## Jew and gentile believer Chapter 1

And wait for me. In God's grace, Jehovah, we will walk. You are a shepherd. From the light, sing in your heart. According to God, In my life, I will light a flame. This is what you saw in the Bible. You will do it. You will be lifted up.

Jesus is who He says He is, speaking to unbelieving Jews and Gentiles, Chapters 2 with Leviticus 16, chapters 3 & beginning of 4

And in this way, God spoke to me. From the Hebrew word. And in him he is God. And he is a rabbi, By the way. That's how it happened, Woe to you. Why did Jesus come to you? Why did he live with God in heaven? Rabbi and Lord. Let it be so. Yeshua is praised as my son.

Reward, salvation, rapture, tribulation, judgement, His eternal love and a way out Chapters 4,5,6,7. This is for those left behind after the rapture of the church.

God will give us a stone. To the Lord, come close, In his life, you will find a place in your life. Like him. Let's go to the day of the day. For the night, I will be with you. And the people will be saved, who will be saved. Do not despair. God bless you, and you will cry out, and Jesus will come. My heart is broken. From me, you will be moved. From the inheritance. And the day of darkness will come. My love for you. What is it for? God will come down with fierce mercy. He will come to God. Praise be to God. And I was saved
