Event, the Owners of Resort Units other than the Developer will be entitled to elect three (3) members of the Board and the Owners of Resort Operation Units will be entitled to elect two (2) members of the Board. The Board shall elect the officers. Two board members and officers shall take office upon election.
- 4. Notwithstanding any provision of the Declaration or Bylaws to the contrary, the Unit Owners, by a two-thirds (2/3) vote of all persons present in person and entitled to

vote at any meeting of the unit owners at which a quorum in person is present, may remove any member of the Board with or without cause, other than a member appointed by the Developer.

5. Nothing in this Paragraph C should be construed so as to preclude the Developer from relinquishing control of the Board at any earlier time the Developer may so elect.
 6. Except as otherwise permitted in this Paragraph C, the provisions of Subparagraphs (1), (2), and (3) above may only be amended by the vote of two-thirds (2/3) of all of the voting interests of the Association.
3. Except as otherwise required to achieve staggered terms of service pursuant to Subsection 2.A. above, members of the Board who are elected by Owners other than the Developer at the annual meeting of members shall serve for a two (2) year term and thereafter until a successor is duly elected or qualified or until the director is removed in the manner elsewhere provided. Where necessary to achieve staggered terms of service pursuant to Subsection 2.A. above, members of the Board who are elected by Owners other than the Developer may be elected to terms of service, the lengths of which may be greater or less than two (2) years as determined by the incumbent members of the Board; provided, however, that such terms of service shall be not less than six (6) months in length and not greater than thirty (30) months in length.
 4. The organizational meeting of a newly elected Board will be held within ten (10) days of the election at such place and time as will be fixed by the Board at the meeting at which the directors were elected, and no further notice of the organizational meeting will be necessary provided that a quorum is present.
 5. Regular meetings of the Board may be held at such time and place as will be determined from time to time by a majority of the directors. Notice of regular meetings will be given to each director, personally, by facsimile upon confirmation of receipt, by mail, telephone or telegraph at least three (3) days prior to the date named for such meeting unless such notice is waived. Notwithstanding anything in this Section to the contrary, if a meeting of the Board at which non emergency special assessments, or at which amendment to rules regarding Unit use will be considered is called, notice will be mailed or hand-delivered to the Owners not less than ten (10) days prior to the meeting. All meetings of the Board are open to all members of the Association.

6. Special meetings of the Board may be called by the chairperson of the Board or the president and must be called by the secretary at the written request of one-third (1/3) of the votes of the Board. Not less than three (3) days' notice of the meeting will be given to the directors personally or by mail, telephone or telegraph, which notice will state the time, place and purpose of the meeting.
7. Any director may waive notice of a meeting before or after the meeting, and such waiver will be deemed equivalent to the giving of notice. Any director's attendance at a meeting constitutes a waiver of the notice of that meeting.
8. A quorum at Board meetings consists of the directors entitled to cast a majority of the votes of the entire Board. The acts of the Board approved by a majority of votes present constitute the acts of the Board except as specifically otherwise provided in the Declaration. If at any meeting of the Board there is less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. Once a quorum is present, the meeting may resume and any business which might have been transacted at the meeting as originally called may be transacted without further notice.
9. The presiding officer of Board meetings is the president of the Association. In the absence of the president the vice-president presides unless the Board votes otherwise.
10. Directors' fees, if any, will be determined by the members of the Association, and no director will receive a fee prior to the election of a majority of the members of the Board by Owners other than the Developer.
11. Owner directors may be removed from the Board pursuant to a two-thirds (2/3) vote of all persons present in person and entitled to vote at any meeting of the unit owners at which a quorum in person is present.
12. Any vacancies in office occurring prior to an election will be filled by the remaining directors (even if the remaining directors constitute less than a quorum); provided, however, that any director who is appointed by the Developer may be removed by the Developer at any time. Upon such removal of a director appointed by the Developer, or upon the resignation of a director appointed by the Developer, the Developer will immediately appoint a replacement director and notify the remaining directors, if any, of such removal/resignation and appointment.

All of the powers and duties of the Association will be exercised by the Board including those existing under the common. law, statutes, and the RV Resort Documents; except as otherwise provided in these Bylaws, statutes, and the RV Resort Documents. V. OFFICERS

1. The executive Officers of the Association will be a president, a vice-president, a secretary, and a treasurer, all of whom will be directors of the Association and who will be elected annually by the Board at any meeting for terms not exceeding three years. Officers will serve without compensation at the pleasure of the Board. The same person may hold two offices, the duties of which are not incompatible; provided, however, that the president cannot be the secretary. The Board will from time to time elect such other officers and designate their powers and duties as the Board determines necessary to manage the affairs of the Association.
2. The president is the chief executive of the Association. The president will have all of the powers and duties which are usually vested in the office of president including, but not limited to, the power of appointing committees from among the members from time to time, as the president may in the president's discretion determine appropriate, to assist in the conduct of the affairs of the Association.
3. The vice-president will in the absence of or disability of the president exercise the powers and duties of the president. The vice president will also generally assist the president and exercise such other powers and perform such other duties as may be prescribed by the Board.
4. The secretary will keep the minutes of the proceedings of the Board and the members in a book available for inspection by the Board or members, or their authorized representatives, at any reasonable time. The Association will retain these minutes for a period of not less than seven (7) years. The secretary will attend to the giving and serving of all notices required by law. The secretary will have custody of the seal of the Association and affix the same to instruments requiring a seal when duly signed.

