September 18, 2023

## HELP WANTED

The One-Act Play That Goes Wrong needs your help! Adults are needed to support with meal preparation and serving of tech week meals, ticket-taking on Friday night and Saturday night, selling concessions before the shows, and donations of concessions. Note. Concession donations can be dropped off anytime between 4:00pm-7:00pm during tech week.

Please sign up now to volunteer! Also, please share the show ad on social media and make plans to attend!

## SHOW FEES

Most CPHS shows have an associated student fee because there is not a department budget to cover the cost of the season. Boosters fund a large portion of the season, and show fees are collected from participating cast and crew to offset some of the cost for each show. In case you are wondering, here is what the fee covers:

- Show t-shirt
- Tech week meals (for food and supplies not donated)
- Show royalties
- Props
- Costumes
- Set
- Advertising (posters, fliers, etc.)
- Playbills (for the main musical)

## GROUPME APP AND BOOSTER EMAILS

Join the CPHS Theatre Families group in GroupMe! This will give you access to real-time messages and communications with each other regarding rehearsals, shows, the thespian festival, and more. It is a great place to ask questions and coordinate with each other. Also, please share this newsletter and let others know they can sign up for Booster communications using the QR code at [cphstheatreats.com](http://cphstheatreats.com).
