ON THE COVER

USC continued its fantastic heritage of producing Olympic athletes when both Tonie Campbell (left on the front cover) and Bill Green won places on the 1980 U.S. Olympic team. The duo is the latest of 55 Trojans who have won 82 places on U.S. Olympic teams over the years. However, because of the American boycott, neither Campbell nor Green made it to Moscow last year.

Campbell, a junior, set a personal best and tied a USC record of 13.44 in the high hurdles at the Olympic Trials. He finished third in that race behind Renaldo Nehemiah and Dedy Cooper. He was ranked No. 7 in the world last season.

Green, a sophomore, won the Olympic Trials 400 and was second in the NCAAs in a life best of 45.37. He was rated the No. 9 quartermiler in the world in 1980.

Speed. That's the trademark of USC track and field teams. The 1981 squad assembled by 19th-year coach **Vern Wolfe** and his assistant, **Ken Matsuda**, is no exception.

There's two quick Olympians, several members of the collegiate record-holding and defending NCAA championship 400-meter relay team, plus a stable of sprinters that would make any coach envious.

While the Trojans will showcase this talent coast to coast, they'll be competing in limbo this season. USC was penalized for using ineligible athletes in the past and, therefore, cannot participate in either the 1981 Pacific-10 or NCAA championship meets.

"The penalty is a disappointment to the team, coaches and university," said Wolfe. "But the initial shock of the decision last August has worn off. We must make the best of it. We'll just compete with personal pride as best we can."

And the Trojans will also be hobbled by a lack of squad depth, a common problem for them in recent years because of the scholarship limitations imposed by the NCAA. Since USC is a private university with high educational costs, Wolfe can't rely on top walk-ons joining the team.

"We have some quality kids," he noted, "but, as in the last two years, we're lacking in depth for a dual meet. So we'll only have two duals (against Stanford and UCLA) and go to a lot of invitationals."

Still, USC's tracksters figure to post some mighty impressive marks.

Leading the way are two members of America's honorary Olympic team: junior hurdler **Tonie Campbell** (life bests of 13.44 and 51.17) and sophomore quartermiler **Bill Green** (10.58, 20.91, 45.37).

Campbell, ranked No. 7 in the world by *Track & Field News*, improved his time in the highs last year by a mediocre 14.31 to an astonishing 13.44—tying Earl McCullouch's school record. He finished second at the 1980 Pac-10 meet, third at the Olympic Trials and fourth at the NAAs.

Green, the Pac-10 400 champ and NCAA runnerup last year, is ranked ninth in the world by *Track & Field News*. He won the Olympic Trials 400 and anchored USC's winning NCAA 400-meter relay team in 1980.

"Campbell and Green are our two superstars," says Wolfe, "along with long jumper Larry Doubley."

Doubley (26-11 $\frac{3}{4}$, 10.4 100, 21.83 200), the 1977 NCAA long jump champ as a freshman, finished second there last year after winning the Pac-10 title. A senior, he was fourth at the Olympic Trials (making him an alternate to the U.S. team). He's ranked seventh in the world by *Track & Field News*.

USC will be without senior **James Sanford** (10.02, 19.7, 45.77), the top-ranked 100-meter man in the world in 1979 (and No. 4 in 1980). He'll redshirt this season, so he'll be able to compete in the NAAs as a senior in 1982. But James will still run this year, as an unattached entry. He's the 100-meter collegiate record holder and had a simply awesome season in 1980 before hurting his leg in the NCAA meet. He won 12 consecutive 100-meter dashes and nine straight 200s, many against world-class competition.

"He's the top Trojan sprinter of all time," proclaims Wolfe. "He should be a threat to both sprint world records in 1981."

Wolfe says USC's main emphasis this season will be in the 400 and 1600-meter relays. That sprint relay team, which set a college record of 38.69 last year, defended its No. 1 ranking by *Track & Field News* and won its fourth straight NCAA title in 1980. (The 800-meter relay quartet also defended its top billing from *Track & Field News*.)

There will be plenty of speedsters to choose from for both USC relay corps.

Besides Green and Doubley, who has run on the sprint relay before, there's sophomore **Mike Sanford** (10.2, 20.88), James' younger brother. He anchored that 38.69 quartet and has recovered from hamstring problems during his frosh year.

Then there are two top quartermilers: junior **Rod Bethany** (46.02), a consistent performer on the mile relay, and freshman **Mike Turner** (10.38, 20.8, 45.4), one of USC's top recruits. Turner was the U.S.'s top-ranked prep 400 runner in 1980 at Centennial High in Compton and was a member of the American high school record-setting 1600-meter relay squad.

Backing up Campbell in the hurdles are his junior teammates, **Milan Stewart** (13.72, 52.14) and **Philip Johnson** (13.86, 53.3). Both were hobbled by leg injuries last year, but are in top form for 1981. Junior **Jim Tatham** (52.9) and soph **Chris Fank** (55.17) return to give USC help in the intermediates.

The Trojans feature a corps of talented middle distance runners, topped by junior **William Wang** (1:47.3, 3:49.3), the Taiwanese record holder in the 400 and 800. A gummy performer, Wang was sixth in the 1980 league 800. Others to watch are sophomore **Darryl Savage** (1:50.2, 3:56.6), sixth in the Pac-10 800 last year; senior **Ryan Holman** (1:51.0, 3:49.5); and soph **Bill Jackson** (1:52.4, 3:58.9).

USC is thin in the long distance races, as it was last year. The main performers are **Greg Dres** (9:31.4 steeple, 15:08.1 5000) and **David DeLong** (15:00.9), both sophomores.

In the field events, USC has beefed up in an event which it had no performers last year—the javelin. Junior **Barron Rutherford** (240-0), the 1980 Washington state junior college champ, has transferred from Wenatchee JC.

The weight events will be handled by a Trojan football player: sophomore **Don Mosebar** (64-0 $\frac{1}{2}$ hs, 176-0hs), a two-year starting offensive tackle who was second in the shot at the 1979 prep nationals.

Another footballer, senior All-Pac-10 safety **Dennis Smith** (7-2), will head up the high jumpers. He was second at last year's conference meet. Other returning high jumpers are soph **Eric Smyth** (6-10) and senior **Jim Boyd** (6-9).

Two transfers will join with junior returnee **Chuck Suey** (16-1) in the pole vault: juniors **Bert Johnson** (16-6) from El Camino JC (he once vaulted for UCLA) and **Brett Miketta** (16-1) from Glendale CC.

Several other walk-on athletes will round out the Trojan team. They are junior sprinter **Bill Ryan** (10.4, 21.4); senior quartermiler/intermediate hurdler **Ronald Wilkins** (48.0 400, no time 400H); senior long distance runner **Mike McGranahan** (no times); freshman long/triple jumper **Brad Meinhardt** (22-5, 43-2); frosh high jumper **Mike Hardie** (6-5); junior javelin thrower **Rick Vasquez** (180-0); and sophomore hammer thrower **Steve Dirrane** (no marks).

