## Who We Are?

Power In Community PAC (The Power PAC) is the fastest growing group of bipartisan/nonpartisan conservatives in the state of Texas.

We are a proud collective of America loving Americans on a fast-paced mission to unite our divided community. We are passionate to defend and uphold the Constitution of the United States of America, which gives every American the right:

- To bring God and/or religious freedom back, front and center to our struggling world.
- To ensure our freedoms and liberties are upheld and defended.
- To support our military, veterans, troops and police force.
- To force long overdue change in our government processes and elected officials.
- To love Texas and the spirit it stands for.
- To build strong committed family units with unshakable family values.
- To support our communities, small businesses and the residents.
- To protect our children, our faith and our country with whatever means necessary.

We are committed to education and information, truth and transparency, fairness and equality, people...and not politics.

WE ARE THE GRASSROOTS MOVEMENT YOU'VE BEEN WAITING FOR.