The treasurer will keep the financial records of the Association and will keep the assessment rolls, the accounts of the members, and the books of the Association in accordance with generally accepted

accounting practices. The treasurer will perform all other duties incident to the office of the treasurer of an Association and as may be required by the Board or the president.

6. The compensation of all employees of the Association will be fixed by the Board. This provision does not preclude the Board from employing a director or officer as an employee of the Association nor preclude the contracting with a director for the management of the RV Resort.

VI. FISCAL MANAGEMENT

The provisions for fiscal management of the Association set forth in the Declaration and the Articles are supplemented by the following provisions:

1. Assessments.
 - A. The Board will fix and determine from time to time, the sum or sums necessary and adequate for the Common Expenses of the RV Resort. Common Expenses include the expenses for the operation, maintenance, repair or replacement of the Common Elements and the Limited Common Elements, costs of carrying out the powers and duties of the Association, all insurance premiums and expenses relating to such expenses, including fire insurance and extended coverage, any and all costs, charges, fees, payments, expenses and expense reimbursements required by the Shared Facilities Easement, including, without limitation, all Shared Facilities Costs allocated to Owners or the Association, and any other expenses designated as Common Expenses from time to time by the Board, or under the provisions of the Declaration. The Board is specifically empowered, on behalf of the Association, to make and collect assessments and to lease, maintain, repair and replace the Common Elements and Limited Common Elements of the RV Resort. The Board has the power, on behalf of the Association, to lease Common Elements of the RV Resort in accordance with the provisions of the Declaration. Funds for the payment of Common Expenses will be assessed against the members in proportion to their respective obligations for Common Expenses, as provided in the Declaration. Assessments for Units will become due and payable on a monthly basis, and will be considered delinquent if payment has not been received on or before the first (1st) day of each month, unless otherwise ordered by the Board. Special assessments, should such be required by the Board, will be levied in the same manner as provided for regular assessments, and will be payable in the manner determined by the Board. If a member is in default in the payment of any assessment or taxes due on his interest, the Association will have

all collection rights available to it under Section 35. If any unpaid share of Common Expenses or assessments is extinguished by foreclosure of a superior lien or by a deed in lieu of foreclosure of a superior lien, the unpaid share of Common Expenses or assessments will be Common Expenses collectible from all the Owners.

- B. The assessment roll will be maintained in a set of accounting books or records in which there will be an account for each Unit. Such an account will designate the name and address of the members or member, the dates and amounts in which the assessments come due, the amounts paid upon the account and the balance due upon assessments. Assessments will be made against members in an amount not less than required to provide funds in advance for payment of all of the anticipated current operating expenses and for all of the unpaid operating expenses previously incurred. In the absence of a determination by the Board as to the frequency of assessments, assessments will be due and payable monthly. The personal liability of a member for assessments survives the termination of such member's membership in the Association.
- C. Any member will have the right to require from the Association a certificate showing the amount of unpaid assessments against him with respect to his Unit. The holder of a mortgage or other lien will have the same right as to any Unit upon which such holder has a lien. Any person (other than the Unit Owner) who relies upon such certificate will be protected.
- D. Notice of any meeting, whether a meeting of the Board or of the members of the Association, at which assessments against members are to be considered for any reason must specifically contain a statement that assessments will be considered and the nature of such assessments.

2. Budget.

- A. The Board will adopt a budget for each calendar year which will contain estimates of the cost of performing the functions of the Association and estimates of the income of the Association. The proposed annual budget of Common Expenses will be detailed and will show the amounts budgeted by accounts and expense classifications. In addition to annual operating expenses, the budget will include reserve accounts for capital expenditures and deferred maintenance. The budget will include, but not be limited to, the following items, as applicable:

1. Common Expense Budget

- i. Administration of the Association.
- ii. Management fees.
- iii. Maintenance.
- iv. Rent for facilities.

- ix. Operating capital.
- x. Reserves.
- xi. Costs, charges, fees, payments, expenses and expense reimbursements required by the Shared Facilities Easement, including, without limitation, all Shared Facilities Costs allocated to Owners or the Association.
- xii. Other expenses.

2. Proposed assessments against each member, together with an annual total of assessments.

B. Within thirty (30) days after adoption of any proposed budget, the board shall provide a copy of the budget to all unit owners, and shall set a date for a meeting of the unit owners to consider ratification of the budget, not less than fourteen (14) nor more than thirty (30) days after delivery or mailing of the budget to the unit owners. Unless at that meeting a majority of all the unit owners present in person or by proxy or any larger vote specified in the declaration reject the budget, the budget is ratified, whether or not a quorum is present. In the event the proposed budget is rejected, the periodic budget last ratified by the unit owners

shall be continued until such time as the unit owners ratify a subsequent budget proposed by the board.

3. The Depository of the Association will be such bank or other institution as permitted by applicable Alabama law, as will be designated from time to time by the Board and from which the monies in such accounts will be withdrawn only by checks signed by such persons as are authorized by the Board.

VII. PARLIAMENTARY RULES

Robert's Rules of Order (latest edition) govern the conduct of the Association proceedings when not in conflict with the Articles and Bylaws or with the statutes of the state of Alabama.