"With a little luck here and there, we could have a pretty well-balanced team," says Wolfe. "We're just a little weak in the distances and some field events."

USC lost several key performers from the 1980 team. Gone are sprinters **Billy Mullins** (10.31, 20.63, 44.84), ranked No. 7 in the 400 by *Track & Field News* last year who owns the school 400 record, and **Kevin Williams** (10.27, 20.8), who led off USC's last three NCAA champion sprint relay teams and who also holds the school's career touchdown reception record; distance man **David Omwansa** (1:45.9, 3:39.5, 14:42.7), the school record holder in the 1500; triple/long jumper **Kenny Hays** (53-3 $\frac{3}{4}$, 26-2); pole vaulter **Jerry Mulligan** (17-4 $\frac{3}{4}$); quartermiler **Ron Williams** (20.92, 45.4), fourth in last year's Pac-10 400; weightmen **John McKenzie** (60-2, 164-7) and **Steve Montgomery** (58-4, 183-0); and high jumpers **Charles Clay** (6-11) and **Chris Searl** (6-6).

VERN WOLFE

Head Coach

When the subject of USC head track coaches comes up, the logical descriptions that follow are superlatives like legendary, highly successful, winningest and so on.

That's because USC has dominated track and field more than any one university has in any single sport. The Trojans have won 26 team titles in the 59-year history of the NCAA Outdoor Track Championships, 30 Pacific Coast or Pac-10 titles, in-

cluding a string of 15 straight, and 38 unbeaten and untied seasons, including a streak of 16 in a row.

First, there was the legendary Dean Cromwell, who began the winning tradition with a record 12 NCAA titles and a dual meet record of 109-48-1 in 38 years.

Then came the perfectionist, Jess Mortensen, whose Trojan teams never lost a dual meet in his 11 years and 64 meets and captured seven national outdoor crowns.

Now, it's Vern Wolfe carrying on the heritage. His teams have contributed seven NCAA titles (five outdoor, two indoor) to place Wolfe tied as the third winningest coach in NCAA Championship history.

In the last five years, Wolfe has seen his team capture two NCAA outdoor titles, and three consecutive mythical national dual meet and Pac-10 crowns. He was honored as Track and Field Coach of the Year for 1978 by both the Columbus Touchdown Club and *Runner's World*.

USC has always been near the top under Wolfe, if not winning. The Trojans have finished among the top four teams in the NCAA Outdoor Championships 13 of his 18 years—six firsts, two seconds, three thirds and two fourths.

Dean Cromwell	USC	12
Ted Banks	UTEP	8
VERN WOLFE	USC	7
Jess Mortensen	USC	7
William Bowerman	Oregon	4
Jim Bush	UCLA	4
Bob Timmons	Kansas	4

Wolfe has a career dual meet record of 102-13-1 (.884) at USC. He also coached undefeated seasons at San Jose State in 1961 and Foothill College in 1962. He has never lost more than two dual meets in any one year.

Currently, Wolfe's Trojans have become the dominant team in the Pacific-10 Conference, the nation's toughest track league. USC has won the conference team title six of the last nine years, giving Wolfe nine Pacific-10 crowns in his career. His 1976 team holds the conference record of 182 points in a Pac-10 Championship meet.

Wolfe has also led the Trojans to eight undefeated seasons in dual meet competition and four national collegiate dual meet championships (1971, 1976-78) since *Track & Field News* began those rankings in 1970.

During his tenure at USC, Wolfe has coached 23 athletes who have broken or tied 29 indoor and outdoor world records. At every Olympics since he became USC coach, except the 1980 Moscow Games, at least one of his athletes has won a gold medal. He's had six Olympic champions, including 200-meter champion Don Quarrie in 1976.

Vern's athletes also have won 27 individual NCAA championships and have broken or tied every USC individual record.

Wolfe was born in Garber, Oklahoma, on July 14, 1922. He graduated from Gardena High School in Los Angeles and won honors as an All-Marine League back in football and in track as a pole vaulter.

He then entered USC, winning a letter with the 1941 frosh track team and the 1942 varsity squad, before being called to military duty. Following three and one-half years with the Paratroops, he was discharged in 1946 and came back to school. He vaulted for Cromwell again in 1947 and 1948 and also obtained his bachelor's and master's degree in education.

Graduating in 1949, Wolfe began his coaching career in 1952 at Torrance High School. He was there three years, then moved on to North Phoenix High School in Arizona for the 1955 season. It was during his six-year reign at North Phoenix that he achieved recognition as one of the nation's most successful prep track and field coaches.

Wolfe has again taken up pole vaulting and competes in senior meets. He won his age division in the Senior Olympics in Georgia three years ago.

COACH VERN WOLFE EVALUATES THE 1981 USC TEAM

DASHES — We're in excellent shape here, as we've got several runners who follow in the tradition of past Trojan sprinters. Bill Green and Mike Turner can run the 400 on down. Mike Sanford will be a sprint specialist. Rod Bethany will concentrate on the 400. Then we have others like Larry Doubley who we can also use. This group makes James Sanford's absence (because of redshirting) a lot easier to deal with.

HURDLES — Again, we'll be excellent here, with three seasoned, quality high hurdlers: Tonie Campbell, Milan Stewart and Philip Johnson. I don't know what Campbell will do for an encore after last year. I expect Jim Tatham and Chris Fank to do a respectable job for us in the intermediates.

MIDDLE AND LONG DISTANCES — We're pretty weak in this area, with the exception of William Wang in the 800. The rest of the group—Darryl Savage, Ryan Holman, Bill Jackson, and Greg Dres—show promise. They're all hard workers who could be pleasant surprises.

RELAYS — It's a pity we can't defend our NCAA sprint title. But our relay teams will compete in meets all over the country. Let me tell you, they are fast! We'll probably use Mike Sanford, Green, Turner and Doubley on the 400 meter group, while Bethany, Green and Turner will be the nucleus of the 1600 meter team. We should continue our dominating tradition in the sprint relay and our 1600 should get down into some fast times, too.

HORIZONTAL JUMPS — Larry Doubley could well approach the 28-foot range in the long jump. We really don't have a triple jumper.

HIGH JUMP — If Dennis Smith isn't distracted by pro football talks and comes out, we'll be very good here. He's a consistent seven-footer and has some backups—Eric Smyth and Jim Boyd—who could also go seven feet.

POLE VAULT — It'll be an interesting year because we have no big name vaulter. But there are several fellows—Bert Johnson, Chuck Suey and Brett Miketta—who have the potential to reach 17 feet.

WEIGHTS — These events rest completely on the shoulders of the football player, Don Mosebar. He has excellent credentials and we hope he can continue his winning high school tradition.

JAVELIN — We're better than average here. Barron Rutherford is an excellent prospect and Rick Vasquez will give us depth in an event where we had no performers last year.

OVERALL — With a little luck here and there, we could have a pretty well-balanced team. We're just a little weak in the distances and some field events.

