Welcome from the Purebred Sheep Breeders of Ontario

It is with much excitement and anticipation that we await the hosting of the first live All Canada Classic in 3 Years! This year is surely to be a Classic to remember. We are very pleased to welcome sheep from coast to coast and vendors and visitors from all over North America. This event has drawn together many major groups in the sheep Industry, including, three national groups and 3 Provincial groups, not to mention the countless sponsors and volunteers.

As per usual we will be hosting a shepherds social the evening after culling as well as a lamb and beef banquet on the evening of show day. We also welcome the All Canada Junior Show which has been graciously sponsored in full by Kubota. Thank you to all who are making this event possible. We can't wait to see you all there and catch up with old friends and make some new ones.

A Classic Welcome / La Classique vous accueille

Welcome!

On behalf of the board of directors of the Canadian Sheep Breeders' Association, I would like to take this opportunity to welcome everyone to the 2022 All Canada Sheep Classic in Ancaster, Ontario. We have 276 entries from 54 consignors representing 13 breeds. This is a great opportunity to purchase top quality sheep from across Canada, catch up with old friends, make new ones, and share the wealth of ideas and experiences. On behalf of the board of directors, CSBA members and myself, I would like to thank the Purebred Sheep Breeders of Ontario and volunteers for their dedication and hard work over the past few years. Your commitment to host the 2022 Classic ensures it will be an event remembered fondly by all who participated. I look forward to seeing you in Ancaster!

Keith Todd
CSBA President

Bienvenue!

Au nom du conseil d'administration de la Société canadienne des éleveurs de moutons, j'ai l'honneur de souhaiter la bienvenue à tous les participants de la Classique canadienne du mouton 2022, qui aura lieu à Ancaster. Nous avons 276 inscriptions provenant de 54 consignataires représentant 13 races. Il s'agit d'une excellente occasion d'acheter des moutons de qualité supérieure provenant de partout au Canada, de revoir des amis de longue date, de faire de nouvelles connaissances, et d'échanger une foule d'idées et d'expériences. Au nom du conseil d'administration, des membres de la SCEM et de moi-même, j'aimerais remercier la Purebred Sheep Breeders of Ontario et les bénévoles pour leur dévouement et leur travail acharné au cours des dernières années. Votre engagement à accueillir la Classique 2022 fera de ce rassemblement un événement dont tous les participants garderont un chaleureux souvenir. J'ai hâte de vous voir à Ancaster!

Keith Todd
Président de la SCEM

GROWING FORWARD. SINCE 1971.
SNOBELEN FARMS

Classic Code of Conduct Code de conduite de la Classique Canadienne

The All Canada Classic is a family-oriented event that showcases the sheep industry on a national level. Professional, courteous and kind behaviour toward all participants and attendees is expected at all times. Unprofessional or inappropriate behaviour will not be tolerated and may result in the offending party's immediate removal from the event and/ or their suspension from the CSBA.

La Classique canadienne, événement axé sur la famille, offre une vitrine à l'industrie du mouton à l'échelle nationale. Un comportement professionnel, courtois et aimable envers tous les participants et les participants y est attendu en tout temps. Aucun comportement non professionnel ou inapproprié ne sera toléré et pourra entraîner l'exclusion immédiate de la partie contrevenante de l'événement et/ou sa suspension de la SCEM.

Announcement | Annonce

Information contained herein is presented on behalf of the seller. The CBSA and PSBO cannot guarantee the information to be correct or assume the liabilities for errors and omissions. Buyers should verify the information to their own satisfaction. Any announcements made from the auction block on the day of auction will take precedence over any matter in print and will be final.

Consignors are strongly encouraged to bring verification for all genotyping and genetic evaluation results published in the catalogue.

L'information fournie ici est présentée au nom du vendeur. La SCEM, et PSBO ne peuvent garantir l'exactitude des renseignements ni assumer une quelconque responsabilité pour les erreurs ou omissions. Les acheteurs doivent vérifier les renseignements à leur propre satisfaction. Toutes les annonces diffusées depuis le comptoir de vente aux enchères le jour de la vente ont préséance sur toute information en version imprimée et seront définitives.

Welcome to the 2022 All Canada Classic

Ontario Sheep Farmers (OSF) is thrilled to be a sponsor of the 2022 All Canada Classic – a showcase to recognize the best in Canadian sheep breeding. The selection of breeding stock is the basis of any production system, and higher-performing animals can be more productive and profitable.

As you take in the Canadian Classic event and ask about stock, be sure to inquire about genetic evaluations through GenOvis – a Canadian, on-farm sheep genetic evaluation program. GenOvis makes it possible to effectively evaluate the genetic value of sheep based on economic traits expressed by relatives and other animals within or across breeds. OSF also helps fund Genovis along with CSBA and CEPOQ.