VIII. AMENDMENTS

Amendments to the Bylaws will be proposed and adopted in the following manner:

1. The Board of Directors shall adopt a resolution setting forth the proposed amendment and directing that it be submitted to a vote at a meeting of the members. Notice of the proposed amendment or a summary of the changes will be included in the notice of any meeting at which a proposed amendment is considered.
2. Except as otherwise provided in these Bylaws, a resolution adopting a proposed amendment must receive the approval of not less than two-thirds (2/3) of the votes entitled to vote.
3. An amendment when adopted becomes effective only after being recorded in the office of the Judge of Probate of Mobile County, Alabama.
4. These Bylaws may be amended by the Developer, if necessary, to make the same consistent with the provisions of the Declaration, to meet the requirements of any governmental entity or statute, as may be in the best interests of the Association, and as it may deem appropriate, in its sole discretion, to carry out the purposes of the project and to expand or enhance the RV Resort.
5. No bylaw may be revised or amended by reference to its title or number only. Proposals to amend existing bylaws must contain the full text of the Bylaws to be amended; new words will be inserted in the text underlined, and words to be deleted will be lined

through with hyphens. However, if the proposed change is so extensive that this procedure would hinder rather than assist the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language "Substantial rewording of Bylaw. See Bylaw... for present text." Nonmaterial errors or omissions in the bylaw amendment process will not invalidate an otherwise properly promulgated amendment.

IX. SEVERABILITY AND CONFORMITY TO STATE LAW

These Bylaws are to be governed by and construed according to the laws of the State of Alabama. If it should appear that any of the provisions of these Bylaws are in conflict with the Declaration or any rule of law or statutory provision of the state of Alabama, then such provisions of these Bylaws will be deemed inoperative and null and void insofar as they may be in conflict with the Declaration or any rule or such rule of law, and will be deemed modified to conform to the Declaration or such rule of law.

X. INCORPORATION OF PORTIONS OF ALABAMA STATUTES

Except as specifically provided otherwise in these Bylaws as permitted by Section 35, all provisions of Section 35-8A-101 through 417, *Alabama Code*, and Sections 10-3A-1 through 10-3A-225, *Alabama Code*, are deemed to be included in these Bylaws.

PARADISE FOUND RV RESORT CONDOMINIUM

**SCHEDULE SETTING FORTH THE PERCENTAGE OF UNDIVIDED INTEREST OF
EACH UNIT IN THE COMMON ELEMENTS**

Percentage Interests in Common Elements, Common Surplus, Common Expenses and Shared Facilities Cost.

Each Unit within the RV Resort shall have an undivided percentage interest in the Common Elements and Common Surplus and a share of the RV Resort Common Expenses and Shared Facilities Costs of the RV Resort on an equal fractional basis. This fractional interest is based on the total number of Resort Units and Resort Operation Units declared as part of the RV Resort at any given time.

To determine the exact percentage interest of a given Unit declared into the RV Resort at any given time, the following mathematical formula applies: $1 = I/T$.

1. "I" represents the interest to be determined of a particular unit.
2. "T" represents the total number of Resort Units declared as part of the RV Resort.

The costs and expenses associated with Limited Common Elements will be shared by the Owners in the same manner as that for costs and expenses associated with the Common Elements. The responsibility for maintenance, repairs, and replacement of the Limited Common Elements appurtenant to the Owner's Units, if any, will be with the Association at the expense of all Owners in accordance with the Owner's percentage interest.

- a. Maintenance and Repair Easement. A non exclusive, perpetual easement is hereby reserved over and across each Unit and any appurtenances to each Unit for Developer (and the personnel, employees and/or contractors of Developer), for access and temporary encroachments by contractors and subcontractors (and the equipment and employees thereof) to the extent reasonably necessary to perform general and ongoing maintenance and repair work or replacement work to and with respect to the Shared Facilities; provided, however, (i) the rights granted under this Section shall be exercised in such a manner as to minimize the disruption of the enjoyment, use, and operation of each Unit; (ii) any access and encroachment activities permitted by this Section shall be completed as soon as reasonably possible; (iii) no easements are granted in this Section for the storage of materials or equipment in any Unit; and (iv) no access or encroachment is permitted within any Unit without prior permission (such approval not to be unreasonably withheld) by any Unit Owner.
- b. Easement for Construction of Marina. As described in greater detail in Section 14.5 of the Declaration, the Marina

(hereinafter defined) is a reserved development right, which the developer may exercise in accordance with Section 14.5 of the Declaration. In the event the developer exercises its option to construct the marina, in addition to, and not in lieu of, any other easements, given to the developer under the Act, an easement is hereby reserved for the benefit of the developer and its contractor and subcontractors over and across the land for purposes of the construction of the marina.

- c. Encroachment Easements. A non exclusive, perpetual easement is hereby reserved over and across each Unit and any appurtenances to each Unit for Developer (and the personnel, employees and/or contractors of Developer), for minor encroachments of improvements located in the Shared Facilities in, onto, through, or under any Unit, which encroachments do not interfere with the use and operation of that Unit, and that are created by the construction reconstruction, renovation, settling, and shifting of such improvements

- d. Telecommunications Easement. A non-exclusive, perpetual easement is hereby reserved over and across each Unit and any appurtenances to each Unit for Developer (and the personnel, employees and/or contractors of Developer), for the location, erection; installation, maintenance, use, operation, repair, replacement or removal of telecommunications devices, including, but not limited to wires, cables, conduits, lines and other devices on, in or over the Shared Facilities; provided, however, (i) the rights granted under this Section shall be exercised in such a manner as to minimize the disruption of the enjoyment, use, and operation of any Unit; (ii) any access and repair, restoration, or replacement activities permitted under this Section shall be completed as soon as reasonably possible (iii) no easements are granted under this Section for the storage of materials or equipment in any Unit; (iv) Developer shall provide the Unit Owner(s) in which access is required to perform the any work contemplated in this Section, with at least five (5) business days' written notice of its need to repair, restore, or replace all or any portion of

the support structures, including a detailed explanation of the work to be performed and a schedule for the commencement and completion of such work; and (v) upon completion of its repair, restoration, or replacement work pursuant to this Section, Developer shall repair, restore, or replace any applicable portion of any Unit and the improvements therein to the same condition which existed prior to its entry pursuant to this Section.

