

## Heart2Heart Check-Up The Four Key Ingredients to Finding Love

Complete this quick self-perception profile so you can learn more about yourself and understand what may be keeping you from finding the love you've been dreaming of. It's separated into the four key ingredients to help you determine which area you may be struggling with the most.

This is a snapshot of where you are today, not where you'll always be. So be kind to yourself. Be honest but don't dwell on any question too long. Your first thought is often your best thought. Feel free to print two copies so you can save one for later. You'll be amazed at the positive changes you'll make when you set your positive intention to find love.
