THIS AGREEMENT is made this _____ day of _____, 20 24, by and between Seth Larman Lic # 70002235 Interior Exterior Home Inspection, Inc. (hereinafter "INSPECTOR") and the undersigned ("CLIENT"), collectively referred to herein as "the Parties." The Parties understand and voluntarily agree as follows:

1. **Permission to Enter Property:** The CLIENT is responsible for ensuring that the INSPECTOR has permission to enter the Inspected Property to perform the home inspection on the date scheduled. The INSPECTOR is not responsible for any disruption in the inspection process caused by construction, renovations, painting, cleaning, or any other activity occurring at the Inspected Property at the time of the inspection.

2. **Assumption of Risk of Injury:** The INSPECTOR has no knowledge or information concerning the conditions of the Inspected Property and will not see any conditions until the time of the home inspection. The CLIENT is encouraged to attend the home inspection but assumes all risks and responsibility for any injury (including, but not limited to, personal injury, bodily injury, disability, and death), illness, damage, loss, claim, liability, or expense of any kind, that CLIENT may experience or incur in connection with attending the home inspection. CLIENT releases, discharges, and holds harmless INSPECTOR, its employees, agents, and representatives, of and from any such claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating to attending the home inspection.

3. **Scope of Services:** The INSPECTOR agrees to provide professional home inspection services to the CLIENT in conformance with the Oklahoma Construction Industries Board Home Inspection Industry Regulations, OAC 158:70-1-1, et seq. ("OK Standards"), and this Agreement. Although the INSPECTOR agrees to follow the OK Standards, CLIENT understands that these Standards contain limitations, exceptions, and exclusions. CLIENT understands that InterNACHI is not a party to this Agreement and has no control over the INSPECTOR or representations made by the INSPECTOR and does not supervise the INSPECTOR. The inspection is a visual examination of any or all the readily accessible physical real property and improvements to real property consisting of four or fewer dwelling units, including structural, lot drainage, roof, electrical, plumbing, heating and air conditioning and such other areas of concern as are specified in writing to determine if performance is as intended and to identify defects. The inspection is based on the observations made on the date of the inspection, and not a prediction of future conditions. A **defect** means a condition, malfunction, or problem, which is not decorative or cosmetic, that would have a materially adverse effect on the value of a system or component or would impair the health or safety of the occupants or CLIENT.

4. **Home Inspection Report:** The CLIENT and the INSPECTOR agree that the INSPECTOR will prepare a home inspection report that shall include: (a) those systems and components inspected, which in the professional opinion of the INSPECTOR, are in normal working order; (b) those systems and components inspected which, in the professional opinion of the INSPECTOR, are not in normal working order and the reason, if not self-evident; (c) those systems and

components inspected which, in the professional opinion of the INSPECTOR, could impair the safety of the occupants or CLIENT and the reason, if not self-evident; (d) the INSPECTOR'S recommendations to have corrected, further evaluated or monitored any reported condition or defect; and, (e) any systems and components designated for inspection in the OK Standards, which were present at the time of the inspection but were not inspected and the reason they were not inspected.