- e. Emergency Access Easements. A non-exclusive, perpetual easement is hereby reserved over and across each Unit and any appurtenances to each Unit for Developer (and the personnel, employees and/or contractors of Developer), for emergency ingress, egress and access to the Shared Facilities, provided that the Developer shall use good faith efforts to limit any emergency ingress, egress and access to a Unit unless immediately necessary.

7. Maintenance and Assessments.

- a. Charges to Association Lien. Each Owner of any Resort Unit or Resort Operations Unit, by acceptance of a deed or other conveyance of the Resort Unit or Resort Operations Unit, whether or not so expressed in such deed or other conveyance, will be deemed to covenant and agree, to pay to the Association, collecting on behalf of Developer, annual charges for the operation and insurance of, and for payment of a percentage of the cost of the Shared Facilities ("Shared Facilities Costs") including, but not limited to, the establishment of reasonable reserves for the replacement of the Shared Facilities and the furnishings and finishings thereof, capital improvement charges, special charges and all other, charges referred to in this Easement or lawfully imposed by Developer in connection with the repair, replacement, improvement, maintenance, management, operation, and insurance of the Shared Facilities, all such Shared Facilities Costs shall be established and collected from time to time as provided in this Easement. Each Unit within the RV Resort will pay a percentage of the Shared Facilities Costs of the RV Resort on an equal fractional

basis. This fractional interest is based on the total number of Units in the RV Resort at any given time. A Unit's share of the Shared Facilities Costs will always equal the one (1) Unit divided by the total number of the Units in the RV Resort at any given time.

- i. Lien Upon Units. All Shared Facilities Costs, together with such interest and costs of collection of charges as provided below, shall be a charge on the Association and shall be a continuing lien upon the Units in favor of the Association against which each such charge is made and upon all improvements thereon, from time to time existing. Each such charge, together with such interest on each charge and costs of collection of each charge will also be the obligation of the person and/or entity who/which is the Owner of such Units at the time when the charge fell due and all subsequent Unit Owners of that Unit until paid, except as otherwise provided in his Easement. Reference to charges shall be understood to include reference to any and all charges whether or not specifically mentioned.

- ii. Proportionate Share. Each Unit shall be charged a "proportionate share" of the Shared Facilities Costs. The proportionate share for each Unit of the Shared Facilities Costs shall be as set forth in Section (7)(a) above. In addition to the regular maintenance and operation charges which may be levied under this Easement, Developer must collect reasonable reserves for the replacement of the Shared Facilities and the furnishings and finishings thereof and to levy special charges against the Association for a Unit Owner to the exclusion of other Unit Owners for the repair or replacement of damage to any portion of ROU(s) (including, without limitation, improvements, furnishings and finishings in ROU(s)) caused by the misuse, negligence or other action or inaction of a Unit Owner or that Unit's Permitted Users. Any such special charge shall be

subject to all of the applicable provisions of this Section including, without limitation, lien filing and foreclosure procedures and late charges and interest.

- iii. Charges Due. Any special charge levied under this Easement shall be due within the time specified by Developer in the action imposing such charge. The annual Shared Facilities Costs provided for in this Section shall commence on the first day following the recordation of the Declaration and shall be applicable through December 31 of such year. Each subsequent annual charge will be imposed for the year beginning January 1 and ending December 31. The annual charges will be payable in advance in monthly installments, or in annual, semi- or quarter-annual installments if so determined by Developer (absent which determination they shall be payable monthly). The charge amount (and applicable installments) may be changed at any time by Developer from that originally stipulated or from any other charge that is in the future adopted by Developer. The original charge for any year shall be levied for the calendar year (to be reconsidered and amended, if necessary, at any appropriate time during the year), but the amount of any revised charge to be levied during any period shorter than a full calendar year shall be in proportion to the number of months (or other appropriate installments) remaining in such calendar year. Developer shall fix the date of commencement and the amount of the charge against the Association for each charge period, to the extent practicable, at least thirty (30) days in advance of such date or period, and shall, at that time, prepare a roster of the Resort Units and charges applicable thereto which shall be kept in the office of Developer and shall be open to inspection by the Association. Written notice of the charge shall be sent to the Association twenty (20) days prior to payment of the first installment except for special charges. In the event no such notice of

the charges for a new charge period is given, the amount payable shall continue to be the same as the amount payable for the previous period, until changed in the manner provided for in this Easement.

