Our baton twirling classes not only focus on teaching children how to twirl a baton, our classes encourage teamwork, poise, hand-eye coordination, as well as help children build their self-esteem. Students learn baton twirling tricks in class as well as routines. Students will also have an opportunity to be in a competition and parades.

This is a great opportunity which can lead to students becoming a majorette for their school and a scholarship to college! Don't wait to start learning! Questions?
