DEAN B. CROMWELL

Track Coach
University of Southern California

With the start of the 1940 track and field season, Dean Bartlett Cromwell enters his thirty-second year of coaching at the University of Southern California. Under the tutelage of the "Maker of Champions," Trojan athletes have won 64 national intercollegiate individual championships in N.C.A.A. and I.C.A.A.A.A. competition, 31 national A.A.U. individual championships and 15 Olympic championships in seven events and two relays.

Southern California track teams have won nine I.C.A.A.A.A. championships and have been runner up once in 13 trips to the meet. The Trojans have won eight N.C.A.A. championships and have been runners up twice in 12 meets. Cromwell's teams have won the N.C.A.A. championship for the past five years and have taken the I.C.4-A. championship the last seven times they have competed for it.

In 12 West Coast Relays championships at Fresno, Southern California has won 10 championships, tied for one and placed second once. Since the Pacific Coast Conference championships were resumed in 1936, Southern California has won four straight. In dual competition the Trojans have won the last 14 meets from California and the last 10 out of 11 from Stanford.

Born in Turner, Oregon, Sept. 20, 1879, Cromwell started his athletic career at Occidental College Prep School, Los Angeles, which he attended from 1895 to 1898. In football he played guard and in track and field he competed in the 50, 100, 440, pole vault, high jump, hammer throw, shot put and bicycle racing.

He attended college at Occidental from 1898 to 1900 and from 1901 to 1902. He had an outstanding athletic career at Oxy, competing for five years in football and track. At that time, students in Oxy Prep and freshmen in college were eligible for Occidental varsity teams. In football he played right half and was captain of

the eleven for four years. In track he competed in the same events he had started in high school and was captain of the team in his senior year. He also played first base on the baseball team two years.

He continued his track competition for a time after college, taking part in the National Y.M.C.A. championships at St. Louis in 1904, the meet being held in connection with the World's Fair. Competing for the Los Angeles Y.M.C.A., he was second in the high jump, shot put and hammer throw. In 1905 he competed for the L.A.Y.M.C.A. in the Lewis and Clark Fair in Portland, placing among the leaders in the pole vault, high jump, shot put, hammer throw and pentathlon.

Cromwell, who has never coached at any university but Southern California, was appointed head football and track coach at S.C. in 1909. Although he has devoted full time to track and field coaching at Southern California since 1919, he directed the football squad for five seasons. His football coaching record: 1909, won 3, lost 1, tied 2; 1910, won 7, lost 0, tied 1; 1916, won 5, lost 3; 1917, won 4, lost 2, tied 1; 1918 (S.A.T.C. year) won 2, lost 2, tied 2.

Known wherever track and field sports are participated in as the "Maker of Champions," Cromwell is no theorist but a practical man who has picked up most of his vast store of cinderpath knowledge from a study of athletes in action rather than from following orthodox methods.

Reversing the teacher-pupil situation, Cromwell became convinced early in his career that the coach can learn from the athlete. Believing that there are almost as many effective methods of doing things in track and field as there are athletes, he likes to help his boys develop according to their own natural styles. Although he can look back today upon an amazing list of individual champions and team championships, he maintains that he is still learning and says that his athletes have taught him far more about how to do things than he has ever taught them.

When a new candidate reports to him, he watches him in action a long time before making suggestions. Then he endeavors to augment the young athlete's natural

style with refinements of technique he has picked up from other athletes.

Rarely does he think it necessary to change a boy's style completely. Consequently there is no definite Cromwell technique of running, jumping, hurdling or throwing, but one finds boys constantly improving under his direction because to their own natural style he is adding helpful hints that increase the stride of a runner, improve the balance and lift of a jumper or hurdler, or give a stronger finishing snap to a weight thrower.

Cromwell's first outstanding individual champion was Fred Kelly who won the high hurdles in the Olympic Games in Stockholm in 1912. Since then he has produced at least one individual champion in every Olympic meet and so many national and intercollegiate champions in practically every event that the statistics are almost unbelievable.

Listed among his individual champions are 12 Olympic champions who have won 15 individual or relay championships, 17 senior national A.A.U. champions who have won 31 championships, 32 I.C.A.A.A.A. champions who have won 39 championships and 19 N.C.A.A. champions who have won 25 championships.

