

Susan Kuznitsky Pastel Supply

Pastels - A minimum of (90 sticks) assortment of both hard and soft artist-grade pastels representing a full color spectrum and value range is recommended. Small or medium size set of pastel pencils.

Half-stick assortments are available from many popular brands and are a great way to start. Sennelier 80 Assorted Colors 1/2 stick set is a good one.

There are many good quality brands on the market

Soft pastel brands include Sennelier, Terry Ludwig, Schminke, Unison, Girault.

Hard pastel brands include Rembrandt(semi-hard), Holbein (semi-hard) or Cretacolor.

Prepare full size sticks by removing paper and breaking into half sticks.

Pastel Pencils

Carb Othello, Conte', Cretacolor, Derwent.

Surfaces –

There are many good surfaces for pastels. I use:

Lux Archival Sanded Paper

UArt Sanded paper 400 or 320 grit

Support (drawing board) - Gator-Board or foam core are both light weight and sturdy

Underpainting – We will explore a variety of underpainting techniques. I use watercolor and acrylics for underpainting as well as Gamsol or Denatured or Isopropyl Alcohol. **Use what you have.**

Misc.

Gamsol, Denatured Alcohol (get this at a paint store), or Isopropyl Alcohol

A few synthetic brushes – variety of sizes

A few sticks of soft vine charcoal

2" Wide roll of masking tape

Paper towels

Small sketch book and pencil for notes and sketches

Golden or Art Spectrum Pastel Ground