KEN MATSUDA Assistant Coach

Wherever Ken Matsuda has coached, his track teams have enjoyed extraordinary success. Starting his 24th year of coaching, Matsuda has been on the losing side in dual meets only 11 times.

Matsuda is now in his 15th season as an assistant to Vern Wolfe at USC. He came to USC from Foothill Junior College where he was head coach for three years and his team members set four national JC records. Among his

athletes was former decathlon record holder Russ Hodge.

A graduate of Westchester High School locally, Matsuda was a sprinter and long jumper at San Jose State and also earned two letters on the football team as a halfback.

He began his coaching career in 1957 as an assistant track coach at San Jose State to Bud Winter, who has been a U.S. Olympic coach. His freshman teams were ranked No. 1 in the nation twice during his four years there. He coached under Wolfe there when Vern became San Jose's coach in 1961.

Matsuda then became head track coach at Andrew Hill High School for two seasons where his teams went undefeated before moving to Foothill JC. His pole vaulter, Bill Fosdick, went on to USC and won an NCAA title.

During his career, 11 of his long jumpers have bettered 25 feet. They are Mack Burton at San Jose State, Russ Hodge and Pete d'Eliscu at Foothill JC, and at USC, Earl McCullough, Henry Jackson, NCAA indoor champion Henry Hines, Olympic champion and collegiate record holder Randy Williams, Gerald Hardeman, 1977 NCAA champion Larry Doubley, Kenny Hays, and Joao Carlos de Oliveira, the Brazilian triple jump world record holder.

Matsuda has also coached the Trojan sprint relay teams to nine NCAA titles (including the last four) and 10 Pacific-10 wins.

He and his wife, Janet, have two children, both who attend USC — a daughter who is a senior and a son who is a junior.

(Note: The following biographies are limited to those performers expected to see the most action this season. USC Coach Vern Wolfe's comments are in bold face.)

ROD BETHANY — 6-0, 148, Jr., 400 — A consistent quartermiler, Bethany ran a personal best 46.02 while placing second in last year's UCLA dual. That's the eighth best USC time ever. He also ran four other 400s under 47 seconds and won the 400 in the Cal dual with a 47.0 clocking.

Rod qualified for the 1980 Pac-10 meet, where he finished fifth (47.12), and the NCAAs (46.63 in prelims, but not fast enough to get into the semis).

He also ran a leg on USC's mile relay team, which ran a best of 3:04.7 in the UCLA dual (Rod had a 46.3 split).

"Rod always delivers a good race, but he has the ability to run much better," says Wolfe. "With two years behind him, perhaps 1981 will be Rod's vintage year. If he runs to his potential, we'll have a very good 1600-meter relay squad."

As a freshman, Rod anchored USC's Pac-10 champ and NCAA sixth-place 1600 relay teams. He also finished third in the Pac-10 400 (46.15). He qualified for the NCAAs, where he ran second in his heat (46.36), but placed out of the running in the semis.

Rod was the nation's third fastest prep 440-yard dashman as a senior at Fontana High. He was second in the California state meet (46.93) and, later that day, added a 45.9 relay leg to help his team to third in the mile relay. He won the 440, was third in the 220 and helped the mile relay team win the CIF 4-A Championships.

The Dallas, Tex., native is majoring in sociology at USC.

JIM BOYD — 6-2, 185, Sr., High Jump —

Jim, the son of former USC basketball coach Bob Boyd, jumped in only two meets last year after returning to competition following a year's layoff. He cleared a best of 6-4.

"Jim must develop tough mental discipline and control his jumping technique," says Wolfe. "If he does that, he will jump well and score points for us."

Boyd jumped 6-9 as a senior at El Dorado High and finished fourth in the CIF 2-A meet. That was the second best jump in Orange County.

He went on to Fullerton Community College for a year, clearing a best of 6-8, before transferring to USC in 1978.

He's a pre-dental/sports medicine major at USC. His oldest brother, Bill, played basketball for USC from 1973-1976.

TONIE CAMPBELL — 6-2, 160, Jr., Hurdles —

Talk about improvement, Campbell progressed in a dramatic fashion. He went from a 14.31 high hurdler as a freshman to a U.S. Olympic team member with a life best of 13.44 last year. That time—sixth fastest in the world last year—tied Earl McCullouch's school record and helped Campbell to a number seven world ranking (fifth in the U.S.) by *Track & Field News*.

Tonie had a simply amazing year. He lowered his lifetime best in the highs five times and, along the way, beat the likes of Rod Milburn, Lance Babb and Dedy Cooper while running on the heels of Renaldo Nehemiah and Greg Foster. He won 10 races, finished second 12 times and third six times. Among his wins: a meet and track record 13.6 at the Aztec Invitational, a 13.72 at the Martin Luther King Games, a 13.8 at the Cal dual, a 13.67 at the El Paso Invitational and a 13.55 at an international meet in West Berlin.

He finished second in 13.90 behind Foster at the Pac-10 meet (after winning his heat in 13.99), then ran fourth at the NCAAs (13.66). He placed third in 13.70 at the USA/Lite meet before setting his PR 13.44 for third (behind Nehemiah and Cooper) at the Olympic Trials. Then it was off to tour America and Europe with the honorary U.S. Olympic team, where he recorded fantastic times of 13.53, 13.55, 13.57, 13.58, 13.68, 13.78 and 13.90.

Campbell also competed in the intermediate hurdles, again bringing his time as a freshman (53.04) down to a personal best 51.17 while finishing second at the Cal dual. That's the fifth best time ever at USC. In all, he finished second five times in that race and placed fifth in the Pac-10s (51.56).

"Tonie really blossomed last year," says Wolfe. "And 1981 should be even better. He has proven that he is a world class athlete and he can only get better."

Campbell almost didn't have a chance to compete last year. Because of a mediocre frosh year, the USC coaches talked about revoking his scholarship. But Tonie was determined to prove his worth and, in the summer before his soph year, he worked out three times daily.

"He'll just keep getting better," says USC assistant coach Ken Matsuda. "I don't know if he was overwhelmed his first year that the other guys had more speed than he did or what. But he doesn't care now; he knows that he can do it."

As a freshman, Campbell specialized in the intermediates, finishing second at Arizona State (53.04) and at Stanford (53.16). He ran 14.31 in the trials at the Pac-10 meet, but failed to finish in the finals.

Tonie ran the nation's second fastest prep 440-yard intermediates as a senior at Banning High (53.68). He was fourth in the 330-yard low hurdles at the California state meet and second in the highs and 330 lows at the Los Angeles city meet. He won the Arcadia Invitational over state champ and current USC teammate Philip Johnson. His prep bests: 13.88 in the highs and 36.72 in the 330 lows.

A Dean's List student, Campbell is a biology major at USC. His real first name is Anthony.

DAVID DeLONG — 5-10, 145, So., 5000 — DeLong headed up a rather thin USC long distance corps last year. He won the 5000 at an all-comers meet, finished third another time there, and ran third in the UCLA dual. He had a life best of 15:00.9 in his first race at USC, although he didn't place. Still, that puts him sixth on USC's all-time list.

