- March is the third month of the year in both the [Julian](#) and [Gregorian calendars](#).
- Its length is 31 days. In the [Northern Hemisphere](#), the [meteorological](#) beginning of [spring](#) occurs on the first day of March.
- The [March equinox](#) on the 20 or 21 marks the astronomical beginning of spring in the Northern Hemisphere and the beginning of [autumn](#) in the Southern Hemisphere, where [September](#) is the seasonal equivalent of the Northern Hemisphere's March.
- The name of March comes from [Martius](#), the first month of the earliest [Roman calendar](#). It was named after [Mars](#), the [Roman god](#) of war, and an ancestor of the Roman people through his sons [Romulus and Remus](#). His month Martius was the beginning of the season for warfare, and the [festivals](#) held in his honor during the month were mirrored by others in October, when the season for these activities.
- March's birthstones are [aquamarine](#) and [bloodstone](#). These stones symbolize courage. Its [birth flower](#) is the [daffodil](#). The [zodiac](#) signs are [Pisces](#) until approximately March 20 and [Aries](#) from approximately March 21 onward.

**March 10 is the start of Daylight Saving Time, which means you have to set your clocks one hour ahead.**

#### Weather norms in March

The weather in Illinois in March is very cold with **temperatures between 33°F and 44°F**, warm clothes are a must.

You can expect about **3 to 8 days of rain** in Illinois during the month of March. It's a good idea to bring along your umbrella so that you don't get caught in poor weather.

You can expect a **few days of snow in Illinois during March**.

It's important to get out your snow boots and warm mittens to stay warm while you explore Illinois.

**We shall see if this is true**

## **From the GLA Officers and Board of Directors:**

We are pleased to announce that we have launched a new committee called what else the “Communication Committee. We have a need to improve our communication with you the property owners. As a board, we value your feedback and input, and we want to keep you informed of the latest news and updates regarding our community. That is why we have decided to create a newsletter and a social media platform where you can find relevant information..

This is our first newsletter, and we hope you enjoy it. In this edition, you will find:

- Link to a summary of the board meetings during 2024, where we discuss the budget, community issues, the maintenance plan, and the upcoming events.
- Link calendar of events for the next quarter, including social gatherings, educational workshops, and volunteer opportunities.

We invite you to read the newsletter and when we get our social media platforms up and running. We also encourage you to participate in the survey and the events, as they are great ways to make your voice heard and to meet your neighbors.

Please note that any of our social media platforms are not intended for public discussion or feedback, and therefore the comment function will be disabled. If you have any questions or concerns regarding the information posted on the platform, you can email us at the address that will be provided on each post. We kindly ask you to read and follow the terms of use for each platform, which will be available soon.

This edition contains a lot of information because we have not published anything for a few years. We felt we needed to share this information with the property owners.

Thank you  
The Communications Committee  
Chairperson Rich Ferrara

The Association always welcomes volunteers to help with ongoing projects.

**Let's work together to make 2024 a great year for Goose Lake Association.**

**A hyperlink is a fundamental concept in the digital world. Let me break it down for you:**

**A hyperlink, also known as a link, is a digital reference that allows users to navigate from one place to another within a web page or between different web pages. It's like a virtual bridge connecting related pieces of information.**

**When you encounter a hyperlink on a website, it can appear as:**

**Text: Underlined words or phrases that you can click on.**

**Images: Clickable icons or graphics.**

**Buttons: Interactive elements that lead to other content.**

**Here's how hyperlinks work:**

**Clicking: When you click on a hyperlink, it triggers a command in your web browser.**

**Navigation: The browser follows the link and loads the target web page, whether it's another page, an image, or a file.**

**Reversing: If you want to go back to the original page, simply click the "Back" button or press the "Backspace" key.**

To open a hyperlink click on the link below and it will open hyperlink.

### **Beach house: Chairperson Lisa Anderson**

#### **OPENING DAY May 25<sup>th</sup> 2024.**

The GLA Board appreciates your feedback on the caretakers' house and the beach house from our recent survey. Based on the majority of responses favor upgrading the beach house, we have initiated the process of contacting contractors to assess and quote the necessary repairs and improvements. We will keep you updated on the progress and timeline of this project. The plan would be to have the beach project complete by opening day.

Another small project is to upgrade the pump house that set on the southeast side of the beach.

### **Boat Committee: Chairperson Dave Barker**

#### **GLA Watercraft Decals**

- Just a reminder that before you put any watercraft in the water for the 2024 season you must have a current 2024 GLA decal on it.
- All Motorized Watercrafts must have current 2024 GLA decals, State registration, & Lot Numbers.
- All Non-Motorized Watercrafts must have current 2024 GLA decals and Lot Numbers.
- Lot Numbers must be at least 3 inch letters and numbers in **contrasting color** to the watercraft.
- All new watercrafts must be measured by the GLA Boat Committee prior to obtaining GLA decals.
- Location of Illinois sticker and Numbers/letters. Letters and numbers must be **contrasting colors**.
- **New rule in effect!** Only 100 PWCs are allowed. If you have a pre-stickered PWC, you'll be first in line if the sticker fee is paid by April 1st. Otherwise, you'll be placed on a waiting list.

