

## Second revealed message from Torah and the Bible

Alright, in order to reveal this 2<sup>nd</sup> of the Hidden Manna's, remember back when we reviewed the importance of the number 49 and the letter Tav, they both play a role in the revealing of this already discovered message from God and set the path and stage for me to follow to discover the new Hidden Manna that we will review shortly, but first it's important to see how God hid this message and of course the message itself, because I firmly believe that God works in patterns, He always has and always will. Just a quick reminder that the number 49 is the highest level of spiritual knowledge a man can gain and the Hebrew letter Tav represents or means "sign", it's a sign post used by God.

Here we will be looking at the first 5 books of the Bible and Torah, Genesis, Exodus, Leviticus, Numbers and Deuteronomy. In the revealing of this God definitely works in patterns here, let's dive in. Looking at Genesis first, here's where we begin to use the pattern for the number 49 and the Tav, or the sign post. From the start of Genesis, we look for the 1<sup>st</sup> Tav, remember, in Hebrew

we are reading from right to left, so we see the first marked Hebrew letter marked in the top right hand corner (ת) in this case it's the Tav that has an English S sound, but it is the first Tav, our beginning sign post. Then we count 49 letters to the next letter, after we have done this four times those letters combined spell TORH or in Hebrew Torah, note that this is displayed and read as we read the interpretation in the west from left to right, as seen at the bottom of the chart with the Hebrew letters and TORH with an arrow showing the direction of its reading position, from left to right. Each successive chart will be read in the same manner, let's go see.

### Genesis (every 49th letter)

בְּרֵאשִׁית בָּרָא אֱלֹהִים אֶת הַשָּׁמַיִם וְאֶת הָאָרֶץ: וְהָאָרֶץ הִיְתְּהָ תֵהוֹ  
וְבָהוּ וְהָשָׁף עַל- פְּנֵי תְהוֹם וְרוּחַ אֱלֹהִים מְרַחֶפֶת עַל- פְּנֵי הַמַּיִם:  
וַיֵּאמֶר אֱלֹהִים יְהִי אוֹר וַיְהִי- אוֹר: וַיֵּרָא אֱלֹהִים אֶת- הָאוֹר כִּי- טוֹב  
וַיַּבְדֵּל אֱלֹהִים בֵּין הָאוֹר וּבֵין הַחֹשֶׁךְ: וַיִּקְרָא אֱלֹהִים ׀ לְאוֹר יוֹם  
וְלַחֹשֶׁךְ קָרָא לַיְלָה וַיְהִי- עֶרֶב וַיְהִי- בֹקֶר יוֹם אֶחָד: פ

תורה = TORH

## Exodus (every 49th letter)

Here in Exodus using the same process, looking for our first sign post the Tav, then counting every 49<sup>th</sup> letter we can see that again, the same is true in Exodus as discovered in Genesis. Wow, maybe God is trying to tell us something, what do you think? Again TORH is found interpretation again from left to right as in English.

### Exodus (every 49th letter)

וְאֵלֶּה שְׁמוֹת בְּנֵי יִשְׂרָאֵל הַבָּאִים מִצְרָיִם אֶת יַעֲקֹב אִישׁ וּבֵיתוֹ כֹּהֵן:  
רְאוּבֵן שְׁמֵעוֹן לֵוִי וַיהוּדָה: יִשְׁשַׁכָּר זְבוּלֹן וּבְנֵימֵן: גָּד וַנַּפְתָּלִי גָד  
וְאֲשֶׁר: וַיְהִי כָל-גֹּפֶשׁ יִצְאֵי יַרְדֵּן-יַעֲקֹב שְׁבַע עִים גֹּפֶשׁ וַיֹּסֶף הָיָה בִּימֵת  
יֹסֶף וְכָל-אֶחָיו וְכָל הַדּוֹר הַהוּא:

תּוֹרָה = TORH

## Numbers (every 49th letter)

When these folks looked at **Leviticus**, the next book in Torah and the bible they found that this process was not true, they found that the same process yielded no results, so they moved onto the book of Numbers and found the following. The sign post ended up at the end not the beginning and counting 49 they found TORH again only in reverse or backwards as seen in the chart below, please remember we are still reading from right to left starting in the top right hand corner. Notice our arrow is now reverse from the first 2 books, going from left to right.

