Weololing DRESSING PACKAGES

At Marry Me Cyprus, we pride ourselves upon our services in delivering Wedding Dressing, Styling & Hire Products to our clients Dream Wedding Day in Cyprus with the finishing touches to the décor packages with our amazing array of stock as detailed in our Hire Brochure. Affordability is a key to any wedding day and to achieve this have suggested Wedding Décor Packages available to hire, giving you 'everything you need'.

Purpose built and designed around 'Key Choices' over the last season, our packages are suitable for up to 60 guests and are broken down into:

DIAMOND up to 20 Guests * RUBY up to 30 Guests * EMERALD up to 40 Guests * GOLD up to 50 Guests * PLATINUM up to 60 Guests

As the number of guests increase in the packages, so does the 'What's Included'. Take a look through and select your Wedding Dressing Packages, select the one most suitable and then the choices you would like for your Centerpieces. You will find the choices available on 9 - 12, with the option of Upgrading (at a small addition charge).

You will find the package prices are detailed on the right hand side of the brochure. If you choose an Organza Package, this would be for the choice of chair sashes in organza material and the table runners in the same material. If you choose Vertical Drapes, this would be the choice of vertical drapes but you could choose any table runner that falls in the pricing under the Vertical Drapes (i.e. Organza, Satin, Taffetta, Lace or Hessian). None of the packages include Flower Runners. For these you would need to order from the main brochure.

If you need any help in choices, understanding or guidance on colours and schemes, please do not hesitate to drop us a message.

What's included in the packages

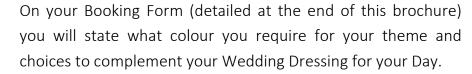

With all of our packages - Diamond, Ruby, Emerald, Gold & Platinum you will receive:

CEREMONY TABLE CENTREPIECE * ROSE TREES OR BLOSSOM TREES * MR & MRS BUNTING

Using this information and with our vast experience and creativity, we will coordinate your Ceremony Table Centerpiece to 'match' your décor, theme and centerpieces to provide continuity and make your Wedding Dressing look perfect!

From the 'Standard Inclusions' please make sure you detail the choice of either 2 x 4ft Rose Trees (Ivory Roses) or 2 x 4ft Blossom Trees (Ivory). If there is no selection, we will provide our Dresser's Choice for you.

Booking & PAYMENT FORM TERMS & CONDITIONS

Booking — We want to make your day very special, but we can only work with the information that you supply. The Marry Me Cyprus Ltd booking form needs to be fully completed and returned to us or your wedding co-ordinator. Failure to provide all relevant information may lead to errors and/or omissions or maybe a cancellation. We, Marry Me Cyprus Ltd (MMC), will not be held responsible for any errors and/or omissions or cancellations caused by the lack of required suitable information to fulfil your order. Any changes to your venue, booked date and/or time for your ceremony/reception must be confirmed with us so that we can still fulfil your order, failing to check with us may result in your order not being carried out due to other commitments. Date/time alterations that result in a booking cancellation will be subject to the rules of section 13; Cancellations.

Agreement – You (the customer) agree to pay the full price listed on your invoice for the hire, from us Marry Me Cyprus Ltd, for the listed items requested by you on your booking form.

You agree to take care of the items hired to you and will make sure that no damage, staining or hindrance is caused to the products hired. If returned in a poor state, you will be responsible for full replacement or cleaning costs. Should any hired items be taken from the venue, you will be liable to pay for these in full to Marry Me Cyprus Ltd. Legal action will be enforced for theft or vandalism of our goods. You will be held responsible for the damage/theft caused by your guests, even if their actions are completely unknown to you.

You agree to return to us the hire products in the same condition they were hired to you.

In the event of damage/theft to our goods you agree that they will be paid for in cash in full when our representative brings the damage/theft to your attention. Failure to immediately pay for the damaged items will result in the immediate removal of all the booked services/goods, regardless of the time and no refund will be given.

In the event of rowdy/disrespectful behaviour towards our staff members or our goods, our services and goods will be withdrawn; goods removed immediately without notice and no refund will be given.

By booking our services/products you agree that Marry Me Cyprus Ltd Terms & Conditions (T&C's) are the governing T&C's which override all other T&C's, this applies no matter what clauses are listed in your T&C's.

Nominated Person - You need to allocate a suitable person to receive any items you have purchased and delivered to your venue on the expected delivery date. Their name and contact details must be provided at least one week in advance of the delivery date or on the booking form if known at the time of booking. Goods will be dispatched in good order and delivered to the charge of your nominated person, to be signed for by them upon receipt.

Hotel Acceptance — Prior to ordering, you or your wedding co-ordinator must check with the hotel/venue to ensure that they will accept our goods/services on their premises. No responsibility will be accepted for the refusal of said goods/services by the hotel/venue host. No refunds will be issued for the failure to ensure that this is prior arranged. For candy items please contact your hotel and inform them of the delivery so that a suitably cool air-conditioned room can be used to store your items (refrigeration is not advised as this can cause condensation). However, no responsibility will be accepted for delivery issues caused by the hotel/venue. It is very important to note: some hotels will not accept food items.

Delivery - All bought goods will be delivered by us. Your order will be delivered in plenty of time to be ready for your wedding day (according to the information provided by you to us) for you and your guests to enjoy. If we are not notified of a nominated person, we will attempt to deliver the items to the requested venue on the booking form, once delivered we accept no responsibility for their whereabouts or condition of the goods thereafter.

Responsibility - As soon as your order is delivered to the care of your nominated person, our liability ceases; it is then the responsibility of your nominated person to keep these in good order for you.

Storage - All supplied candy items must not be stored or displayed in direct sunlight and should be placed in a cool/air-conditioned and shaded area.

Starlight Backdrop & Letter Lights — You must ensure that your hotel can provide a suitable 240v electricity source within 3 metres of your set-up position for the curtain and/or Love/ Mr & Mrs Lights. In some instances, there might not be enough room to place the curtain and/or letter lights behind the top table, in this instance they will be placed near the party area wherever there is enough space to safely accommodate the curtain and/or letter lights. If there is no/insufficient power available, the curtain/letter lights will still be displayed without lights; no refunds will be given. In the event of adverse weather conditions (windy and/or wet) and at our sole discretion, the starlight backdrop and/or letter lights will not be available, and a refund will be given, less 30% abortive costs. We will always ensure that all lights are working once they have been set-up and we leave the venue. However, should a technical fault occur, and the lights do not work after we have left the venue, we cannot be held responsible and no refund will be given. If there is a technical fault discovered when setting up the curtain/letter lights you will be offered a full refund, in lieu of the curtain/letter lights being set out.

Fairy & Festoon Lights — Our fairy lights are battery powered so no need for any 240v supply. The fairy lights will be either wrapped around vertical posts or wrapped/draped around/along handrails, banisters or nearby fences, at a height of no more than 3 meters. No expectation should be assumed that they will be placed in/on a ceiling or ceiling type structure or in trees/shrubs.

Payments – For all orders a deposit of 20% is to be made to reserve your booking with Marry Me Cyprus Ltd and the balance should be paid by bank transfer no less than 6 weeks prior to your venue date. Failure to pay the balance 6 weeks prior to the venue date may result in your reservation being cancelled without notification and the deposit will be non-refundable. If for any reason you are unsure on what you would like to hire or dress your day, we are able to reserve the date for a non-refundable deposit of £50.00 with a formal order to be placed no later than 6 weeks after your securing deposit has been paid, failure to provide an order may result in your date having to be released.

Last minute bookings - If you book with us less than 30 days prior to your venue date, full payment will be required before any confirmation will be made.