Ten Cromwell-coached athletes are holders of world's records as individuals or as members of relay teams. Seven of his Trojans are former world's record holders. Three of his relay teams have set marks that surpass figures now in the books and have world's records up for adoption.

Moderation in training and slow development of his boys so that they reach their peak performances in the championship meets at the climax of the season are practiced diligently by the Trojan coach. His secret of championship winning is patience and deliberation in his training program for each individual. Mediocre Trojan performances are common in early meets but when the championship events arrive late in the season Cromwell has his boys ready for their best when the best is needed.

Today at the age of 60, the genial, smiling, garrulous Cromwell has as much youthful enthusiasm as he possessed when he first started his coaching career at Southern California. His optimism has a stimulating effect on his athletes, and his constant boosting of his boys and his salutation to all of "Hi, champ" have been of great importance in creating a winning psychology at Troy.

William Graber, who set mark of 14 ft., 4 3/8 in., in pole vault at Palo Alto, July 16, 1932;
Norman Paul, who tied world's record of 23s. in 220-yard low hurdles, May 6, 1933;
4-man 880-yard relay team (Willie Lewis, Herschel Smith, Edgar House, Charles Borah), which set record of 1m. 25.8s., May 14, 1927, at Los Angeles (also was the record for the 800-meter relay);
Phil Cope and Roy Staley, both of whom ran 120-yd. high hurdles in 14.2s at Los Angeles, June 15, 1935.

Three world's records have been applied for in relay races as follows:

4-man 440-yard, 40.7 seconds, May 16, 1936, Fresno (Adrian Talley, Clark Crane, George Boone and Foy Draper).
4-man 440-yard, 40.5 seconds, May 14, 1938, Fresno (Leland LaFond, Mickey Anderson, Payton Jordan and Adrian Talley).
4-man 880-yard, 1 minute, 24.8 seconds, 1934, Los Angeles (James Abbott, Foy Draper, Al Fitch and Charles Parsons).

SUMMARY OF COACH CROMWELL'S RECORD

He is now in his 32nd year of coaching track at Southern California.

He has coached Olympic champions in seven events and two relays -- Fred Kelly, 110-meter high hurdles, 1912; Charles W. Paddock, 100-meter dash, 1920; Bud Houser, discus, 1924 and '28, and shot put, 1924; Duncan McNaughton, high jump, 1932; Lillian Copeland, women's discus, 1932; Kenneth Carpenter, discus, 1936; and Earle Meadows, pole vault, 1936.
Members of Olympic championship relay teams as follows: Charles Borah, 400-meter relay, 1928; Ed Ablowich, 1600-meter relay, 1932; Frank Wykoff, 400-meter relay, 1932 and 1936; Foy Draper, 400-meter relay, 1936.

He has coached 17 National A.A.U. champions -- Fred Kelly and Leighton Dye, high hurdles; Charles Paddock and Charles Borah, 100 and 220; Frank Wykoff, 100; Vic Williams, 440; Harold Smallwood, 400-meter run; Kenneth Grumbles, low hurdles; Bud Houser, shot put and discus; Kenneth Carpenter, discus; Jesse Mortensen, javelin and decathlon; Lee Barnes, Bill Graber, Earle Meadows and Bill Sefton, pole vault; Bob Van Osdel, high jump, and Erwin Miller, 440.

He has coached 38 (64 championships) intercollegiate champions I.C.4-A. and N.C.A.A. -- Leighton Dye, Robert Lyon, Phil Cope and Jim Humphrey, high hurdles; Kenneth Grumbles, Bill Carls, Ernie Payne and Earl Vickery, low hurdles; Norman Anderson, shot put; Bud Houser and Bob Hall, shot put and discus; Kenneth Carpenter and Phil Gaspar, discus; Jesse Hill, Dick Barber and Al Olson, broad jump; Charles Borah, 100 and 220; Frank Wykoff, 100; Foy Draper, 200 meters; Jesse Mortensen and Bob Peoples, javelin; Jim Stewart, Duncan McNaughton, Bob Van Osdel, Delos Thurber, John Wilson and Clarke Mallery, high jump; Vic Williams and Erwin Miller, 440; Jack Williams, Bill Graber, Earle Meadows, Bill Sefton,

Loring Day and Kenneth Dills, pole vault; Louis Zamperini, mile, and the I.C.4-A. mile relay team of Zamperini, Miller, Howard Upton and Art Reading.