We have generated some new images for the proper placement of boat stickers (**see Link on page 5 Boats and Safety information**)

### **Budget: Treasurer Dave Darner**

The 2024 budget was submitted and proposed for approval by motion 228, by roll call vote it was passed for 2024. We currently have a list of projects that has been submitted to each board member for review they will prioritize them for funding.

### **By-Laws: Chairperson Rules and By-laws Marie Stover**

It has been several years since the by-laws have been reviewed. This committee is working on revising the current bylaws to better serve the association and its members. We have drafted some proposed amendments that we believe will improve the governance and operations of the association. We implore you to attend one of the upcoming community meetings where we will present and discuss the proposed bylaw changes with you. Your participation and feedback are very important to us, as we want to ensure that the bylaw changes reflect the needs and interests of the members. The dates and locations of the community meetings will be announced soon, so please keep an eye on your email and our website for more information. The bylaw changes will require a vote from the members, so we encourage you to attend the meeting and ask any questions you may have. We look forward to seeing you there and hearing your opinions on the bylaw changes for 2024

### **Communication: Rich Ferrara**

For update on the NEW communication update see page 2.

### **Campground: Chairperson Pris Copple**

Closed for the season. The campground is schedule to open on May 1<sup>st</sup> 2024 weather permitting.

### **Election Chairperson Pris Copple**

At the January \*\*GLA motion 229\*\*, a proposal was submitted to approve the process of \*\*voting by mail\*\* for the \*\*2024 election of officers, board members, and proposed changes to the bylaws\*\*. This motion was approved by a roll call vote of \*\*13-0\*\*.

The election committee submitted motion xxx to close the office on Saturday September 21<sup>st</sup> to accommodate the election process and set up hall This motion was approved by a roll call vote of \*\*13-0\*\*.

### **Fish Chairperson: Dave Bogash**

For more information contact the Fish Committee chair.

### **IT Chairperson: Dan Rezabek**

Our team is working on introducing Zoom as a platform for our monthly meetings. We are developing protocols and resolving issues to ensure a smooth and effective communication with the property owners who may not be able to join us in person. We are striving to adopt some new technology to enhance our collaboration and engagement.

### **Safety patrol Chairperson: Josh Wilson**

The Board is aware of the challenges in securing a safety patrol for our lakes, which is essential for the safety and well-being of our property owners while on the lakes. Therefore, we have reached out to multiple contractors to find a suitable patrol service for 2024. We hope to have a positive outcome soon and we appreciate your patience and cooperation.

### **Social Committee Chairperson: Gabby Kerr**

Motion 233 was submitted and approved in the February board meeting to allocate \$3400 for the children's social events for 2024.

### **Weeds Chairperson Dave Bogash**

# GLA Amenities

## **The Beach;**

The beach will open on May 25th. We kindly request that you respect the lifeguards, who are there to ensure your and your children's safety. Please adhere to the rules that are displayed around the beach. In addition, please note that the cabanas around the beach are available on a first come, first serve basis. Our lifeguards have no authority over who gets them.

**Beach chair, Lisa Anderson.**

## **The Campground;**

The GLA campground opens on Monday April 1<sup>st</sup> (weather permitting) it is located next to our beach area and is flanked by Goose Lake, not to be confused with the Goose Lake within Goose Lake Prairie State Natural Area. Open from May to September. Stop in our office to register your tent or camper.

**Campground Chair, Pris Copple**

Four lakes are in the subdivision:

Goose Lake (not to be confused with a lake called Goose Lake that was north of Lorenzo/Pine Bluff Rd. in Goose Lake Prairie State Natural Area). Beaver Lake,

Lincoln Lake (the largest and only water skiing lake). GLA is proud of their lakes and strives to keep them as clean as possible. The lakes are maintained and stocked by GLA, and shoreline permits are issued when any new work is being done. The work is reviewed by a committee to help maintain aesthetics and the natural balance of chemicals in the water as well as to control erosion. Said to be one of the cleanest lakes in the Midwest, Lincoln Lake has a visibility of about 25 feet of depth. Several marinas where boats can enter the lakes with gate keys are located throughout the subdivision. Safety is enforced on the lakes at the expense of GLA

**Lake Committee Chair**

**Dave Barker**

## **Boat Registration**

We have a few rules that apply to boats on our lakes. Please review the rules to ensure you are in compliance. Here is a summary of some of the important things to remember when buying a boat.