- b. Effect of Non-Payment of Charge; the Personal Obligation; the Lien; Remedies of Developer. If the charges (or installments) provided for in this Easement are not paid by the Unit Owners to the Association on the date(s) when due (being the date(s) specified in this Easement or pursuant to this Easement), then such charges (or installments) shall become delinquent and shall, together with late charges, interest and the cost of collection of such charges, and become a continuing lien on the Unit and all improvements therein which shall bind such Resort Unit in the hands of the then Unit Owner, and such Unit Owner's heirs, personal representatives, successors and assigns. Except as provided in this Easement to the contrary, the personal obligation of a Unit Owner to pay such charge shall pass to such Resort Unit Owner's successors in title and recourse may be had against either or both. If any installment of a charge is not paid within ten (10) days after the due date, it will bear interest at the highest rate permitted by Law from the date when due until unpaid. In addition, the Association may charge an administrative late fee for each delinquent installment in the amount of the greater of twenty-five dollars (\$25.00) or five percent (5%) of each delinquent installment. Each other installment thereafter coming due shall be subject to one late charge each as aforesaid) and the Association may bring an action at law against the Unit Owner(s) obligated to pay the same, may record a claim of lien (as evidence of its lien rights as provided for above) against the unit on which the charges and late charges are unpaid and all improvements thereon, may foreclose the lien against the applicable Unit and all improvements thereon on which the charges and late charges are unpaid, or may pursue one or more of such remedies at the same time or successively, and attorneys' fees and costs actually incurred in preparing and filing the claim of lien and the

complaint, if any, and prosecuting same, in such action shall be added to the amount of such charges, late charges and interest secured by the lien and in the event a judgment is obtained, such judgment may include all such sums as above provided and attorneys' fees actually incurred together with the costs of the action, through all applicable appellate levels. Failure of the Association (or any collecting entity) to send or deliver bills or notices of charges shall not relieve Unit Owners from their obligations under this Easement.

The Association shall have such other remedies for collection and enforcement of charges as may be permitted by applicable law and the RV Resort Documents. The Developer shall be entitled to all collection remedies at law or in equity, including, without limitation, those set forth in the Declaration, to collect the Shared Facilities Costs from the Association, including, without limitation, the right to terminate its maintenance of the Shared Facilities and/or to impose a lien upon the Association, Association Property or the Unit of any delinquent Owner. All remedies are intended to be, and shall be, cumulative. Notwithstanding anything to the contrary in this Easement, if Developer has elected to have the Association bill and collect the Shared Facilities Costs as part of the Common Expenses, the failure of any Unit Owner to pay his or her share of the Common Expenses shall not relieve the Association of its obligation to pay the entire amount of the Shared Facilities Costs. If Developer at any time withdraws its election to have the Association bill and collect the Shared Facilities Costs as part of the Common Expenses, Developer shall be entitled to all collection remedies at law or in equity, including, without limitation those set forth in the Declaration, to collect the Shared Facilities Costs from the Unit Owners directly, including without limitation, the right to terminate its maintenance of the Shared Facilities and/or to impose a lien Upon the Association, Association Property or the Unit of any delinquent Owner. Developer has initially elected to have the Association bill and collect the Shared Facilities Costs.

- c. Subordination of Lien. The lien of the charges provided for in this Section shall be subordinate to real property tax liens and the lien of any first mortgage; provided, however, that any such mortgage lender when in possession, and in the event of a foreclosure, any purchaser at a foreclosure sale, and any such mortgage lender acquiring a deed in lieu of foreclosure, and all persons claiming by, through or under such purchaser or mortgage lender, shall hold title subject to the liability and lien of any charge coming due after such foreclosure (or conveyance in lieu of foreclosure). Any unpaid charge which cannot be collected as a lien against any Resort Unit by reason of the provisions of this Section shall be deemed to be a charge divided equally among, payable by and a lien against all Resort Units, including the Resort Units as to which the foreclosure (or conveyance in lieu of foreclosure) took place.

- d. Curative Right. In the event (and only in the event) that Developer fails to maintain the Shared Facilities as required under this Easement for any reason other than failure to receive sufficient funds therefor from the Unit Owners, the Association shall have the right to perform such duties; provided, however, that same may only occur after sixty (60) days' prior written notice to Developer and provided that Developer has not affected curative action within the sixty (60) day period (or if the curative action cannot reasonably be completed within said sixty (60) day period, provided only that Developer has not commenced curative actions within said sixty (60) day period and thereafter diligently pursued same to completion). To the extent that the Association must undertake maintenance responsibilities as a result of Developer's failure to perform same, then in such event, but only for such remedial actions as may be necessary, the Association shall be deemed vested with the charge rights of Developer hereunder for the limited purpose of obtaining reimbursement from Developer for the costs of performing such remedial work.

- e. Financial Records.

- i. Developer shall maintain financial books and records showing its actual receipts and expenditures with respect to the maintenance, operation, repair, replacement, alteration and insurance of the Shared Facilities, including the then current shared facilities budget and any then proposed budget (the Shared Facilities Records). The Shared Facilities Records need not be audited or reviewed by a Certified Public Accountant. The Shared Facilities Records shall at all times, during reasonable business hours, be subject to the inspection of any member of the Association.
 - ii. Developer shall be required to deliver a Shared Facilities Costs Budget ("Budget") to the Association at least 30 days before the estimated operating budget for the Association is due to be mailed to Owner in advance of the Board meeting to adopt the Association budget for the following year. The Budget must establish reserves as part of the budget for those shared facilities which if they were common elements, would be required to have reserves maintained by the Alabama Code, including by way of example and not limitation, roof, pool, and pavement resurfacing
- f. Limitation Upon Liability of Developer. Notwithstanding the duty of the Developer to maintain and repair the Shared Facilities, Developer shall not be liable to any other Owners (nor their guests, tenants or invitees) for injury or damage, other than for the cost of maintenance and repair caused by any latent condition of the Shared Facilities. Further, Developer shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements or other activities done by or on behalf of any Unit Owners regardless of whether or not the same shall have been approved by Developer. Developer also shall not be liable to any Owner or lessee or to any other

person or entity for any property damage, personal injury, death or other liability on the grounds that Developer did not obtain or maintain insurance (or carried insurance with any particular deductible amount) for any particular matter where: (i) such insurance is not required hereby; or (ii) Developer could not obtain such insurance at reasonable costs or upon reasonable terms.

