¡Hablemos Con DMV NSBE, Jr!

Spanish is currently one of the most widely spoken languages in the world, with close to 500 million speakers worldwide. It is the primary language in 21 countries: Argentina, Bolivia, Chile, Colombia, Costa Rica, Cuba, Dominican Republic, Ecuador, El Salvador, Equatorial Guinea, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Puerto Rico, Spain, Uruguay, and Venezuela. It is also a popular second language in Andorra, Belize, France, Gibraltar, Morocco, Philippines, Trinidad and Tobago, and the United States.

Our chapter offers Spanish classes with Senora Coral DeJesus, Certified Linguist & Interpreter. Students interested in any field, including STEM, benefit tremendously from learning Spanish. By Speaking English and Spanish, students would be able to share experiences with the population of the majority of the Western Hemisphere.

Our fun and interactive Spanish lessons will give a foundation to help children succeed in conversational Spanish as a second language and set the path for success as a bilingual STEM innovator!

Saturday classes follow the academic school year and are divided into two semesters:
October 5th, 2019 – February 8th, 2020
February 22nd - June 6th, 2020

Cost: $300 per student (per semester) $275 per sibling (per semester)
*Pay via PayPal Link on our website **or** Make all checks or money orders payable to DMV NSBE, Jr.