He has coached the present world record holding 440- and mile-relay teams, two members of another world record holding sprint relay team and three individual record holders---440 team of Maurice Guyer, Milton Maurer, Roy Delby and Frank Wykoff; mile relay team of James Cassin, Harold Smallwood, Estel Johnson and Al Fitch; 400-meter U.S. relay team of 1936 Olympics, Frank Wykoff and Foy Draper; Frank Wykoff, 100; Earle Meadows and Bill Sefton, pole vault.

Three relay teams now have world's records up for adoption: two 440-yard teams and one 880-yard team.

In 13 years of competition in the I.C.4.-A. his teams have won nine championships -- in 1925, '26, '30, '31, '32, '33, '35, '38, '39. The Trojan I.C.4-A. record in other years is 1924, sixth; 1927, fourth; 1928, sixteenth; 1929, second.

In 12 years of competition in the N.C.A.A. meet his teams have won eight championships -- in 1926, '30, '31, '35, '36, '37, '38, '39. The Trojan team finished second in 1933 and 1934 and fourth in 1929.

He has coached Bob Peoples, holder of the native American record in the javelin throw at 234 feet, 1 7/8 inches.

SIXTEEN YEARS OF TROJAN TRACK

A brief resume of Southern California accomplishments since the Trojans first entered the I.C.A.A.A.A. championships in 1924.

1924

Trojans admitted to membership in I.C.4-A. and placed sixth in meet with 14 points. Six Trojans were members of the 1924 American Olympic team -- Charles Paddock, Morton Kaer, Norman Anderson, Otto Anderson, Clarence (Bud) Houser and Earle Wilson.

1925

Trojans won their first I.C.4-A. championship with 33 points. Leighton Dye, Kenneth Grumbles and Bud Houser were first in high hurdles, low hurdles and discus respectively; Houser also placed second in the shot.

1926

Trojans won their second I.C.4-A. championship with $35\frac{1}{2}$ points. Leighton Dye in the high hurdles, Kenneth Grumbles in the low hurdles and Captain Bud Houser in the shot and discus, all took first places. Trojans also won their first N.C.A.A. championship with $26\frac{1}{2}$ points.

1927

In winning the half-mile, mile and medley relays at the last of the Pacific Coast Conference Relays, which were staged in Seattle, the Trojans served notice that they had begun a domination of the coast in relay events that was to be carried over into the annual West Coast Relays at Fresno. They took fourth in the I.C.4-A. with $23\frac{1}{2}$ points, Charles Borah winning the 100 and 220. Stanford nosed the Trojans out of the Pacific Coast Intercollegiates championship, $55\frac{1}{2}$ - $53\frac{1}{2}$.

1928

Dean Cromwell was appointed assistant coach of the American Olympic squad in charge of the pole vault and 400-meters relay team. U. S. won both of these events at Amsterdam. Southern California placed more men on Olympic Games squad than any other university in the country -- Charles Paddock, Charles Borah, Lee Barnes, Jim Stewart, Leighton Dye and Bud Houser. Trojans entered West Coast Relays at Fresno for first time, winning the meet with 48 points; Lee Barnes set a new world's record in the pole vault at Fresno with a vault of 14 feet, 1 1/2 inches.

1929

Giving an indication of the Trojan track strength to be developed in the ensuing years, the Southern California team of only a few members took second to Stanford in the I.C.4-A. with 21 points after previously winning the California Intercollegiates at Los Angeles with $71\frac{1}{2}$ points. Jesse Hill won the broad jump in the I.C.4-A. with a new meet record of 25 feet, 7/8 inch, and Jack Williams tied for first in the pole vault. Trojans won their second straight West Coast Relays championship with $57\frac{1}{2}$ points. Jesse Mortensen, winner of the javelin, was the only Trojan N.C.A.A. champion as S.C. took fourth with 32 points.

1930

Trojans won their third I.C.4-A. championship with $44\frac{1}{2}$ points, their second N.C.A.A. title with 55 $27/70$ points and their third West Coast Relays championship with 77 points. Team was undefeated in dual, sectional and national championship meets. Frank Wykoff twice set new world's record in the 100-yard dash at 9.4 seconds. Wykoff took firsts in the I.C.4-A. and N.C.A.A. meets in the 100 with Bill Carls winning the low hurdles in the I.C.4-A. and James Stewart taking the N.C.A.A. high jump. Vic Williams was national A.A.U. champion in the 440.