A miler at John Burroughs High in Burbank, he had a best of 4:19.0. As a senior, he ran in the CIF Southern Section finals and in the SunKist Invitational. He had a personal best of 15:35.0 over a hilly cross country course.

LARRY DOUBLEY — 6-8, 189, Sr., Long Jump — One of America's top long jumpers—ranked third in the U.S. last year by *Track & Field News* and seventh in the world—Doubley won 13 jumps last year and finished second eight times. He just missed making the U.S. Olympic team, placing fourth in the Olympic Trials (25-11 $\frac{3}{4}$).

Larry won the 1980 Pac-10 title (25-11 $\frac{3}{4}$) and was second in the NCAAs, equalling his season best 26-8. That mark broke the Texas stadium record held since 1967 by Ralph Boston, but Doubley was edged out of the NCAA title by Houston's Carl Lewis, who had a wind-aided 27-4 $\frac{3}{4}$. Doubley also finished second behind Larry Myricks in both the USA/Lite and Liberty Bell meets, set a Cromwell Field mark of 26-8 at an all-comers meet at USC, set a meet record 26-3 $\frac{3}{4}$ at the Cal dual and had a wind-aided 27-1 $\frac{1}{4}$ leap at a USC all-comers meet (his first ever over 27 feet).

"Larry has had the best fall workouts of his career," says Wolfe. "He is much faster, stronger and has matured tremendously. His sprinting skills have never looked better and, if his concentration is equal to the task, Larry should reach all of his goals this year."

Doubley also sprinted occasionally for USC last year, having gone 10.4 and 21.83. He also subbed on the 400-meter relay team, including leading off the quartet that won in the UCLA dual (39.18).

He put together a fine year last year, considering he had been out of action two years. Three meets into his sophomore 1978 season, he broke his kneecap and was out for the year. The injury didn't heal completely and bothered him as the 1979 school year began, so he left USC to recuperate. He did very little jumping in 1979.

As a freshman, Doubley won the 1977 NCAA title with a meet record 26-11 $\frac{3}{4}$ (second best on the USC all-time list). That was the world's fourth longest jump that year, ranking him 11th in the world and third in the U.S. He was unbeaten in dual meets and finished second in the Pac-8 meet. He also ran some 100s, winning the Stanford dual in 10.5.

Larry was the nation's top prep long jumper his senior year at Manual Arts High in Los Angeles with a best of 25-11 $\frac{3}{4}$.

He began his career by jumping over cars as a ninth grader and, believe it or not, owns a Guinness World Record for car jumping! He was given the nickname "Baby Ali" by a Los Angeles sportswriter because of his brashness. He's a physical education major at USC.

GREG DRES — 6-1, 160, So., 5000-Steeple — Dres was USC's only steeplechaser last year. He ran a life best (and number five on the all-time USC list) 9:31.4 while placing second in the Cal dual and was fourth in the UCLA dual. He also ran the 5000, going 15:08.1 for third in an all-comers meet at USC. That's the ninth best 5000 time ever at Troy.

"He's a hard working, much improved athlete," Wolfe says. "His fall workouts have shown a solid foundation for a good year and a desire to achieve."

Dres finished eighth in the mile at the L.A. City meet as a senior at Birmingham High in Encino and he darted from 80th to ninth in the 1978 L.A. City cross country finals. He also ran a 4:27 mile and 15:43 on a three-mile cross country course.

Greg is a mechanical engineering major at USC.

CHRIS FANK — 6-1, 170, So., Hurdles — Fank spent last year learning the intermediate hurdles race, after being a sprinter in high school. He finished third in two all-comers races at USC, including a personal best 55.17, and ran fifth in the UCLA dual.

"His work habits and dedication indicate big progress for Chris this year," says Wolfe. "Improved hurdling skill and a year

of experience will give Chris the basics for a productive season."

At Gunn High in Palo Alto, Fank had best times of 22.4 in the 220-yard dash and 48.6 in the 440. He was his team's MVP as a junior and senior. He had many head-to-head matchups with current USC teammate Bill Green, then a sprinter at nearby Cubberley High.

Fank is a business major at USC.

BILL GREEN — 5-10, 160, So., Sprints-400 — Green had an outstanding freshman year at USC in 1980, capped by making the honorary U.S. Olympic team.

Although overshadowed by then Trojan senior Billy Mullins, Green proved his world class caliber. *Track & Field News* ranked him ninth in the world and third in the U.S. last year. He won the Pac-10 400 in 46.48 after going 46.40 to win his heat,

then finished second behind UTEP's Bert Cameron in the NCAA 400 in a personal record 45.37. That's the third best time ever at USC. He won his NCAA heat in 46.17 and was third in the semis in 46.23. Green then won the Olympic Trials, clocking 45.85. In all, he won seven 400 races (including the UCLA dual in 45.78), finished second nine times and third twice.

Bill also ran the 100 and 200, going 10.58 and 21.25 for second in both events in the Cal dual. He finished fifth in the Pac-10 200 in 21.77.

Proving to be a true workhorse, Green was also a key member of USC's 400 and 1600-meter relay squads. He was part of the 400 quartet (along with Kevin Williams and Mike and James Sanford) which defended its NCAA title (winning in 39.16 after collecting a Texas stadium record 39.12 in the heats). He ran on the sprint relay which won at UCLA (39.18), at the El Paso Invitational (38.85), at Cal (in a stadium and meet mark 39.0) and finished second in the Pac-10.

He anchored the mile relay team which ran second in the Pac-10s (3:08.4) and at UCLA (3:04.7). In that UCLA race, Green ran a spectacular 44.8 leg to make up a seven-yard deficit and nearly nip UCLA's Donn Thompson. UCLA won by just .09. He was also on the Trojan quartet which set an American indoor record of 3:06.3 at the Muhammad Ali meet.

"Bill timed his performances perfectly last year," Wolfe says. "He came through big when it counted. He surprised the experts when he won the Olympic Trials. Bill has the credentials for even greater success as a Trojan this year. I expect a good year from him; he comes to run!"

As a senior at Cubberley High in Palo Alto, Bill was ranked sixth in the world (and third in the U.S.) in the 400 in 1979 by *Track & Field News*. He was the magazine's top prep 400 man for the second consecutive year and the third-ranked prep 100 runner.

He owns the national prep 400 record (45.51), which he set

while running third in the 1979 AAU. He also ran six other races between 45.85 and 46.11 and was undefeated in the 400. He won the California state 100 as a senior (ahead of USC teammate Michael Sanford) and was first in the 440, but was disqualified. He won the quartermile in the 1978 state meet. He had bests of 9.56 for 100 yards and 20.91 for 200 meters.

He's a communications major at USC. Green was born in Pittsburgh, Penn.

RYAN HOLMAN — 6-1, 155, Sr., 800-1500 — Holman gave USC depth in the middle distance events last year. He mainly ran the 1500, recording a personal best 3:49.5 while running third in the UCLA dual. That's the sixth best time ever at USC. He qualified for the Pac-10 meet, but placed seventh in his heat (3:58.3) and did not advance. He also ran the 800, with a best of 1:55.6.