### Numbers (every 49th letter)

וַיְדַבֵּר יְהוָה אֶל־ מֹשֶׁה בְּמִדְבַר סִינַי בְּאַהֲל מוֹעֵד בְּאַחַד לַחֹדֶשׁ הַשְּׁנַיִ  
בַּשָּׁנָה הַשְּׁנִית לְצֵאתְכֶם מֵאֶרֶץ מִצְרָיִם לֵאמֹר: שְׂאוּ אֶת־ רֹאשׁ כָּל־ עֵדוּת  
בְּנֵי־ יִשְׂרָאֵל לְמִשְׁפַּחְתְּכֶם לְבֵית אֲבֹתְכֶם בְּמִסְפָּר שְׁמוֹת כָּל־ זָכָר  
לְגִלְגֻלְתְּכֶם: מִבְּנֵי עֶשְׂרִים שָׁנָה וְנִמְעָלָה כָּל־ יֶזְעָא צָבָא בְּיִשְׂרָאֵל תִּפְקְדוּ  
אֹתְכֶם לְצָבָאתְכֶם אֹתָהּ וְאַהֲרֹן: וְאַתְּכֶם יְהִי אִישׁ אִישׁ לְמִטָּה אִישׁ רֹאשׁ  
לְבֵית־ אֲבֹתָיו הוּא:

הַרְוֹת

= HROT

## Deuteronomy (every 49th letter)

Highly motivated is how I envision these folks now knowing they are onto some real discovery hidden by God. I can say this because that's how I felt when Hidden Manna started to pop out, we'll look at that soon. Again now here in the 5<sup>th</sup> book of the Torah and the Bible Deuteronomy, the same process was found to work as use in the previous book of Numbers, again it's in reverse as seen by the bottom of the chart with our arrow pointing from right to left.

### Deuteronomy (every 49th letter)

בְּעֶבֶר הַיַּרְדֵּן בְּאֶרֶץ מוֹאָב הוֹאִיל מִשָּׁה בְּאֶר אֶת-הַתּוֹרָה הַזֹּאת לֵאמֹר:  
יְהוָה אֱלֹהֵינוּ דִּבֶּר אֵלֵינוּ בְּחֶרֶב לֵאמֹר רַב-לָכֶם שָׁבַת בְּהָר הַזֶּה: פָּנּוּ |  
וּסְעוּ לָכֶם וּבְאוּ הָר הָאֲמֹרִי וְאֶל-כָּל-שְׂכֵנָיו בְּעֶרְבָה בְּהָר וּבְשִׁפְלָה  
וּבְנֶגֶב וּבְחֹף הַיָּם אֶרֶץ הַכְּנַעֲנִי וְהַלְבֹּנוֹן עַד-הַנָּהָר הַגָּדֹל נְהַר-פָּרָת:  
רְאֵה נָתַתִּי לְפָנֶיכֶם אֶת-הָאֶרֶץ בְּאוּ וּרְשׁוּ אֶת-הָאֶרֶץ אֲשֶׁר נִשְׁבַּע יְהוָה  
לְאֲבֹתֵיכֶם לְאֶבְרָהָם לֵי  
צִחָק וְלִיעֲקֹב לָתֵת לָהֶם וּלְזֶרְעָם אַחֲרֵיהֶם:

הרות

= HROT

Let's review what was found so far, looking at the chart below entitled Torah Manna, we see the in Genesis and Exodus Torah was read as we do in the west from right to left. In Numbers and Deuteronomy the Torah is read in reverse.

# Torah Manna

49 (7 sq) Letter sequences

Genesis TORH

Exodus TORH

Numbers HROT

Deuteronomy HROT

So I believe at this point the researchers thought there must be something in Leviticus that we've missed and went back to look again, that process lead them to try the number 7 on its own, the number of 7 is the number associated with the interpretation of perfection, and leading to God, low and behold look what they found, YHWH or the unpronounceable name of God, Yahweh as we in the west spell it.

# Leviticus

Intervals of 7

וְקָרָא אֶל־מִשְׁחָה וַיְדַבֵּר יְהוָה אֵלָיו  
מֵאֵהָל מוֹעֵד לֵאמֹר:

יְהוָה = YHWH

Reviewing all of these charts paints an incredible hidden message for us from God, look at the chart below, Genesis and Exodus with the arrows pointed from left to right in the manner of reading, Numbers and Deuteronomy in reverse form right to left, in other words each book is pointing to Leviticus where Yahweh's name was found, all words and scripture point to God. A fascinating fact here is consider that every country to the West of Jerusalem, the United States, Europe all read and write from left to right. Any country to the East of Jerusalem read from right to left as pointed out by the arrows underneath each noted book, all things and languages point toward Jerusalem.

# The Torah always points to YHWH