- g. Ad Valorem Taxes for Shared Facilities. Any and all ad valorem real estate taxes assessed against the Owner of ROU(s) for the Shared Facilities may be included as part of the Shared Facilities Costs.

8. Operation of ROU(s) and the Shared Facilities.

- a. Operation of Shared Facilities. Developer is responsible for the management and operation of the Shared Facilities. Subject to its obligations under this Easement pertaining to the operation of the Shared Facilities, Developer may make the Shared Facilities available for use by guests, renters, and other property owners at other resorts in the vicinity of the RV Resort, to members of the general public, or to any other person in Developer's sole, absolute and unfettered discretion. Nothing in this Easement is intended to prohibit or in any manner restrict Developer's ability to sell, transfer, convey, assign, lease, mortgage, encumber or otherwise dispose of any or all of its interest in ROU(s) to any person, subject to Section 15 and the rights of Permitted User under this Easement. All or any portion of ROU(s) may be developed for any lawful purpose in accordance with this Easement and applicable law.
- b. Alteration; Removal; Replacement; Relocation. Notwithstanding anything in this Easement to the contrary, Developer may, at Developer's expense, alter, modify, rearrange, relocate, replace, or remove any Shared Facilities; provided, however, unless approved by Association no such alteration, modification, rearrangement, relocation, or removal shall be conducted in such a manner that any affected Shared Facilities no longer

provide substantially the same use, function, or experience as was provided to Permitted Users prior to such alteration, modification, rearrangement, relocation, or removal, as Developer determines in its sole, absolute and unfettered discretion; provided, however, that any alteration or relocation of the easements granted under this Easement shall not cause a denial of access to or use of the Shared Facilities.

- c. Interruptions in Use. Notwithstanding the rights granted in this Easement, Developer shall have the right to temporarily close, or interrupt or suspend use of the Shared Facilities in order to maintain, repair, or replace the Shared Facilities. Additionally, Developer or its designees may temporarily designate from time to time certain areas of ROU(s), including the Shared Facilities, for Developer's exclusive use for special events, activities, functions, parties and programs. Notwithstanding anything in this Easement to the contrary, Developer shall not be liable for interruptions in the use of, or the unavailability of the Shared Facilities (a) by reason of equipment malfunction or failure, however caused, (b) in connection with maintenance repair, or failure by suppliers to provide supplies, or (c) due to use of the Shared Facilities pursuant to Developer's rights in this Easement. Developer shall not be required to provide alternate recreational or other facilities to Permitted Users during any period that the Shared Facilities are closed or use of the Shared Facilities is interrupted or suspended. Developer shall not be required to operate and maintain the Shared Facilities at a level consistent with the Resort Standard which is established in the Declaration.
- d. Insurance. Developer shall maintain insurance as to the Shared Facilities to insure (i) against loss or damage caused by fire and other hazards normally covered by a standard extended coverage endorsement and such other risks as from time to time shall be customarily covered with respect to facilities similar in construction, location, and use as the Shared Facilities, including all perils normally covered by

the standard "all risk" endorsement when available, including vandalism and malicious mischief, and (ii) public liability insurance, on an occurrence form basis, for injury to or death of persons and damage to or loss of property.

- e. Lawful Use. No Permitted Users shall act in any way which shall constitute a nuisance to Developer or other Permitted Users or interfere with the use of ROU(s) as a resort, condominium, or for residential or family recreational purposes, whichever use then shall be made of ROU(s). This provision is solely for the benefit of and may be enforced only by the Developer. In addition to any other remedies which may be provided for in this Easement or by law, Developer shall have the right to deny use of the Shared Facilities to offending parties and shall have the right to injunctive relief and temporary and permanent restraining orders for the purpose of protecting its rights.

- 9. Amendment. Except as otherwise provided in this Easement, this Easement can be amended by the owner of ROU(s) without the consent of the other Unit Owners.

10. Insurance.

- a. Authority to Purchase; Named Insured. All insurance policies required to be purchased upon the Shared Facilities will be purchased by the Developer, or its assigns, from a fiscally responsible company authorized to do business in the State of Alabama and will have a minimum term of one year. The costs of such insurance policies shall be a Shared Facilities Cost. The named insured will be the owner of the Shared Facilities contained within ROU(s), the Association individually and as agent for the Owners, without naming them, and as agent for their respective Mortgagees. Notwithstanding the certain types of insurance required to be obtained pursuant to this Section, in obtaining insurance the Developer may consider such factors as availability and desirability of types of insurance and the market for insurance premiums in deciding which types of insurance and the amounts of coverage to obtain; provided, however,

that in no event will the Association purchase less insurance (in terms of coverage or type) than is required by §35-8A-313, *Alabama Code*.