We encourage you to attend education events too. The OSF team has put together an education program with topics including genetic resistance to parasites and the possible link between genetics and greenhouse gas emissions, is there an ideal ewe size? and using Genovis in stock selection.

For more than 30 years, OSF has proudly advocated for Ontario's sheep industry. We are a producer-run organization that represents the province's 3,000 sheep farmers who produce meat, wool, and dairy for this diverse and dynamic sector of agriculture. Ontario is home to the country's largest sheep flock, and our producers contribute more than \$530 million to the provincial economy.

OSF supports the Ontario sheep industry and improves market opportunities for our members through producer education, market information, advocacy, promotional campaigns, consumer education, and public awareness. We develop programs for producers to address topics including flock health, marketing, biosecurity, the environment, record keeping, risk management, and traceability. Our staff works diligently to advocate with all levels of government on issues that impact the Ontario sheep sector. OSF continues to encourage greater consumer interest in fresh Ontario lamb, we have a refreshed lambrecipes.ca site that is viewable in more than 100 different languages.

We are proud to support the 2022 All Canadian Classic and wish all exhibitors the best of luck!

2022 All Canada Classic Sale – Terms & Conditions

ORDER OF SALE:

- 1) Breeds will sell in the same order that they are listed in the show catalogue (alphabetical)
- 2) Within each breed, the sale order will be Champion Ewe, yearling ewes, fall ewe lambs, spring ewe lambs, Champion Ram, yearling rams, fall ram lambs, spring ram lambs.
- 3) Within each class, animals will be sold by the order of their placing in the show.

HEALTH and SOUNDNESS: All animals will be rigidly culled by the culling committee and the attending veterinarian. Please inspect your animals carefully at home. The following list outlines some of the undesirable physical traits that will serve as cause for an animal to be culled, but does not exclude other reasons that an animal may be culled.

1. Malocclusion / Dental Alignment
2. Lameness
3. Presence of external parasites
4. Orf lesions
5. Abscess
6. Entropion
7. Genital malformation
8. Body condition score less than 2
9. Sheep must have a caudal fold that can be seen or felt
10. Any other condition that concerns the veterinarian

The CSBA Classic committee is authorized to settle any and all disputes regarding culling and to interpret the rules. The committee culls based on health and sale standards, not breed standards. Their decision will be final.

All animals that have been culled must be immediately removed from the sale facility.

REGISTRATION CERTIFICATES: Original registration certificates must be signed on the back for transfer and submitted to the culling committee. This applies to all entries with no exception. Failure to supply the registration certificates will cause the animal to be excused from the sale without a refund of entry fee and the animal must be removed from the sale facility. Following the sale and financial settlement, the CSBA office will process transfers and the cost will be deducted from the consignor's sale

proceeds. The transferred registration paper will be sent directly to the buyer from the CLRC.

IDENTIFICATION: All consigned animals must either bear legible tattoos or paired CSIP tags. Confirmation that the identification stated on the registration paper is borne by the consigned animal is the responsibility of the culling committee. All consigned animals must bear a CSIP tag according to CFIA regulations. Animals failing to meet the identification standards will be culled from the sale and must be removed from the sale facility.

COMMISSION: Sale commission is 15%, with the following exceptions: the minimum commission on animals that sell will be \$30 and the maximum commission on animals that sell will be \$250. Sale commission will be deducted from the consignor's proceeds.

BUYERS: Buyers must obtain a buyer's number from the sale clerk before they are eligible to bid in the auction. Buyers must provide their full name, address, telephone number and email address and indicate exactly how each animal is to be transferred.

TERMS: Payment may be made by cash, personal cheque, debit card, Visa or Mastercard or e-transfer. Animals will not be released from the sale facility until payment is processed. Registration papers will be transferred when personal cheques have cleared the bank. Any animals purchased by credit card (VISA/MC) will be subject to an additional 3% fee.

GUARANTEE: Each consignor guarantees clear right and title to all animals that present for sale.

All animals are guaranteed breeders, if properly handled.

All males are guaranteed breeders. Should any ram fail to prove to be a breeder, any claim for adjustment must be made within 18 months of the date of sale. A satisfactory settlement shall be deemed to be replacement with another ram of equal value and health status or refund of purchase price.

The seller shall have the right, if so desired, to try a ram for as much as 75 days to determine whether he is a satisfactory breeder, before making final adjustment.

