From the Desk of Captain Konys

All are welcome and encouraged to attend the First Responders Yoga class held at Station 5 on November 8th at 10 a.m. and 6 p.m. Wear comfortable clothes and please let me know you're coming so we can have enough mats for everyone. – Captain David Konys

From the Fire Marshal's Desk

The Eagles Hall on Acid Mine has a Knox Box installed. This is different than most as it is on the Charlie side of the building. It is by door 11. That is the EMS door dedicated to access to entire building. If you went in the front door, it would not get you access to entire building.

Also, all the doors have been numbered. If there is a call during operating hours, the staff should direct you to a certain door. You might have dispatch obtain that information as well while enroute.

The preplan in Active 911 will be updated shortly.

Thank you! -Jeremy Chappius