1931

Trojans won their fourth I.C.4-A. championship with $46\frac{6}{7}$ points. Five men, Frank Wykoff, Capt. Ernie Payne, Vic Williams, Dick Barber and Bill Graber either tied or broke I.C.4-A. records in the 100, low hurdles, 440, broad jump and pole vault respectively. Trojans won their third N.C.A.A. title with $77\frac{1}{7}$ points. In winning their fourth West Coast Relays championship with 72 $1/3$ points, the Trojans with a team of Roy Delby, Milton Maurer, Maurice Guyer and Wykoff set a new 440-yard relay world's record of 40.8s. Team was undefeated in all competition for second successive year.

1932

Southern California gained permanent possession of the I.C.4-A. trophy by winning its fifth championship in its nine years of membership in the intercollegiate association. Third straight championship with record high score of $62\frac{3}{4}$ points. Trojans also won their fifth straight West Coast Relays title with $70\frac{6}{7}$ points. Cromwell's 1932 squad universally acclaimed most powerful, best all-around college track team ever produced. Seventeen Trojans and four S. C. relay teams selected on the N.C.A.A. honor roll. Team undefeated for third straight season. Trojans contributed Bob Van Osdel, high jump; Bill Graber, pole vault; Dick Barber, broad jump; Frank Wykoff, 400-meter relay, and Ed Ablowich, 1600-meter relay, to the American Olympic team; Duncan McNaughton, Olympic high jump champion, to the Canadian Olympic team; Pete Chlentzos, pole vault, to the Greek Olympic team. Lillian Copeland, Trojan co-ed coached by Cromwell, was winner of women's discus throw for the American Olympic team. In winning the national pole vault championship, Graber set a new world's record of 14 feet, $4\frac{3}{8}$ inches.

1933

After graduating many stars who had made its team unbeatable for three years, Southern California came back with a rebuilt squad to win its fourth straight I.C.4-A. championship with 47 points to Stanford's 42, the Indians being the favorite. Trojans placed second in the N.C.A.A. championships, scoring 54 points to Louisiana State's 58, but won their sixth consecutive West Coast Relays title with 93 points.

1934

Trojans placed second in the N.C.A.A. with $57\frac{7}{20}$ points. Stanford won the championship with 63 points. Southern California did not compete in the I.C.4-A. Trojans won their seventh West Coast Relays title with 63 points. Trojan 880-yard relay team of Jim Abbott, Foy Draper, Al Fitch and Charles Parsons broke world's record with mark of 1m. 24.8s.

1935

Southern California went undefeated, winning all its dual meets, the I.C.4-A. for the seventh time with 52 points to the second place, California, team's $27\frac{1}{2}$, the N.C.A.A. with $74\frac{1}{5}$ points to Ohio State's $40\frac{1}{5}$ and its eighth straight West Coast Relays championship with $82\frac{2}{3}$ points. Phil Cope, Foy Draper, Kenneth Carpenter and Al Olson won first places in the I.C.4-A. Carpenter repeated in the N.C.A.A. and National A.A.U. Earle Meadows and Bill Sefton tied in the pole vault at 14 feet, $1\frac{1}{8}$ inches, to set a new N.C.A.A. mark.

1936

Trojans, remaining out of the I.C.4-A. concluded another undefeated season by running up the record score of $103\frac{1}{3}$ points in the N.C.A.A., the largest total in the history of the meet. Kenneth Carpenter broke the N.C.A.A. record in the discus with a throw of 173 feet. Earle Meadows and Bill Sefton tied again in the pole vault to break their own N.C.A.A. mark. Ten Trojans (8 members of the 1936 varsity and 2 graduates) made the 1936 Olympic team. They were Frank Wykoff, 100 meters and 400-meter relay; Foy Draper, 400-meter relay; Harold Smallwood, 400 meters; Al Fitch, 1600-meter relay; Roy Staley, high hurdles; Bill Graber, Bill Sefton and Earle Meadows, pole vault; Delos Thurber, high jump, and Kenneth Carpenter, discus. Meadows and Carpenter won Olympic championships, while Wykoff and Draper were on the victorious, world record-breaking 400-meter relay team. Pacific Coast Conference title meets were revived this year, and the Trojans won the conference championship with $53\frac{1}{2}$ points. They tied with Stanford for the West Coast Relays championship both teams scoring 64 points. In this meet Trojan 440-yard relay team of Adrian Talley, Clark Crane, George Boone and Foy Draper broke world's record with mark of 40.7s. and Trojan Mile relay team of James Cassin, Harold Smallwood, Estel Johnson and Al Fitch set present world's record of 3m. 11.6s.