"Last year was a learning experience for Ryan, but it was a productive year," says Wolfe. "With a season of Pac-10 running behind him, Ryan looks like he will make a big move this year. He has a good attitude and is a hard worker who wants to succeed."

Holman transferred to USC in the spring semester of 1980 from Los Angeles City College, where he was an all-conference runner. He ran bests of 1:51.0 in the 800, 3:55.0 in the 1500 and 15:24.0 in the 5000. He also ran a four-mile cross country course in 20:03.0.

Ryan attended Dorsey High in Los Angeles, where he clocked times of 1:47.0 in the 880-yard run and 4:28.0 in the mile.

He's a communications major at USC. Ryan was born in St. Louis.

BILL JACKSON — 5-8, 144, So., 800-1500 — Another of USC's talented middle distance runners, Jackson ran a lifetime best of 3:58.9 for second in an all-comers meet at USC last year. He also ran a 1:53.5 800 at another Cromwell Field race. He competed mostly in the first half of last year's campaign.

"He has the physical equipment to run well and should make his presence felt in 1981," says Wolfe. "But he must work on his mental discipline and aggressiveness."

Jackson was an All-L.A. City and All-Marine League runner at Gardena High, alma mater of current Trojan hurdler Philip Johnson. Bill ran a personal best and school record 1:52.4 in the 800 while finishing fourth in the Arcadia Invitational as a senior. He also clocked a 49.4 in the 440 yard dash.

His first name is James, but he goes by Bill. He was born in Savannah, Ga. At USC, he's a physical education major.

BERT JOHNSON — 6-0, 175, Jr., Pole Vault — Johnson once scored a point in the USC-UCLA dual meet—for the Bruins! He competed for USC's crosstown rivals in 1978, but left to become a Trojan. Along the way, he attended El Camino College in Torrance in 1979 before transferring to USC last spring.

Bert had to sit out last year's track season because of the transfer, but he did

compete as an unattached entry. He cleared 16-6 (equalling his life best) last year while winning an all-comers meet at Harbor JC—and did that while wearing a borrowed pair of shoes replacing his lost ones. He went over 16-0 three other times in 1980.

His top height at UCLA was 16-0½, which he did while placing third in the USC dual. At El Camino, he was the Metropolitan Conference champ in 1979, with a best of 16-6.

Johnson went to Gardena High (alma mater of current Trojans Philip Johnson—no relation—and Bill Jackson). He was an All-Marine League and All-L.A. City vaulter in 1976 and 1977, going a best of 15-6.

"Having waited two years to become a Trojan, Bert is anxious to compete," says Wolfe. "All that stands in the way of his joining the 17-foot club is improvement of his technique. His mental toughness must be cultivated as well. But he has all the physical tools."

He's an economics major at USC.

PHILIP JOHNSON — 6-0, 178, Jr., Hurdles — One of USC's trio of excellent junior hurdlers (along with Tonie Campbell and Milan Stewart), Johnson has the seventh best time ever at USC in the highs—a personal best 13.86 (while winning a heat at the Aztec Invitational) last year.

Johnson qualified for the NCAAs, but finished sixth in his heat and did not advance. He didn't run in the Pac-10 meet.

He was third in the UCLA dual (13.99) and Cal dual (14.1). He also ran the 400-meter intermediate hurdles (53.75 best) and 100-meter dash (10.73 best), as well as leadoff on several sprint relay teams (one quartet clocked 38.85 to win the El Paso Invitational and another ran 39.0 in the Cal dual for a stadium and meet record).

He did all this despite being plagued by nagging leg injuries, which also hampered him most of his freshman year.

"Philip needs to improve all the disciplines that are necessary for athletic success," says Wolfe. "The talent is there, but Philip must be ready to deliver when the time comes to perform."

He finished fifth in the Pac-10 highs (14.12) as a sophomore. He also won the highs in the Arizona dual (14.0), was second twice and third once. He won the intermediates in the Long Beach Relays (53.9) and had a personal best 53.3 while second against Arizona.

Johnson was ranked third nationally in the highs as a senior at Gardena High. He equalled the fastest prep time of 1978 (13.3) while placing second at the Golden West Invitational. He won the highs at the L.A. City championships and was second in the California state meet to USC teammate Milan Stewart, despite hitting the first hurdle and losing a shoe and sock at the ninth. He also ran a 10.5 100 in 1978. He was coached at Gardena by his brother, Ed Johnson.

Philip is a public administration major at USC.

DON MOSEBAR — 6-7, 265, So., Shot Put-Discus — The two-year starting weakside offensive tackle on the Trojan football team, Mosebar will participate in the weight events for the track squad after a year lay-off from competition.

In his senior year at Mt. Whitney High in Visalia, Don put the 12-pound prep shot 64-0½ to finish second in the national championships in Chicago. He came from

way behind (a foot-and-a-half) on his last throw to get that second behind Michael Carter, now at SMU. At the California state meet, he won the shot with a 62-6 heave and was sixth in the discus. He threw the prep discus a best of 176-0.

He was a unanimous prep All-American offensive tackle as a senior at Mt. Whitney. His team was 25-1 his last two years there and running backs averaged eight yards per carry over his tackle spot. He's quick for his size, going 5.0 in the 40.

Mosebar replaced Anthony Munoz, now with the Cincinnati Bengals, 10 minutes into USC's first game of the 1979 season (Munoz injured his knee) and started nine games as a freshman until he tore knee ligaments prior to the UCLA game. He recuperated well and started each game for the 8-2-1 Trojans this past season.

A fine student, Don was named to the Pac-10 All-Academic team in 1980 with a 3.1 grade point average (out of 4.0) as a business major.

"Don has the size and range to be a good double weight man for us," says Wolfe. "He'll have to carry the entire load in the shot put and discus."

BARRON RUTHERFORD — 5-10, 170, Jr., Javelin — One of USC's top newcomers, transfer Rutherford will give the Trojans help in an event—the javelin—where they didn't have any competitors last season.

Rutherford was the state junior college champ last year at Wenatchee JC in Washington. He had a best of 240-0. In 1979, he was the state JC runnerup and the junior national champion.

At Timberline High in Olympia, Wash., he was Washington's AA state champ as a senior. He was also the Junior Olympics national champ. His best prep heave was 215-2.

"Barron is an excellent prospect," notes Wolfe. "He's a strong, dedicated, hard worker with the desire to improve. He's a tough competitor who should reach the 250-260 range this year. His fall workouts indicate he can do it."

At USC, Rutherford is majoring in recreation.

JAMES SANFORD — 6-0, 175, Sr., Sprints — Although he's redshirting this year, track fans will still be able to enjoy James' running talents as he'll compete in many local races as an unattached entrant.