Provisions must be made for the issuance of Mortgagee endorsements and memoranda of insurance to the Mortgagees of Owners on request. Such policies must provide that payments by the insurer for losses must be made to the Owner of ROU(s), the Association or the Insurance Trustee designated below, and all policies and endorsements on such policies must be deposited with ROU(s) Owner, the Association or the Insurance Trustee. The Developer, the Association, Owners, and their tenants and guests, if any, each hereby release the other to the extent of their respective insurance coverage, from any and all liability and any right of subrogation against the other for any loss or damage caused by fire or any of the extended coverage casualties, even if such fire or other casualty shall be brought about by the fault or negligence of the other party, or any person under such other party

- b. Personal Property of Owners. If desired, Owners may obtain insurance coverage on their personal property at their own expense and for their own personal liability and living expenses. Such insurance is not the responsibility of the Developer or the Association.
- c. Coverage. The Owner of ROU(s) shall maintain, to the extent reasonably available:
 - 1. Property insurance on the Shared Facilities insuring against all risks of direct physical loss commonly insured against or, in the case of a conversion building, against fire and extended coverage perils. The total amount of insurance after application of any deductibles shall be not less than the greater of eighty percent (80%) of the actual cash value of the insured property at the time the insurance is purchased or such greater percentage of such actual case value as may

be necessary to prevent the applicability of any co-insurance provision and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies; and

2. Liability insurance, including medical payments insurance, in an amount determined by the Owner of ROU(s), covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements.

11. Indemnification. Permitted Users shall use the Shared Facilities at their own risk and Developer shall not be liable for any loss, damage, security problem, casualty, injury, death, or any other liability except if such liability is directly caused by Developer's gross negligence or willful misconduct. Association shall indemnify and save harmless Developer from and against any such liability for damages, costs, and expenses, including reasonable attorneys' and paralegals' fees, from injury or death to any person or damage to any property in and about, or in connection with the Shared Facilities or in connection with the use of ROU(s) pursuant to this Easement from any cause whatsoever, caused by or occurring to Permitted Users, unless such loss or injury shall be caused by the gross negligence or willful and intentional misconduct of Developer.

12. Casualty, Condemnation, or Taking.

- a. Determination to Reconstruct or Repair. Subject to the immediately following paragraph, in the event of damage to or destruction of the Insured Property as a result of fire or other casualty, the RV Resort shall be repaired or replaced unless:

1. The condominium is terminated, in which case Section 35-8A-218, *Alabama Code* applies;
2. Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or
3. Eighty percent (80%) of the Unit Owners, including every Owner of a Unit or an assigned Limited Common Element which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a common expense.

If the entire RV Resort is not repaired or replaced, (i) the insurance proceeds attributable to the damaged Common Elements must be used to restore the damaged area to a condition compatible with the remainder of the RV Resort, (ii) except to the extent that other persons will be distributees under section 35-8A-205(a)(12)(ii), *Alabama Code*.

- i. The insurance proceeds attributable to Units and Limited Common Elements which are not rebuilt must be distributed to the owners of those units and the owners of the units to which Limited Common Elements were allocated, or to lienholders, as their interests may appear, and
- ii. The remainder of the proceeds must be distributed

to all the Unit Owners or lienholders, as their interests may appear, in proportion to the Common Element interests of all the Units.

If the Unit Owners vote not to rebuild any Unit, that Unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under section 35-8A-107(a), *Alabama Code*, and the Association promptly shall prepare, execute, and record an amendment to the Declaration reflecting the reallocations.

- b. Plans and Specifications. Any reconstruction or repair must be made substantially in accordance with the plans and specifications for the original improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Developer; provided, however that if any reconstruction is undertaken, same shall be undertaken in such a manner to restore the Units to substantially the same condition they were in prior to the occurrence of the casualty.
- c. Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be affected by the

Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, assessments shall be made against the owners by the Association (which shall be deemed to be assessments made in accordance with, and secured by the lien rights) in sufficient amounts to provide funds for the payment of such costs. Such assessments on account of damage to the Insured Property shall be in proportion to all of the Owners' respective allocated interests.

- d. Benefits of Mortgages. Certain provisions in this Section are for the benefit of mortgages of Units and may be enforced by any of them.

- e. Casualty. Should the Shared Facilities be destroyed by casualty or taken or condemned for any public or quasi-public use or purpose, by right of eminent domain or by purchase in lieu thereof, or if a portion of the Shared Facilities shall be so taken or condemned that the portion remaining is not sufficient and suitable for any other use permitted this Easement, as determined by Developer in its sole, absolute, and unfettered discretion, the use privileges associated with the destroyed Shared Facilities shall immediately be suspended until Developer repairs or rebuilds such

Shared Facilities, or in the alternative, the use privileges associated with the destroyed Shared Facilities under this Easement shall be terminated in whole or in part should Developer affirmatively decide not to repair or rebuild all or a portion of the destroyed Shared Facilities, in its sole, absolute, and unfettered discretion. Developer shall provide the Association written notice of this decision. No Permitted User shall have any right to any insurance proceeds or condemnation award which may be made by reason of any taking of all or any part of the Shared Facilities or ROU(s). If there shall be any taking of the Shared Facilities, then Developer Shall have the sole right to defend any such taking and to compromise and settle any award made, and the proceeds thereof shall be applied as determined by Developer in Developer's sole, absolute, and unfettered discretion.

- f. Taking of Shared Facilities. Awards for the taking of Shared Facilities shall be used to render the remaining portion of the Shared Facilities usable in the manner approved by Developer; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the sole and absolute discretion of Developer. The balance of the awards for the taking of Shared Facilities, if any, shall be

distributed to the Unit Owners in accordance with their allocated interests. Notwithstanding the foregoing, in the event that the costs of restoration resulting from any taking exceed \$1,000,000.00, then the Developer shall have the sole right to determine whether or not to repair and/or restore in the same manner as is provided in the Declaration with respect to a casualty loss. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the said mortgagees.