All females are guaranteed breeders. Should any female 12 months of age or older, not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser has the right to claim adjustment in writing to the seller within 12 months of the sale. Should any female younger than 12 months of age and not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser should notify the seller within 12 months from the date of sale, but wait to see if the ewe again fails to become pregnant by 24 months of age, before claiming adjustment in writing to the seller. Satisfactory settlement shall be deemed to be replacement with another ewe of equal value and health status or refund of purchase price.

The purchaser shall notify the seller as soon as any concern with an animal arises.

Exposed ewes of any age, even if marked prior to sale, are not guaranteed to be pregnant or produce living lambs.

Under no conditions will the seller be liable for more than the original purchase price of the animal.

The seller may direct the marketing of the animal and refund the difference between the purchase price and the market value as shown on the sales receipt.

No incidental expenses, such as feed, care, etc. will be charged by either party when making settlement.

All transportation charges are the responsibility of the buyer.

No settlement will be completed until the registration certificate is retired or endorsed and returned to the seller.

Any settlement of such guarantee is between the seller and buyer and is subject to the restrictions set out above. The Canadian Sheep Breeders' Association and the Purebred Sheep Breeders of Ontario assume no responsibility, expressed or implied, with respect to this guarantee or the restrictions set out above.

RISK/REMOVAL: All animals are at purchaser's risk as soon as sold. Delivery must be taken at conclusion of sale. All animals must be removed from the barn by 9:00 PM on Saturday July 9, 2022.

ERRORS: If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or oral, supersede any material written in this catalogue.

LIABILITY: The Canadian Sheep Breeders' Association and the Purebred Sheep Breeders of Ontario, and their directors, owners and employees accept no liability that may occur. Accidents at sheep sales are very rare, but all attending must do so at their own risk.

Vente Classique canadienne du mouton – Conditions

ORDRE DE VENTE:

- 1) Les races se vendront dans leur ordre d'énumération au catalogue de l'exposition (alphabétique)
- 2) Dans chaque race, l'ordre de vente sera Brebis championne, Brebis d'un an, Agnelles d'automne (senior), Agnelles de printemps (junior), Bélier champion, Béliers d'un an, Béliers d'automne (senior) et Béliers de printemps (junior).
- 3) Dans chaque catégorie, les animaux seront vendus selon leur ordre de placement dans l'exposition.

SANTÉ et SOLIDITÉ: Tous les animaux seront réformés de façon stricte par le comité de réforme et le vétérinaire traitant. Prière d'inspecter vos animaux avec soin chez vous. La liste suivante énonce certaines des caractéristiques physiques indésirables qui conduiront à la réforme d'un animal, mais elle n'est pas exhaustive de tous les motifs de réforme.

1. Disclusion
2. Boiterie
3. Présence de parasites externes
4. Lésions d'ecthyma contagieux
5. Abscès
6. Entropion
7. Malformation génitale
8. Cote de condition physique inférieure à 2
9. Les moutons doivent présenter une palmure caudale visible ou palpable
10. Toute autre maladie qui concerne le vétérinaire

Le comité de Classique de SCEM est autorisé à régler tout différend en ce qui concerne la réforme et à interpréter les règles.

Le comité sélectionne les normes de santé et de vente et non les normes de race. Ses décisions seront finales.

Tous les animaux ayant été réformés doivent être immédiatement retirés de l'installation de vente.

CERTIFICATS D'ENREGISTREMENT: Les certificats d'enregistrement originaux doivent être signés à l'endos pour le transfert et soumis au comité chargé des animaux de réforme. Cela vaut pour toutes les participations sans exception. À défaut de fournir les certificats d'enregistrement, l'animal sera exclu de la vente sans

remboursement des droits d'entrée, et l'animal devra être retiré de l'installation de vente. Après la vente et le règlement financier, le bureau de la SCÉM traitera les transferts, et le coût sera déduit du produit de la vente du consignateur. Le document d'enregistrement transféré sera envoyé directement à l'acheteur par le SCEA.

IDENTIFICATION: Tous les animaux consignés doivent porter des tatouages lisibles ou des étiquettes PCIM jumelées. Il incombe au comité de réforme de confirmer que l'animal consigné porte l'identification indiquée sur le document d'enregistrement. Tous les animaux consignés doivent porter une étiquette PCIM, selon les règlements de l'ACIA. Les animaux qui ne répondent pas aux normes d'identification seront retirés de la vente et devront être retirés de l'installation de vente.

COMMISSION: La commission de vente est de 15%, avec les exceptions suivantes: la commission minimale sur les animaux qui se vendent sera de 30\$ et la commission maximale sur les animaux qui se vendent sera de 250\$. La commission sera déduite du produit du consignateur.