Through most of last year, Sanford was untouchable in the sprints. He was ranked fourth in the world and second in the U.S. by *Track & Field News*. The junior won 12 100-meter dashes in a row before losing on June 1 to Houston's Carl Lewis at the Brooks meet in Berkeley. It was his first loss since June 30, 1979 and his slowest race of the year (10.49).

How about this chronological string of winning 100s: 10.37, 10.43, 10.48 (into a 4.3 mps headwind), 10.32, 10.26, 10.03 (at the El Paso Invitational, the fourth best time ever then, the fastest in the world the past two years, a stadium record, and an NCAA, Pac-10 and USC mark), 9.88 wind-aided (at the UCLA dual, the second fastest 100 ever), 10.3, 10.02 (at the Pepsi Invitational, the fastest time at sea level, the second fastest by an American, the fourth fastest ever by anyone, best time in 1979 and 1980, a new NCAA, Pac-10 and USC record), 10.0, 10.10 (for first in the Pac-10 meet, a meet and stadium record, after running a 10.39 in the heats).

After losing in the Brooks meet, Sanford won a 10.00 wind-aided heat and 10.07 wind-aided semifinal in the NCAA before being nipped in the finals by Stanley Floyd of Auburn (10.10) and Florida State's Mike Stanberry (10.12). Sanford was third in 10.12 also.

During the span, Sanford also won nine 200s in a row before getting right leg cramps and straining a hamstring muscle coming out of the turn in the NCAA finals and faltering to eighth (still, he ran a 20.91). *Track & Field News* ranked him eighth in the world and fourth in the U.S.

Here's a chronological list of his victorious 200 clockings: 21.05, 20.43, 20.73, 19.7 (at El Paso Invitational, a Pac-10 and stadium record), 20.26 (at the UCLA dual, then fastest in the world in 1980), 20.61 (to win the Pac-10s after a 21.06 heat win), 20.21 wind-aided and 19.94 wind-aided (the last two coming in the heats and semis, respectively, of the NCAAAs).

For good measure, he set a meet record for 300 yards at the Husker Indoor (30.51) and ran a 47.07 400 for third in the Cal dual.

He also ran the third leg on USC's 400-meter relay team, a quartet which set an NCAA and USC record of 38.69 in its first outing of 1980 (with Kevin Williams, Billy Mullins and brother Mike Sanford) and defended its NCAA title (39.16 with Bill Green replacing Mullins), among other achievements. Sanford also ran on a few mile relay teams, including the second place finishers in the Pac-10 meet, the American indoor record-setting group at the Muhammad Ali meet (3:06.3) and the winners at the Aztec Invitational (3:04.2 for 1600 meters).

No wonder Sanford was named the Pac-10 Track Athlete of the Year, twice Pac-10 Athlete of the Week, and recipient of the Southern California Trackwriters' Golden Spike Award.

After the NCAA meet, Sanford took the rest of the summer off to recuperate from his leg injury. But he's healthy now.

"He's the top Trojan sprinter of all time," says Wolfe. "We're redshirting him this year so he can compete in the NCAAAs his senior year (USC is ineligible to compete in this year's NCAAAs).

"He has improved dramatically each year and there's every reason to believe we'll see even better marks in 1981. He can run with anyone in the world and should be a threat to both the 100 and 200 world records."

Sanford's sophomore year was just as amazing...and blazing...as his junior campaign. He was ranked No. 1 in the world in 1979 in the 100 and sixth in the 200 (second in the U.S.) by *Track & Field News*.

He was the Pac-10 champ and NCAA runnerup in the 100 (10.37, 10.2), ran second in the Pac-10 200 (20.71), was the third leg on USC's NCAA and Pac-10 champ 400 relay teams, and led off USC's 1600-meter relay squad which won the league and finished sixth in the NCAA.

He won six 100s, including wins in the AAU (his season best 10.07) and World Cup (10.17), surprising the experts. And he captured four 200s, including his 1979 best of 20.19 while edging UCLA's Greg Foster (No. 1 in the U.S. then) in the cross-town dual. James also ran 10.12 to win the 100 that day, quite a double!

As a 1978 freshman, he was third in the NCAA 200 and anchored the winning sprint relay team. His 20.24 for second behind Clancy Edwards in the Pac-8 200 gave him the second fastest college time in 1978 and fifth fastest in the world. He was ranked No. 9 in the world (fourth in the U.S.) in the 200 that year and No. 8 in the nation in the 100 (although rarely running that event). He was second in the Pac-8 400 and ran on the winning sprint and mile relay teams. He had a best of 45.77 in the 400 (still sixth on the all-time Trojan list).

Additionally, he ran second leg on USC's world-record 800-meter relay team (1:20.3), anchored the then college-record 400 quartet (38.85), and was second leg of the school-record mile relay unit (3:03.3) with a 45.7 split.

Interestingly, James came to USC as a quartermiler, but a sore back forced him into the shorter races after his freshman year. He was the nation's top-ranked prep in the 220 and No. 3 in the 440 as a senior at Pasadena High in 1977. He won the California state meet 440, was second in the 220 and ran anchor legs on the winning sprint and mile relay teams to help Pasadena to the title. He had bests of 20.80 and 46.60.

Sanford is majoring in public administration at USC.

MIKE SANFORD — 5-10, 165, So., Sprints —

Mike, the younger brother of Trojan sprinter James Sanford, missed much of last season with a pulled hamstring in his left leg. He competed early in the year and then not again until the Pac-10 meet.

Still, he combined with James to continue USC's track tradition of superb brother acts. He ran a best of 10.3 in a heat at the Aztec Invitational and had clockings of 10.58, 10.64, 10.65, and 10.70. He finished fifth in the Pac-10 100 in 10.76 (after going third in his heat in 10.79).

Mike also ran a few 200s, with a best of 21.28. He finished seventh in a Pac-10 meet heat in 22.67.

His finest accomplishments last year, though, were as a member of the sprint relay team. He anchored USC's collegiate record-setting 38.69 quartet (with Kevin Williams, Billy Mullins and brother James). He was the second leg on the NCAA titlists who went 39.16 in the finals after setting a Texas stadium mark of 39.12 in a heat. He also led off the Pac-10 second place unit and was the third leg on a group which set a 440-yard stadium record (39.28) at the LSU Invitational.

"Mike's attitude and maturity has improved greatly," says Wolfe. "Watch out for him in 1981. He has lots of talent and is eager to display it. But he must work hard on each mental discipline which insures fine performances."

Mike led the nation's preps with clockings of 9.44 in the 100-yard dash and 20.88 in the 200 meters as a senior at Pasadena High. He also had a 10.2 100-meters. He was No. 2 in the prep 100 and 200 rankings by *Track & Field News*.

He was named the Citizens Savings Athletic Foundation's Southern Section 1979 Athlete of the Year. He won the CIF State 200 (21.0), finished second in the state 100 behind current USC teammate Bill Green, ran on the winning state 440-yard relay team, and finished second in the International Prep Invitational 200 in Illinois. He was also the California state champ in the 100 and 200 in 1978.

Additionally, he was a 1,000-yard rusher at Pasadena in 1979.