5. **General Exclusions:** An inspection **IS NOT** technically exhaustive. An inspection **WILL NOT** identify concealed or latent defects, or deal with aesthetic concerns or what could be deemed matters of taste, cosmetic defects, etc. An inspection **DOES NOT** include items not permanently installed. The inspection services **DO NOT INCLUDE** any action, system or component specifically excluded from the scope of work in any provision of the OK Standards. The INSPECTOR **IS NOT REQUIRED TO:** (a) perform any action or make any determination unless specifically stated in the OK Standards, except as may be required by lawful authority; (b) determine the condition of systems or components which are not readily accessible; (c) determine the remaining life of any system or component; (d) determine the strength, adequacy, effectiveness, efficiency or insurability of any system or component; (e) determine the causes of any condition or defect; (f) determine the methods or materials for repair or correction of any defect; (g) determine future conditions including, but not limited to, failure of systems and components; (h) determine the suitability of the Inspected Property for any specialized use or compliance with any regulatory requirements; (i) determine the presence of potentially hazardous plants or animals, including, but not limited to, wood-destroying organisms, mold, mildew, fungi, or diseases harmful to humans; (j) determine the presence of any environmental hazards including, but not limited to, toxins, carcinogens, noise, and contaminants in soil, water, or air; (k) identify the presence of or determine the effectiveness of any system installed or methods utilized to control or remove suspected hazardous substances; (l) determine the operating costs of any system or component; (m) determine the acoustical properties of any system or component; (n) perform engineering or architectural services or perform work in any trade or professional service other than home inspections; (o) provide warranties or guarantees of any kind; (p) operate any system or component which is shut down or otherwise inoperable or turn on any utility services; (q) operate any system or component which does not respond to normal operating controls, or shut-off valves; (r) enter any area which will, in the opinion of the INSPECTOR, likely be dangerous to the inspector or other persons or may damage the Inspected Property or its systems or components; (s) enter the under-floor crawl spaces, attics or any area which, in the opinion of the INSPECTOR, is not readily accessible; (t) inspect or determine the integrity of underground systems or components, including, but not limited to, main drain lines connecting to sewers, water lines, gas lines, electrical lines and underground storage tanks or other underground indications of their presence whether abandoned or active; (u) inspect systems or components which are not installed, decorative items, systems or components located in areas that are not entered in accordance with the OK Standards, detached structures other than garages and carports, or common elements and areas in multi-unit housing, such as condominium properties or cooperative housing; (v) move suspended ceiling tiles, personal property, furniture, equipment, plants, soil, snow, ice, or debris; (w) dismantle any system or component, except as explicitly required by the OK Standards; (x) light any standing gas pilot light that does not have a spark-igniter, including but not limited to heating systems, water heaters and fireplaces; or, (y) determine the cost to correct any defect or provide cost estimates. The INSPECTOR **IS NOT REQUIRED TO DETERMINE:** whether any system or component of the Inspected Property has been affected by the illegal manufacture, distribution, storage, possession or sale of any illicit drugs, products, or by-products, including, but not limited to, methamphetamines, and including all chemicals, tools, household fixtures or appliances used to facilitate such illegal activities. The CLIENT and the INSPECTOR agree that the scope of the inspection to be performed pursuant to this Agreement **DOES NOT INCLUDE** decay of the interior of logs in log walls, log foundations or roofs, or similar defects in log homes, log structures or similar log construction. The CLIENT and the INSPECTOR agree that the INSPECTOR **IS NOT REQUIRED TO PERFORM** any action or task specifically excluded from the scope of a general home inspection as contained in the OK Standards, whether or not specifically identified herein.

6. **No Liability for Third-Party Service Providers:** The INSPECTOR may, where appropriate, recommend third-party service providers to supply goods and/or services to CLIENT in accordance with the home inspection services. CLIENT understands and agrees that the INSPECTOR bears no legal or contractual responsibility to the CLIENT for any actions or inactions of any such third-party service provider. No third-party service provider shall have the authority to incur or create any liability or obligation in the name of the INSPECTOR, or for which the INSPECTOR shall be liable to another.

7. **No Liability for Third-Party Reliance on Inspection Report:** The inspection and home inspection report are for the use of CLIENT only. INSPECTOR may also provide a copy of the home inspection report to the CLIENT'S real estate agent or attorney. INSPECTOR has permission to discuss observations with real estate agents, owners, repairpersons, and other interested parties only with written consent of CLIENT. CLIENT shall be the sole owner of the report and all rights to it. INSPECTOR accepts no responsibility for use or misinterpretation of the content of the report by third parties, and third parties who rely on it in any way do so at their own risk and release INSPECTOR from any liability whatsoever.

8. **Inspection Fee & Additional Fees:** The Inspection Fee identified above is due prior to or immediately upon completion of the physical inspection of the Inspected Property. If the Inspection Fee is not paid as required herein, the INSPECTOR has no obligation to release the home inspection report, or any other information concerning the inspection or the Inspected Property, until the Inspection Fee is paid in full. All expenses incurred in collecting any overdue payments or returned checks are the responsibility of the CLIENT. There is a \$50.00 service charge for returned checks. A finance charge of one and one-half percent (1.5%) per month, eighteen percent (18%) per year, will apply to all obligations not paid pursuant to the terms contained herein. CLIENT agrees that in addition to any service charges or interest, the CLIENT shall be responsible for all legal fees and costs incurred by the INSPECTOR to collect the fees due under this Agreement. The CLIENT agrees that the provisions of Paragraph 11 of this Agreement do not apply to any legal fees and costs incurred by the INSPECTOR to collect the fees due.

9. **Responsibility for Return Inspections:** The CLIENT understands that if any systems and/or components of the Inspected Property cannot be inspected due to unforeseen circumstances during the inspection, it is the CLIENT'S duty to contact the INSPECTOR should the CLIENT want the INSPECTOR to return to the Inspected Property later to inspect those systems and/or components. Any systems and/or components not inspected due to unforeseen circumstances will be identified in the report.

10. **Severability:** If any portion of this Agreement is found to be invalid or unenforceable by any court, the remaining terms shall remain in force between the Parties. CLIENT waives any claim for consequential, exemplary, special, or incidental damages or for the loss of the use of any portion of the Inspected Property.