ACHETEURS: Les acheteurs doivent se procurer un numéro d'acheteur auprès du commis des ventes pour pouvoir enchérir à l'encan. Les acheteurs doivent donner leurs noms et prénoms, leur adresse, leur numéro de téléphone et leur adresse de courriel et indiquer exactement comment chaque animal doit être transféré.

CONDITIONS: Le paiement peut être fait au comptant ou par chèque personnel, carte de débit, Visa ou Mastercard. Les animaux ne pourront pas sortir de l'installation de vente avant le traitement du paiement. Les achats d'animaux payés par carte de crédit (VISA/MC) seront majorés de 3 %. Les documents d'enregistrement seront transférés lorsque les chèques personnels auront été compensés par la banque.

GARANTIE: Chaque consignateur garantit que le titre sur tous les animaux présentés à la vente est libre de toute charge.

Tous les animaux sont des géniteurs garantis s'ils sont manipulés de façon appropriée.

Tous les mâles sont des géniteurs garantis. S'il s'avère que le bélier n'est pas un géniteur, la demande de rajustement doit être faite dans les 18 mois de la date de la vente. Un règlement est considéré comme satisfaisant s'il y a un remplacement par un autre bélier de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

Le vendeur a le droit, s'il le désire, d'essayer un bélier pendant un maximum de 75 jours pour voir s'il est un géniteur satisfaisant, avant de faire le rajustement final.

Toutes les femelles sont des génitrices garanties. Si une femelle est âgée de 12 mois ou plus, n'est pas enceinte au moment de la vente et ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur a le droit de réclamer un rajustement au vendeur, par écrit, dans les 12 mois de la vente. Si une femelle de moins de 12 mois, qui n'est pas enceinte au moment de la vente, ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur devrait aviser le vendeur dans les 12 mois de la date de la vente, mais attendre de voir à nouveau si la brebis ne tombe pas enceinte dans ses premiers 24 mois, avant de réclamer un rajustement au vendeur, par écrit. Un règlement est considéré comme satisfaisant s'il y a un remplacement par une autre brebis de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

L'acheteur doit aviser le vendeur dès qu'il y a une préoccupation au sujet d'un animal.

Il n'est pas garanti que la brebis exposée, à tout âge, même si elle est marquée avant la vente, est enceinte ou produira des agneaux vivants.

En aucun cas, le vendeur ne devra payer plus que le prix d'achat original de l'animal.

Le vendeur peut ordonner la commercialisation de l'animal et rembourser la différence entre le prix d'achat et la valeur marchande indiqués sur le reçu de vente.

Aucuns frais accessoires, par exemple, pour les aliments, les soins, etc. ne seront imposés par l'une ou l'autre partie au moment du règlement.

Tous les frais de transport sont à la charge de l'acheteur.

Aucun règlement ne sera final avant que le certificat d'enregistrement ne soit retiré ou signé et renvoyé au vendeur.

Le règlement de la garantie se fait entre le vendeur et l'acheteur, sous réserve des restrictions énoncées ci-dessus. La Société canadienne des éleveurs de moutons et Purebred Sheep Breeders of Ontario n'assument aucune responsabilité, expresse ou implicite, en ce qui concerne la garantie ou des restrictions énoncées ci-dessus.

RISQUES/RETRAIT: Tous les animaux sont aux risques de l'acheteur, dès leur vente. La livraison doit avoir lieu à la conclusion de la vente. Tous les animaux doivent être retirés de la grange avant 2100, le samedi 9 juillet 2022.

ERREURS: Si des erreurs sont notées, des corrections seront apportées au kiosque d'encanteur. Toutes les annonces au moment de la vente, écrites ou verbales, l'emportent sur ce qui est écrit dans le catalogue.

RESPONSABILITÉ: La Société canadienne des éleveurs de moutons, Purebred Sheep Breeders of Ontario, et leurs administrateurs, propriétaires et employés n'acceptent aucune responsabilité éventuelle. Il est rare qu'il y ait des accidents aux ventes de moutons, mais tous les participants assistent à leurs propres risques.

Good luck to all the participants of the 2022 All Canada Classic.

Thank you to everyone who has come out and supported this great event.

QUALITY FEEDS TO KEEP SHEEP HEALTHY.

masterfeeds.com |

Masterfeeds[®]
an **Altech**[®] company

A properly balanced ration is the first step towards maximizing production and health in your flock. Accurate forage analysis will allow one of our ruminant nutritionists to build a nutrition program that will provide your sheep with the required nutrients to achieve your production goals. Masterfeeds Sheep Program provides rations to match your management style. We offer a range of choices from premixes to complete feeds, to compliment the resources that you already have on-farm.