DARRYL SAVAGE — 6-0, 160, So., 800-1500 —

Darryl was a pleasant surprise for the Trojans last year, having finished sixth in the Pac-10 800 (1:51.8). Along the way, he lowered his personal best four times, from a 1:52.3 to a 1:50.2 (while placing fourth in the heat of the Pac-10 event). That's the eighth best USC time ever. He also finished third in the Cal dual (1:52.7).

Savage also ran a few 1500s, with a personal best of 3:56.6 for first in an all-comers meet at USC. That puts him in the tenth spot on the all-time Trojan ladder.

"Darryl gained invaluable experience as a freshman," says Wolfe. "He consistently ran good times and could make a big move to establish himself as a quality half-miler this year. He's a smart kid. He reminds me of Lloyd Johnson (who shares the USC 800 record)."

Darryl captained Northridge's Monroe High as a senior. He ran the 800 in 1:52.3, the mile in 4:21 and the 440 in 49.4. He finished third in both the L.A. City meet and the Arcadia Invitational 800 in 1979, and was eighth in the California state finals.

He's a broadcast journalism major at USC.

DENNIS SMITH — 6-3, 205, Sr., High Jump — Smith is that rare athlete who excels in two sports. A three-year starting safety for USC's football team, he's also USC's second best high jumper ever (having gone 7-2).

Smith cleared that 7-2 (equalling a personal best) while placing second in last year's Pac-10 meet. And he did that with a cast on his right wrist, due to an injury suffered in spring football practice. Smith had several other fine marks in 1980: 7-0½ at the LSU Invitational, 7-0 at an all-comers meet at USC, and 6-10 at both the El Paso Invitational and the UCLA dual (for third place). He went to the NCAAs, but failed to clear the opening 7-0 height.

"Dennis could develop into one of the better college jumpers in the country, especially since he won't have spring football this year," says Wolfe. "He can just go out and enjoy high jumping. His performance can sure give us a shot in the arm."

Smith jumped in only one meet as a sophomore. With just a few days of practice, he cleared 7-0 for second in the UCLA dual. He did the same thing as a freshman. With just two days of practice, he cleared 7-0 against UCLA for second place, then two weeks later went 7-0 again for third in the Pac-8.

Smith is third on USC's career interception list with 16. He had four this year, as well as 61 tackles, seven pass deflections and two fumble recoveries. A pre-season All-American, he made the first team All-Pac-10 team and third team AP All-American, both for the second year in a row. He figures to be a high NFL draft choice this spring.

Smith won the California state high jump title his senior year at Santa Monica High with a 7-2 leap, breaking Dwight Stones' state mark. He was a prep All-American in football and the 1976 Co-CIF 4-A Player of the Year as a defensive back/wide receiver.

He's a speech communications major at USC. His nickname is "Kojak."

ERIC SMYTH — 6-1, 172, So., High Jump — Smyth cleared 6-8 last year for the Trojans and had several other jumps over 6-6. His season best came as he won an invitational meet at Harbor Junior College.

"Eric should move into the seven-foot range this year," predicts Wolfe. "He works hard and will improve with experience. When his concentration and techniques improve, he'll be able to score consistently

for us."

Smyth was the CIF 2-A high jump champ and was fourth in the California state finals as a senior at Dana Hills High. He

cleared a personal best 6-10 at both meets. He also won the South Coast League title as a junior and senior.

He's a business administration/venture management major at USC. He came to Troy owning a 3.98 (out of 4.0) prep grade point average.

MILAN STEWART — 6-0, 175, Jr., Hurdles — Stewart was slowed most of last year with nagging leg injuries, missing most of April and May with the injury. Still, he gave the Trojans a potent hurdles attack (along with fellow juniors Tonie Campbell and Philip Johnson) and lowered his lifetime best to 13.72 (fourth on the all-time USC list) while tying for first in a heat of the USA/Lite meet. He recorded that time again in the semis, then ran 13.77 to finish fifth in the finals.

He also competed in the Olympic Trials where he made it to the semis, but failed to finish the race (he ran second in the quarterfinals with a 13.75). Stewart raced at both the Pac-10 and NCAA, but was disqualified in the league finals and, despite a 13.91 in the heats, didn't qualify for the NCAA finals.

He won three high hurdles races last season, including a 13.92 at the LSU Invitational and a 13.89 at the San Diego Classic. He also ran several intermediates, going a season best of 52.35 in a heat at the Pac-10s (not fast enough to advance). He recorded other times of 52.50, 52.60, 52.61, 52.69 and 52.96.

"With two years experience behind him, I look for Milan to have a very good year," says Wolfe. "He ran well at times last year, but he needs to set goals and establish discipline to attain them."

Stewart was USC's top hurdler as a freshman, placing sixth at the Pac-10 meet (14.42). He set a USC freshman record 13.7 in the NCAA trials (but placed out of the running in the semis). He won three races and was second twice in 1979. And he recorded a life best 52.14 intermediate time in the Pac-10 trials (that's ninth on the Trojan career chart).

At West Covina High, Stewart won the highs at both the California state and CIF 3-A Southern Section meets. He had bests of 13.84 over the prep highs and 14.42 (and a wind-aided 13.73) over the 42-inch barrier. At the CIF meet, he was also third in the 330 lows (38.63) and long jump (22-6½) and fourth in the triple jump (46-4). His bests in those events were 37.4, 23-11½ and 48-6.

He's a psychology major at USC.

CHUCK SUEY — 6-1, 180, Jr., Pole Vault — Suey didn't vault much last year, but he did manage to clear 16-1 this summer and 16-0 while placing third at the El Paso Invitational. He was third in the UCLA dual (15-6), too.

As a freshman, he again only vaulted a few times, topping 15-0.

"Seventeen feet is within his reach in 1981," says Wolfe, himself a longtime pole vaulter. "As he masters technique problems and improves his overall discipline, Chuck will score for us."

At Eagle Rock High, he cleared a best of 15-7. He was second in the 1978 L.A. City Championships (14-4) and won the Northern League title that year.

He enjoys ice hockey and was invited to the U.S. Olympic Ice Hockey Training Center two years in a row.

JIM TATHAM — 6-2, 167, Jr., Hurdles — Tatham improved his time in each of his first five intermediate hurdles races at USC last year, going from a 54.62 to a 52.9 life best at the El Paso Invitational. In his only other race, he finished fourth in the UCLA dual in 53.67.

"Here's an athlete with courage and dedication who I think will be successful," says Wolfe. "As he improves, he'll be in

there for points every time he runs. I expect him to make a big move this year."

Jim didn't compete at USC as a freshman. And he was just learning the intermediate hurdles race last year, because he didn't compete in that event at Muskego High in Hales Corners, Wisc. He ran the highs (best of 15.01), won the conference triple jump, went 6-2 in the high jump, ran the quarter-mile and was on the 880-yard relay team which went to the state meet. He captained both the track and swimming teams as a senior.

He's a mechanical engineering major at USC. He was born in Denver.