### **SECTION 6.1: BOAT SIZE/WATERCRAFT SIZE REGULATIONS**

Pontoon Boats are limited to an overall length that does not exceed 24 feet 6 inches with not more than two pontoons (tubes). All other watercrafts are limited to an overall length that does not exceed 20 feet as per original boat manufacturer specification and must measure 20 feet or less as measured by the Goose Lake Association.

Measurement shall include molded platforms; excludes bolt-on platforms. The maximum overall width of any boat is to be no wider than 9 feet. The following watercrafts are prohibited:

- (a) Watercraft equipped with inboard rear engines including, but are not limited to, V-drive boats, inboard/outboard boats, and jet boats or any boats/watercraft that are equipped with any wake or wake enhancing devices such as, but not limited to, ballast tanks, hydro gates, etc.
- (b) Cabin cruisers or other boats with enclosed living quarters
- (c) Deck Boats
- (d) Tritoon Pontoon Boats [having three or more pontoons (tubes)]
- (e) Any boat/watercraft or water device is subject to evaluation by the GLA Board of Directors..

**SECTION 6.2: BOATING AND USAGE** (a) The marinas have been constructed for the launching of properly registered watercraft. All unattended watercraft must be taken out of the water and kept in the designated Goose Lake Association storage areas (or at owner's property). A key to the Marinas may be issued to property owners and "A" members at a cost of \$10.00 only if a boat or other properly registered watercraft decal is purchased. (b) Any watercraft found to be creating excessive waves will be subject to the fines and penalties as stated in Section 6.8: Boat Fines, Penalties, and Violations; Which included but not limited to: 1. Surfing 2. Overloading or operating a vessel that has been loaded beyond the recommended carrying capacity beyond the limits shown on the capacity tag plate installed by the manufacturer, which includes the person or persons in tow. 3. Overloading or operating a vessel with excessive people/weight in the rear of the boat. (c) All Watercraft shall be equipped and maintained with an effective below waterline exhaust system. (d) Boats used on Goose, Beaver Lake, and Half Moon Lakes shall not be equipped with more than a 10 HP motor. Boats on these lakes are limited to NO WAKE speeds. Pontoon boats are limited to no more than 100 HP on Lincoln Lake. (e) Jet Skis are limited to no more than 130 HP. Operators and owners of jet skis and other like personal water craft shall obey all rules concerning "flow" of watercraft direction and shall not operate in such fashion as to endanger themselves, passengers, or other users of the lake. **PULLING OR TOWING OF WATER SKIERS OR PULL CRAFT WITH JET SKIS IS NOT PERMITTED.** (f) Pontoon Boats are not allowed to pull anything or anyone on Lincoln Lake. All other lakes are limited to pull a single tube in a straight-line fashion.

# Big Projects for 2024

## Office/Bar/Septic Project

One of the major projects that we are working on is alleviating the issues we are having with the septic system for the bar, hall, kitchen, and office. These facilities are facing some problems that need to be resolved as soon as possible. We are still assessing

the situation and consulting with different vendors to find the best solution, whether it is a repair or a replacement. We appreciate your patience and cooperation in this matter..

East of Office /hall/bar

South of the bar by the gazebo

---

The second major project for 2024 is the replacement of the 24 inch valve at Beaver Lake. This valve is critical to our lakes as it prevents the water from draining out and maintains the water level and quality.

The current valve is old and corroded, and poses a risk of failure and leakage. The replacement project will involve installing a new valve, repairing the piping, and restoring the surrounding area.

## Beach House Upgrade Project

From your positive feedback on the survey about the caretakers house renovation. According to the survey results, most respondents indicated that the beach house needs renovation and improvement. This suggests that the current condition of the property is not satisfactory and requires attention. A possible course of action is to allocate a budget and a timeline for the necessary repairs and enhancements, and to communicate them clearly to the property owners. Therefore, we, the board, have decided to pursue that possibility. Based on the

inspections we conducted, we believe that a repair option would be adequate to fix the beach house, without needing a full rebuild. This would reduce the time and cost, as well as maintain the original design and structure of the property for a long time. This will likely involve the following

1. Injecting foam under the concession stand wall to stabilize the and prevent any future sagging.
2. Have the south side of the concession stand graded and a concrete pad slopping away from the building. Install two drains slopping away for the

3. Install gutters along the north side of the. The beach chair person and committee are working on getting quotes for all the work and will present them to the board for approval of funding.

The Beach Committee Chair  
Person  
Lisa Anderson

## Pump House Upgrade Project

This is the pump house for the beach it is utilized to help keep the water clean and run the aerators in the water. This is currently not funded for 2024.

## Small Projects for 2024

We have replaced the old ceiling tile in the back office, kitchen area, along with the small section of the behind the bar by the dart boards.

The existing dock decking at the Goose lake marina is due for a renovation. Our team will be working on replacing the decking with new materials that are more durable and eco-friendly. This is a relatively small project that we aim to complete by the spring season. All the materials were purchased in 2023.
