

Welcome to the 2024 -2025 Season

A MESSAGE FROM YOUR EXECUTIVE DIRECTOR

Dear Members and Eligible Members:

Welcome to Skyline Lakes!!

I want to start by welcoming everyone to Skyline Lakes. I hope everyone is having the best start of the year and hope everyone is getting ready for a tremendous summer. The Board of Directors have been working diligently on our mission of providing safe, active and passive recreation opportunities for all of our members. Our board works tirelessly to create and maintain the best lake ever.

Some very exciting things are happening, we are implementing and making our beach club better than last year. We will be having a Poker Night to fund our annual scholarship. We will be having several food trucks during the warmer months, as well as some bands for your entertainment.

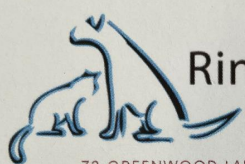

We have been very fortunate to keep the cost of our lake the same for the last three years. Whatever you and your family members love to do; swim and play, picnic, ice skate, or fish, our properties offer all this and right in your own backyard. Our members enjoy many different activities at Skyline Lake.

Our calendar of events, found in this newsletter, is growing daily. We are currently planning more summer programs and more activities for the young people, as well as, the more seasoned members. These are just a few of the exciting events happening.

If any additional information is needed please feel free to reach out to any director or visit our website at www.skylinelakes.com.

Your Executive Director

Pete Lesler

Swim Lessons

S.L.P.O.A. Swim lesson programs run for 5 weeks. The program will be

supervised by Red Cross Certified Swimming instructor. All swimming instructions will be taught by Red Cross certified Life Guards. Because we have a Red Cross certified instructor, each child will receive a Red Cross Card at the end of the program. As always, only current members who have joined the Association may participate in this program. Swimming tests will be given to determine your child's ability and level.

Participants will be grouped by swimming ability and be given lessons 3 times a week. The lessons will take place at Main Beach between the hours of 8:00 am to 11:00 am. Hours maybe modified depending on the size of the group. The lessons will mirror the suggested Red Cross swimmers program and is designed to move the participant into the next level. If you are interested in the swimming program please contact Kelly Engels 973-610-7945 Kengelsbeachdirector@gmail.com.
