## Churchill North Primary

### Transition Dates for 2024 Foundation Students

Outlined below are our planned transition sessions for our 2024 Preps. Each Early Start session supports students in learning school routines and behaviours. They allow students to experience a literacy and numeracy session at school. Being part of Early Start supports children in settling into school and thriving when Prep formally begins.

If you wish your child to participate in any of these sessions, please contact the school office and reserve a place. If you would like additional information about the school or any of these sessions, please feel free to contact the school and we would be happy to answer any questions you have.