1937

Trojans successfully defended their N.C.A.A. championship with 64 points. Earl Vickery won the 220-yard low hurdles in 23.3s. with Bill Sefton winning the pole vault at 14 feet, $8\frac{7}{8}$ inches. Troy's "vaulting twins," Sefton and Earle Meadows, set a new world's pole vault record of 14 feet, 11 inches in the Pacific Coast Conference meet. Twice before Sefton had cracked the mark, with Meadows tying him on the last two record occasions. The Trojans retained their Pacific Coast Conference championship with 55 points. S. C. won the California dual meet, 79-52, in which Sefton vaulted 14 feet, $7\frac{3}{8}$ inches for his first record performance. Against Stanford, both vaulters cleared 14 feet, $8\frac{1}{2}$ inches to break existing world's record for second time as Troy won, $74\frac{1}{2}$ - $56\frac{1}{2}$.

1938

Again the Trojans retained their N.C.A.A. crown, this time with $69\frac{3}{4}$ points. In addition, they re-entered the I.C.4-A. for the first time since 1935, winning with $46\frac{1}{2}$ points. Louis Zamperini set a new N.C.A.A. mile record of 4m 8.3s. in winning. The other Trojan champion was Loring Day in the pole vault at 14 feet, 2 inches. In the I.C.4-A., Delos Thurber set a new high jump mark of 6 feet, $6\frac{5}{8}$ inches, and Day and Kenneth Dills tied for first in the pole vault. In dual meets, the Trojans defeated Stanford, $94\frac{1}{6}$ to $35\frac{5}{6}$; California, $74\frac{1}{2}$ - $56\frac{3}{4}$; and U.C.L.A., 96-35. S. C. won its third straight Pacific Coast Conference title with $63\frac{3}{5}$ points. In addition, the Trojans won their 10th West Coast Relays championship with $71\frac{1}{2}$ points, in which the 4-man 440 relay team of Leland LaFond, Mickey Anderson, Payton Jordan and Adrian Talley set a new world's record of 40.5s.

1939

For the fifth consecutive year, S.C. won the N.C.A.A. title, the eighth time since entering competition, with a total of 86 points. Earlier in the season, the Trojans also defended their I.C.4-A. crown with an all-time scoring record of $71\frac{1}{2}$ points. N.C.A.A. champions included Erwin Miller in the 440 with a time of 47.5s; Louis Zamperini, who defended his mile title in 4m. 13.6s; John Wilson, who won the high jump at 6 feet, 6 inches, and Bob Peoples, winner of the javelin at 220 feet, $6\frac{1}{2}$ inches. I.C.4-A. champions included Zamperini, with a new mile record of 4m. 11.2s; Jim Humphrey, who equaled the high hurdle record of 14.4s; Earl Vickery, who set a new low hurdles record of 22.8s; Peoples, whose 223 feet $1\frac{1}{4}$ inches in the javelin was also a new meet record; Phil Gaspar, winner of the discus at 158 feet, $3\frac{1}{2}$ inches; Wilson and Clarke Mallery, who tied for first in the high jump; Loring Day, who tied for first in the pole vault, and the four-man mile relay team of Zamperini, Miller, Howard Upton and Art Reading, which won the I.C.4-A. inaugural relay event. Troy also remained undefeated in dual competition, winning by identical scores of 81-50 from California and Stanford and from U.C.L.A. 115-16. For the fourth straight year, S.C. won the Pacific Coast Conference championship with a total of 67 points. Troy also won its eleventh West Coast Relays title with 56 $\frac{9}{10}$ points. Early in the season at the Long Beach Relays, Bob Peoples set a new native American javelin record with a throw of 234 feet, $1\frac{7}{8}$ inches.