13. Remedies.

- a. Violation. In addition to Section 8 of this Easement, and any other remedies set forth in this Easement, the Developer and the Association shall have the right to enforce, by proceeding at law or in equity, whether in an action for damages, injunctive relief or both, all covenants conditions, restrictions, reservations, easements, charges, and liens now or hereafter imposed under this Easement.
- b. Costs of Enforcement. Should the Developer or the Association find it necessary to employ an attorney or institute legal action against any Developer, the Association, or any Resort Unit Owner to enforce this Easement, the non-complying party shall pay all costs in connection with such action, including court costs and reasonable attorneys' fees and other professionals' fees for pretrial, trial, and appellate proceedings.

14. Force Majeure. If the performance by Developer, Resort Unit Owner, Permitted User or the Association obligated under this Easement (excluding monetary obligations) is limited, delayed, or prevented in whole or in part by applicable law or action adopted or taken by any federal, state, or local governmental authority and

not attributable to an act or omission of such Developer, Resort Unit Owner, Permitted User or the Association, or by any acts of God, fire or other casualty, floods, storms, explosions, accidents, epidemics, war, civil disorders, strikes or other labor difficulties, shortages or failure of supply of materials, labor, fuel, power, equipment, supplies, or transportation, or by any other cause not reasonably within such Developer's, Unit Owners', Permitted Users' or the Association's control, whether or not specifically mentioned in this Section, the Developer, Resort Unit Owner, Permitted User or the Association shall be excused, discharged, and released of performance to the extent such performance or obligation (excluding any monetary obligation) is so limited, delayed, or prevented by such occurrence without liability of any kind.

15. Assignment.

- a. Developer. Developer shall have the right, in its sole, absolute, and unfettered discretion, at any time to transfer and assign to any person any or all rights, powers, easements, privileges, authorities, and reservations given to or reserved by Developer or any obligation imposed on Developer Under this Easement, as to all or a portion of ROU(s). Such transfer or assignment shall be evidenced by a writing and recorded with the Judge of Probate of Mobile County, Alabama, and specifically shall indicate Developer's transfer and assignment. Association shall execute any additional documents required to effectuate such assignment or transfer.
- b. Association. Association shall not have the right to assign any or all rights powers, licenses, privileges, authorities, reservations of, or any obligation imposed on, Association or any other Permitted Users under this Easement.

16. Covenants Running with the Land; Termination. All rights, privileges, benefits, and burdens created in this Easement are covenants running with and appurtenant to the land, binding on and inuring to the benefit of the Owner of ROU(s) and the Unit Owners, respectively, and their respective successors in title;

notwithstanding the foregoing, this Easement automatically will terminate if the Declaration is terminated.

17. Subordination of Interest.

- a. Subordination and Notice. At the time of the effective date of this Easement, there are no mortgages or other encumbrances on the Shared Facilities or ROU(s). Developer agrees that pursuant to this Easement, so long as Association and other Permitted Users are not in default under the Easement, the rights of Permitted Users to access and use the Shared Facilities and ROU(s) as provided in this Easement ("Rights") are senior to Developer's ownership interest in ROU(s) ("Interest"), and Developer's Interest is subordinate to the Rights from and after the recordation of this Easement. All creditors of Developer with claims arising subsequent to the date of this Easement; all parties of any nature whatsoever claiming any interest in the Shared Facilities or ROU(S) by, through, under, or against Developer; and all successors and assigns of Developer are hereby given notice of the existence of the Rights, and all of their rights and claims with respect to the Shared Facilities and ROU(s) are hereby expressly made junior, inferior, and subordinate to the Rights so long as owners of Units in the RV Resort are not in default under their respective contracts for deeds for Units in the RV Resort ("Purchase Contracts"). Developer and all successors and assigns of Developer, and any person who acquires the Interest through foreclosure, deed in lieu of foreclosure, or otherwise, shall take such Interest subject to the Rights.
- b. Non-disturbance. Developer and any and all successors acquiring the Interest will not use or cause the Shared Facilities or ROU(s) to be used in a manner which would prevent Permitted Users from using and occupying the Shared Facilities or ROU(s) in a manner contemplated by this Easement, so long as Association and other Permitted Users are not in default under this Easement.

- c. Bankruptcy. This Easement shall be effective as between Developer, the Association, and other Permitted Users, despite any rejection or cancellation of this Easement as a result of bankruptcy proceedings involving Developer.
- d. Recognition of Rights. So long as Developer has any interest in the Shared Facilities or ROU(s), Developer will fully honor all the rights of Permitted Users in and to the Shared Facilities and will comply with all other requirements under Code of Alabama, and rules promulgated thereunder.

18. Notices. Unless otherwise specified in this Easement, all notices, demands, elections, requests, or other communications that the Developer, Unit Owners, the Association, or any other party may desire or be required to give under this Easement shall be in writing and shall be given by (a) hand delivery, (b) recognized overnight courier service providing confirmation of delivery, (c) facsimile, provided that a copy of such notice also is sent the same or following business day by recognized overnight courier service providing confirmation of delivery, or (d) e-mail, provided that copy of such notice also is sent the same or following business day by recognized overnight courier service providing confirmation of delivery, addressed as follows:

- a. If to Developer, then to:

Engler REI LLC
11551 Dauphin Island Parkway
Theodore, AL 36582

- b. If to Association, then to:

Paradise Found RV Resort Condominium Association
at the address, fax and email (if any) of the Association, as listed in the Articles of Incorporation of the Association, when it is created.

Each Developer and the Association shall have the right to designate another address or change in address to

another address in the United States by written notice to the others in the manner prescribed in this Easement and by filing notice of such change of address with the Clerk's Office, reciting in such filing that notice is given pursuant to this Easement and attaching to such notice a reference to the fact that it relates to this Easement.
