DURABLE POWER OF ATTORNEY

I, DONALD LEE PARNELL, JR., residing at Ashburn, Virginia, hereby appoint SUSAN MacCALLUM PARNELL, as my Attorney-in-Fact ("Agent").

I hereby revoke any and all general powers of attorney and special powers of attorney that previously have been signed by me. However, the preceding sentence shall not have the effect of revoking any powers of attorney that are directly related to my health care that previously have been signed by me.

My Agent shall have full power and authority to act on my behalf. This power and authority shall authorize my Agent to manage and conduct all of my affairs and to exercise all of my legal rights and powers, including all rights and powers that I may acquire in the future. My Agent's powers shall include, but not be limited to, the power to:

1. Open, maintain or close bank accounts (including, but not limited to, checking accounts, savings accounts, and certificates of deposit), brokerage agents, and other similar accounts with financial institutions.
  - a. Conduct any business with any banking or financial institution with respect to any of my accounts, including, but not limited to, making deposits and withdrawals, obtaining bank statements, passbooks, drafts, money orders, warrants, and certificates or vouchers payable to me by any person, firm, corporation or political entity.
  - b. Perform any act necessary to deposit, negotiate, sell or transfer any note, security, or draft of the United States of America, including U. S. Treasury Securities.
  - c. Have access to any safe deposit box that I might own, including its contents.
2. Sell, exchange, buy, invest, or reinvest any assets or property owned by me. Such assets or property may include income producing or non-income producing assets and property.
3. Purchase and/or maintain insurance, including life insurance

upon my life or the life of any other appropriate person.

4. Take any and all legal steps necessary to collect any amount or debt owed to me, or to settle any claim, whether made against me or asserted on my behalf against any other person or entity.
5. Enter into binding contracts on my behalf.
6. Exercise all stock rights on my behalf as my proxy, including all rights with respect to stocks, bonds, debentures or other investments.
7. Maintain and/or operate any business that I may own.
8. Employ professional and business assistance as may be appropriate, including attorneys, accountants, and real estate agents.
9. Sell, convey, lease, mortgage, manage, insure, improve, repair, or perform any other act with respect to any of my property (now owned or later acquired) including, but not limited to, real estate and real estate rights (including the right to remove tenants and to recover possession).
10. Prepare, sign and file documents with any governmental body or agency, including, but not limited to, authorization to:
  - a. Prepare, sign and file income and other tax returns with federal, state, and local and other governmental bodies.
  - b. Obtain information or documents from any government or its agencies, and negotiate, compromise, or settle any matter with such government or agency (including tax matters).
  - c. Prepare applications, provide information, and perform any other act reasonably requested by any government or its agencies in connection with governmental benefits (including military and social security benefits).
  - d. Select nursing home location if needed for my care.
11. Make gifts, outright or in Trust, in any amounts to members of my family including my spouse, children, grandchildren and spouses of my children. Such gifts shall be in the absolute discretion of my Agent, and may include gifts to the Agent.

WHITMORE ASSOCIATES, Limited  
Attorneys at Law - Ashburn, Virginia

This Power of Attorney shall be construed broadly as a General Power of Attorney. The listing of specific powers is not intended to limit or restrict the general powers granted in this Power of Attorney in any manner.

Any power or authority granted to my Agent under this document shall be limited to the extent necessary to prevent this Power of Attorney from causing (i) my income to be taxable to my Agent, (ii) my assets to be subject to a general power of appointment by my Agent, and (iii) my Agent to have any incidents of ownership with respect to any life insurance policies that I may own on the life of my Agent.

My Agent shall not be liable for any loss that results from a judgment error that was made in good faith. However, my Agent shall be liable for willful misconduct or the failure to act in good faith while acting under the authority of this Power of Attorney.

My Agent shall provide an accounting for all funds handled and all acts performed as my Agent, if I so request or if such a request is made by any authorized personal representative or fiduciary acting on my behalf.

This Power of Attorney shall become effective immediately, as indicated herein, and shall not be affected by my disability or lack of mental competence, except as may be provided otherwise by an applicable state statute. This is a Durable Power of Attorney. This Power of Attorney shall continue effective until my death. This Power of Attorney may be revoked by me at any time by providing written notice to my Agent.

Dated this 11<sup>th</sup> day of July, 2001, at Ashburn, Virginia.