MIKE TURNER — 5-10, 158, Fr., Sprints — USC didn't have to try too hard to woo Turner, its top recruit. During his senior season at Centennial High in Compton, Turner proclaimed "I want to go to USC so bad I can taste it!"

Turner was rated the top prep 400-meter runner last year by *Track & Field News*—the second year in a row USC has landed the No. 1 high school quartermiler (Bill Green had that title in 1978 and 1979).

He was the California state 400 champ (47.51) and finished third in the state 100 (10.73). He ran under 48.0 six times last year, including a best of 46.92 on a cold, windy day while winning the CIF 2-A race. That was the third fastest prep 400 of 1980. He also won the 100 at that meet in 10.57. He went 47.91 for first at the Arcadia Invitational. Mike had bests of 10.38 in the 100 and 20.8 in the 200 last year.

Turner also anchored Centennial's national high school record 1600-meter relay team (3:10.37 at the state meet). Turner ran a 46.7 leg during that record. That relay quartet was ranked No. 1 last season by *Track & Field News* and also won at the CIF 2-A and Arcadia Invitational meets.

As a junior, Turner won the CIF 4-A 400 in 48.8 and finished fifth in the CIF 4-A 200 as a sophomore.

"Mike has established himself as a premier prospect in any race from the 100 to 400," says Wolfe. "He is strong, tough and can run with anyone. Look for a few surprises from him as he makes his Trojan debut."

He's a recreation major at USC. Mike was born in Natchitoches, La.

WILLIAM WANG — 5-10, 148, Jr., 800-1500 — Wang, the epitome of the "gutter performer," excited track fans with his aggressive running last year.

He didn't become eligible to compete for USC until mid-March, having transferred from San Bernardino Valley College. So he ran unattached in USC's first four meets. In his first race, an all-comers meet at USC, he set a life best of 3:49.3

(fifth best on the all-time USC list), placing second behind Trojan David Omwansa.

But he concentrated on the half mile, winning the UCLA dual in a personal best 1:47.3 (No. 4 on the Trojan career chart and a record in his homeland of Taiwan). He won one other 800, finished second four times and third once (1:48.3 at the Pepsi Invitational). He was fourth in the Pac-10 800 in 1:50.4 and finished sixth in his heat at the NCAAs, but did not qualify for the semis. He also ran impressively at the USA/Lite meet, going 1:48.8 for second in a heat and 1:48.7 for an unqualifying sixth in the semis.

"With his college experience from last year, William is ready to run much better in 1981," says Wolfe. "He has a good attitude and works hard. But he needs to develop his natural speed and must run well consistently."

Wang is also the Taiwanese record holder in the 400 (46.8). A native of Ping Tong, Taiwan, he was his country's prep champ in both the 400 (in a high school record 47.6) and 800 in 1976. He made Taiwan's Olympic team that year, but did not make it to Montreal because his team didn't compete there.

He went on to the University of Taipei for a year-and-a-half, where he set his national 400 mark. He came to America in 1978, enrolling at San Bernardino JC. Despite running with an injured heel, he was second in the 800 (1:50.6) in the California state JC meet. The sore heel sidelined him all of 1979.

He's a computer science major at USC. His full name is Rong Hwa Wang.

DUAL MEET RANKINGS

USC has won four mythical dual meet titles since 1970, the year *Track & Field News* correspondent John Wenos began his rating system. The rankings are based on toughness of schedule, depth of performances, head-to-head competition and hypothetical competition. USC's four crowns stands second only to UCLA's six. Oregon is the only other team to crack the top spot (in 1979) since the ratings were devised. Here's a look at USC's yearly placings:

1980—9th	1974—2nd
1979—3rd	1973—4th
1978—1st	1972—3rd

Events over one lap are officially recorded in tenths and no auto timing factors are therefore presented.

100 yard, 100 meter, 200 meter, 220 yard hand times are converted to automatic "equivalents" by adding a factor of 0.24; 400 meter flat and hurdles, add 0.14; 400 relay, add 0.14; hand-timed yards to automatic metric equivalent; 440 yards flat and hurdles, subtract 0.16; 440 relay, subtract 0.06; hand-timed decathlons are worth about an extra 75 points compared to an automatically timed ten-eventer.

CHAMPIONS AND RECORD HOLDERS

WORLD RECORDS: 60 USC trackmen have equalled or bettered world records since 1912.

OLYMPIC GAMES: USC trackmen have won 19 individual Olympic titles and have shared in ten relay victories. Fifty-five men have won a total of 82 places on United States Olympic teams.

NCAA CHAMPIONSHIPS: USC has won 26 out of 59 NCAA meets completed in since its beginning in 1921. On 10 occasions they have finished second. The Trojans won nine in a row (1935-1943), and seven straight (1949-1955). They have also won two NCAA Indoor Championships since its beginning in 1965. A total of 94 individual championships highlight the record.

NATIONAL TAC CHAMPIONSHIPS: USC trackmen have won 85 individual senior TAC (formerly AAU) championships.

ALL-TIME TOP TEN USC PERFORMANCES

Listed below are the top ten performances in each event by USC track performers during seasons in which they represented USC, either as a freshman or varsity performer. It does not include marks made before or after attending USC, or during seasons in which they did not compete for USC. An athlete will only be listed once for each event.

(Note: Rankings are based on the conversion of plus .24 seconds from hand timing to electronic timing in all races up to and including 400 meters, as established by the NCAA, and are marked with a "+". For races above 400 meters, the electronic time is rounded off to the nearest tenth and marked with an "e". An "n" means non-winning.)

CROMWELL TRACK AND FIELD

Cromwell Track and Field was completely refurbished in 1979. The renovation allows the Trojans to hold home on-campus meets, something that hadn't been done since Coach Vern Wolfe came to USC in 1963.

An all-weather polyurethane surface was installed for the track, which has eight 42-inch lanes. It's an extremely fast surface built for speed. All new runways, pits and field event areas were put in and new equipment was purchased. An equipment storeroom and an adjoining weightroom were built on the track's southwest perimeter.

Although there's no spectator stands yet, a \$1.8 million fundraising drive is on and when that financial goal is reached, a permanent doubledeck stadium seating 5,000 people will be constructed. Coach Wolfe anticipates this structure will be completed prior to 1984, when Los Angeles hosts the Olympics. Cromwell Field could then be used as a warm-up area for Olympic athletes, performing in the nearby Coliseum.

TROJANS IN WORLD RANKINGS

USC athletes have earned more places in the top ten in the world (and top 15 between 1975 and 1978) than any university in the nation. The rankings are compiled by *Track & Field News*, the bible of the sport. Since the rankings were begun in 1947, 65 different Trojans have placed among the world's best 235 times.

USC'S ATHLETIC HERITAGE

USC's athletic excellence is recognized throughout the world of intercollegiate athletics.

Trojan teams have captured more NCAA championships—63—than any university in the nation and the university's football team has been declared mythical national champions on eight occasions.

Here is the up-to-date list of USC national titles and the coaches of the winning teams.
