

WORKSHOP LEHIGH VALLEY LV ENVIRONMENT / TRANSPORTATION

Priority Climate Action Plan

Transportation Decarbonization

Meeting Agenda

- **Welcome and Introductions**
- **PCAP-Preliminary Transportation Decarbonization Policy Strategies**
- **Discussion/Questions**
- **Upcoming Workshop Meeting Dates for 2024**

Ground Rules

1. **All people are welcome here:** We continue to build a bigger table to bring more people into this work.
2. **This is a safe space:** We are all coming into this workshop with different backgrounds and knowledge bases. All questions are good questions, as long as they are based in respect.
3. **Questions are encouraged:** There will be opportunities for questions and comments throughout the presentation portion of the agenda.
4. **Participation is key:** There will be opportunities for verbal and non-verbal participation – both are important. Please be conscientious of your participation in both sections.

Introductions – Welcome!

Priority Climate Action Plan Preliminary Transportation Decarbonization Policy Strategies

Goals, Policies and Actions Definitions

Goal: Broad statements of purpose that do not provide specific descriptions. Goals tend to provide long-term visions and serve as the foundations of plans.

Policy: Provide more specific statements of purpose. It is a definite course or method of action selected among alternatives or in light of the given conditions to guide and determine present and future decisions.

Actions: A bridge between general policies and actual implementation guidelines.
