CONSIGNMENT PARTNER

ITS supports multiple engines for narrowbody and widebody aircraft. We are committed to providing you with the best customer experience. ITS is your partner for engines because of the value we provide:

- Confident quality
- Responsiveness
- Trace/Documentation above industry standard
- Customized solutions

SPECIALIZED OFFERINGS

We offer specialized products that differentiate us in the industry:

- Full QEC kits
- Serviceable modules for sale and exchange
 - HPT
 - LPT
 - Combustor
 - Stage 1 nozzle assembly

LEASE

We provide customized solutions to your engine requirements that deliver the following benefits:

- Competitive lease rates
- Tailored terms to meet your needs
- Flexibility on return requirements

SALES

Because of the flexibility on how we manage our assets, we will work with you to find the solution that best fits your needs. This is ITS entrepreneurial spirit at work. We provide solutions from an entire engine to modules, from piece parts to services.
